Date: 13/11/2020

Notice

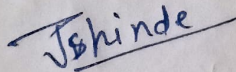

All students of Third Year Computer engineering department are hereby informed that, Five days Workshop on "Latex" is organized by Computer Engineering Department in association with IQAC at our college. All are requested to attend the program.

Speaker: Dr. Prof. khyati Nirmal

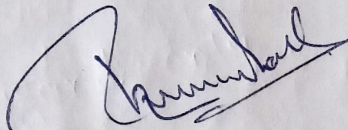

Venue: PG Lab

Day and Date: Monday, 16th November to 20th November 2020

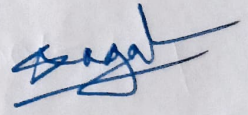

Time: 10:00 AM onwards

Prof. J. V. Shinde
Program Coordinator

Prof. (Dr.) N. R. Wankhade
HOD, Computer Engg.

**Program Module and Outcome
5 days Certificate Course/Add-on Course on
"LATEX WORKSHOP"**

Sr No.	Module	Syllabus
1	Module 1	Installation of LaTeX
2	Module 2	To explain the various sections and files associated with LaTeX document processor
3	Module 3	To demonstrate how to format the content and insert images, equations, and references and the various aspects of the research paper preparation, Thesis writing and Beamer presentation in LaTeX

Sr No.	Module	Outcome
1	Module 1	Participant will understand various features of LaTeX.
2	Module 2	Participant will be able to include packages, content formatting, inserting figures, equations, and references.
3	Module 3	Participants will be able to write the conference paper, journal-manuscript and thesis in LaTeX

Subject: - Invitation letter to conduct Add On Workshop on "Latex".

Dear Madam,

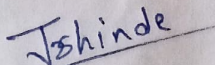

We are pleased to invite you as a resource person for Add On program on "Latex" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

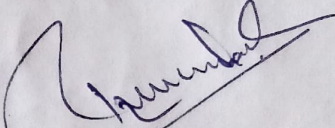

We will be grateful if you could share your valuable expertise on the topic aforementioned. We hope that the students will be benefitted by participating in this program with the current edge technology on the topic.

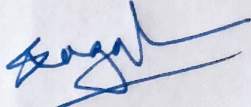

We look forward to your presence in the campus as per the schedule attached.

Thanking You,
With warm regards.

Yours Faithfully,

Prof. J. V. Shinde
Program Coordinator

Prof. (Dr.) N. R. Wankhade
Head of Computer Dept.

Prof. (Dr.) S. B. Bagal
Principal

Title of the Program: Five days Add-on Program on "Latex Workshop"

Number of Day(s): 05 Day

Dates(s) of Conduction:

From 16/11/2020 to 20/11/2020

Venue: PG Lab

Number of Participants: 82

Male: 47

Female: 35

Program Objectives:

1. To introduce the participants to the basics of Latex typesetting system and teach how to prepare journal articles using the Latex template.
2. To adapt usage of Latex Software.
3. To make all of writing tasks simpler, more visually appealing, more consistent, and more reproducible and transparent.
4. To study LaTeX is a document preparation system for high-quality typesetting.
5. To study introduction to various features of LATEX with some advanced topics that will help to write our academic material as well as research papers that are suitable for publication in reputed journals.

Name & Contact Details of the Resource Person(s):

1. **Prof. (Dr.) Khyati R Nirmal (Associate Professor)**

Phone No.: 02556-253750

Ph.D. in Computer Science

E-Mail:

khyatinirmal@gmail.com

SNJB's College of Engineering, Chandwad

Description / Explanation of the Program:

Workshop "Latex" was organized by Department of Computer Engineering in association with CSI student chapter for third year engineering students. Program was started with the brief introduction and felicitation of resource person Prof. (Dr.) Khyati R. Nirmal by Prof. (Dr.) N. R. Wankhade, Head of Computer Engineering Department. The Workshop was conducted through offline platform.

Following Aspects were covered in the talk:

She explained how LaTeX is a document preparation system for high-quality typesetting. In her speech she talked LATEX is most often used for medium-to-large technical or scientific documents but it can be used for almost any form of publishing. She ended with importance of LaTeX which is not a word processor! Instead, LaTeX encourages authors not to worry too much about the appearance of their documents but to concentrate on getting the right. Competence in technical writing holds great importance in the present era. Technical writing deals with specific knowledge, generally in the sphere of science and technology, and may be used in a wide variety of media: journal papers, thesis, project proposals, and other technical documents. There were total 62 participants in the workshop.

In Second Session as part of introduction she covered Motivation, Structure, Use of Section and Subsection, Listing, Use of figure, Use of Table, Bibliography. LATEX is a document preparation system for high-quality typesetting. It is most often used for medium-to-large technical or scientific documents.

As part of practical session she told LATEX provides seven levels of division or sectioning for you to use in structuring your text. Chapters are only available in the book and report document classes, because they don't have any meaning in articles and letters. Documents can be divided into sections, Sub section, and sub subsection.

She told students about how one can write mathematical equations easily in LATEX. She explained in details about Basics of Equations, Math mode, Mathematical Symbols, Sample Code, Sums and integrals, Brackets and braces, Matrices and Arrays, Examples of Matrix, Examples of Array, Horizontal spacing, Equation environment, Alignings.

Then as part of practical session, she explained Introduction to bibliography management, naming Section, creating Figure, Table, Page number, Equation. Also she taught about how to prepare and write papers in LATEX in IEEE format. She explained how the sections, tables, bibliography, etc is created in LATEX. Explained with live example how we can do video, audio, PDF and web linking.

The Validatory program was on 20th November 2020. It was held after the end of all session and quiz.

Outcome of the Talk / Event:

1. Students are able to understand the all about Latex.
2. Students are able to prepare Latex Document.

Subject: - Letter of appreciation.

Respected Madam,

We would like to take this opportunity to express our appreciation to you for successfully conducting 5 days Add On Workshop "Latex" organized by Department of Computer Engineering of Late G. N. Sapkal College of Engineering, Nashik in association with IQAC cell LGNSCOE Nashik, during 16th November 2020 to 20th November 2020.

It was extremely informative, and participation illustrated the importance of this topic to our students. We would like to thank about your personally taking time out of your hectic schedule to provide us with the full of information.

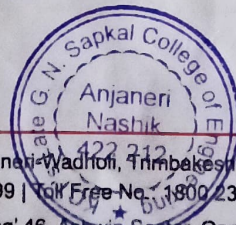

Thanking You,

With warm regards.
