Introduction:

The NSS Unit of KCT's Late G. N. Sapkal College of Engineering, in collaboration with the Trimbakeshwar Police Department, organized a Road Safety Awareness Program in Trimbakeshwar. The primary objective of this program was to promote road safety and encourage safe driving practices among vehicle riders. The program aimed to reward those following safety norms while gently reminding and educating those who were not.

Activity Details:

Planning and Coordination:

The NSS Unit and the Trimbakeshwar Police Department collaborated to plan and execute the Road Safety Awareness Program. This involved organizing resources, volunteers, and logistics for the event.

Rose Distribution to Safe Riders:

During the program, NSS volunteers stationed at key points in Trimbakeshwar distributed rose flowers to vehicle riders who were using seat belts and wearing helmets. This positive reinforcement recognized and appreciated safe driving practices.
