PROGRAM REPORT

Title of the Program: NSS Special Camp - Fort Visit and Cleaning Activity at Brahmagiri and Durg Bhandar Fort.

Date(s): 02/03/2022 **Duration of the Camp –** 1 Day

Venue: Pegalwadi Village, Taluka Trimbakeshwar, Dist. Nashik.

Details of Participants: 50

Name of the Contact Person: Mrs. S. B. Bairagi, Gramsevak, Pegalwadi Village, Tal. Trimbakeshwar, Dist. Nashik.

Introduction:

KCT's Late G. N. Sapkal College of Engineering organized an NSS (National Service Scheme) special camp from February 24, 2022, to March 02, 2022, in the serene backdrop of Pagalwadi Village, Trimbakeshwar Taluka. The primary aim of this seven-day camp was to engage NSS volunteers in community service activities, foster environmental awareness, and promote a deeper understanding of local history and culture.

Activities:

The NSS volunteers energetically participated in various activities during the camp. A significant focus was on cleaning and preserving two culturally and historically rich sites: Brahmagiri Temple and Durg Bhandar Fort on Brahmagiri Mountain.

1. **Cleaning at Durg Bhandar Fort:** The volunteers took on the challenge of cleaning Durg Bhandar Fort, situated atop the Brahmagiri Mountain. This historic fort is a testament to the region's rich cultural heritage, and the NSS volunteers recognized its importance.
2. **Experiential Learning:** The camp provided a unique opportunity for the NSS volunteers to immerse themselves in nature, delve into the rich history of the region, and confront environmental challenges faced by these historical sites.
3. **Nature Experience:** Brahmagiri Mountain's natural beauty offered the volunteers a chance to connect with nature. They were able to witness the serene beauty of the mountain and its ecological treasures, reinforcing the need for conservation.
4. **Historical Learning:** Brahmagiri Mountain, with the Brahmagiri Temple and Durg Bhandar Fort, holds historical significance. The volunteers eagerly explored the history and architecture of these sites, gaining a deeper appreciation for their cultural heritage.

Plastic Garbage Collection: In line with the camp's mission, the NSS volunteers actively collected plastic garbage at Durg Bhandar Fort. Their efforts not only contributed to the site's cleanliness but also raised awareness about the harmful effects of plastic pollution.

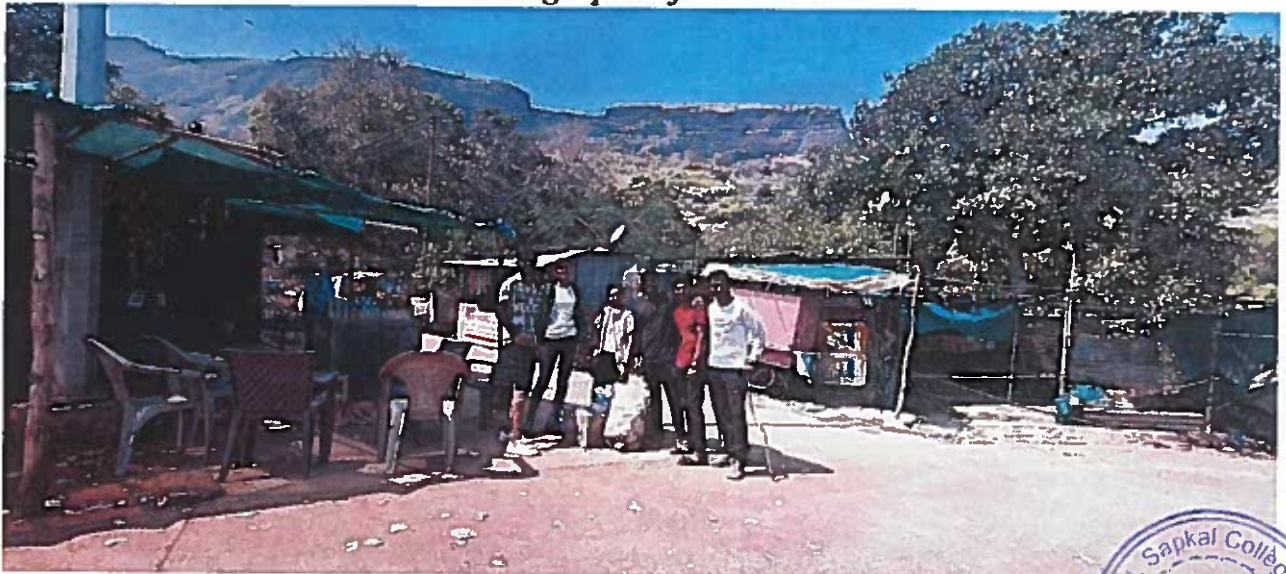

Conclusion:

The NSS special camp at Pagalwadi Village was a remarkable success, combining community service, environmental awareness, and cultural appreciation. The students' active participation, enjoyment, and

learning during their visit to Durg Bhandar Fort further highlighted the camp's positive impact. This experience will undoubtedly serve as a source of inspiration and education for both the volunteers and future generations, emphasizing the importance of preserving our natural and historical treasures.
