Title of the Program: Voter Awareness and Registration Drive

Date(s): 25/01/2019

Duration: 01 day

Venue: Late G. N. Sapkal College of Engineering Campus, Anjaneri, Tal. Trimbakeshwar, Dist. Nashik

Details of Participants: 50

Introduction

Voter Awareness and Registration Drive organized by the National Service Scheme (NSS) unit of KCT's Late G. N. Sapkal College of Engineering. The primary aim of this activity was to raise awareness about the importance of voter registration and to facilitate the process for students in our college. We were honoured to have Mr. Kambale Sir, Election Nayab Tahsildar from Trimbakeshwar as a guest to guide and assist our students in this endeavour.

Objectives of the Activity:

1. To promote awareness about the significance of voter registration and participation in the electoral process.
2. To facilitate the voter registration process for students by distributing the necessary forms and providing guidance.
3. To engage NSS volunteers in a civic-minded activity that encourages active participation in the democratic process.

Activities:

1. **Guest Speaker Presentation:** The activity began with a presentation by the Election Nayab Tahsildar from Trimbakeshwar. They provided valuable insights into the importance of voter registration and participation in elections. The presentation covered the electoral process, the rights and responsibilities of voters, and the significance of making one's voice heard.
2. **Distribution of Voter Registration Forms:** NSS volunteers distributed voter registration forms to the students of our college. They explained the required information and documentation for the registration process and answered any questions students had.
3. **Guidance and Assistance:** NSS volunteers and the Election Nayab Tahsildar provided guidance and assistance to students who needed help filling out the voter registration forms. This support ensured that the registration process was smooth and efficient.
4. **Collection of Completed Forms:** After students filled out the forms, NSS volunteers collected them and ensured that all required information was correctly provided. The collected forms were then submitted to the officials for processing.
5. **Q&A Session:** A question and answer session was held after the presentation to address any doubts or concerns students had regarding the voter registration process and the upcoming elections.

Beneficiaries: The primary beneficiaries of this activity were the students of KCT's Late G. N. Sapkal College of Engineering who were provided with the opportunity to register as voters.

Achievements:

1. The presence of the Election Nayab Tehsildar Mr. Kambale sir and the informative presentation helped students recognize the significance of their role in the democratic process.
2. Many students took advantage of the opportunity to register as voters and participated in the registration process with enthusiasm.
3. The activity generated increased awareness about voter registration and civic participation, which will have a positive impact on the upcoming elections.

In conclusion, the NSS Voter Awareness and Registration Drive at KCT's Late G. N. Sapkal College of Engineering was a meaningful effort to encourage students' active participation in the electoral process. The guidance of Mr. Kambale, the dedication of NSS volunteers, and the enthusiasm of the students contributed to the success of this initiative.
