PROGRAM REPORT

Title of the Program: Historic Place Cleaning Program at Harihar Fort

Date(s): 19/01/2019

Duration: 01 day

Venue: Harihar Fort, Harshewadi, Tal. Trimbakeshwar, Dist. Nashik

Details of Participants: 48

Introduction

The NSS unit of KCT's Late G. N. Sapkal College of Engineering organized a Historic Place Cleaning Program at the majestic *Harihar* Fort located in *Harshewadi*, Tal. Trimbakeshwar, Dist. Nashik. The primary objective of this program was to visit and clean this historically significant site while instilling a sense of responsibility and environmental consciousness among NSS volunteers.

The Historic Place Cleaning Program at *Harihar* Fort was a comprehensive event that included the following activities:

1. Assembly and Departure:

The NSS volunteers gathered at the college campus at 6:30 AM and departed for *Harihar* Fort at 7:00 AM. The journey to the fort created a sense of anticipation and excitement among the participants. Upon reaching *Harihar* Fort, the volunteers were given a brief introduction to the historical significance of the fort. They were also educated about the importance of preserving such heritage sites.

2. Cleaning the Fort:

The primary focus of the program was to clean the fort and its premises. The students diligently collected plastic waste and other garbage that had accumulated over time. They ensured that the fort area was restored to its pristine condition.

3. Pond Cleaning:

Apart from cleaning the fort, the NSS volunteers also undertook the task of cleaning the fort's pond. This pond holds historical significance and was in need of cleaning and restoration. The volunteers removed debris and plastic waste from the pond to help maintain its historical charm.

4. Environmental Awareness:

Throughout the program, the volunteers engaged in discussions about the environmental impact of littering and the importance of responsible waste disposal. This helped create awareness among the students about their role in preserving historical sites and the environment.

The program concluded with a group pledge where the volunteers promised to continue their efforts to maintain and preserve historic sites and to spread awareness about responsible waste management and environmental conservation.

Conclusion:

The Historic Place Cleaning Program at *Harihar* Fort was a remarkable initiative by the NSS unit of KCT's Late G. N. Sapkal College of Engineering. The students' dedication and enthusiasm in cleaning the historic site demonstrated their commitment to preserving India's cultural heritage and promoting environmental responsibility. This program not only contributed to the restoration of *Harihar* Fort but also inspired the young volunteers to become responsible stewards of their environment and cultural heritage. It served as a reminder that collective efforts can make a significant impact in preserving our historical treasures.
