## PROGRAM REPORT

**Title of the Program:** NSS Special Camp - Disaster Management Training Activity

**Date(s):** 02/03/2023      **Duration of the activity -** 1 Day

**Venue:** Wadholi Village, Taluka Trimbakeshwar, Dist. Nashik.

**Details of Participants:** 52

**Name of the Contact Person:** Mr. A. M. Supe, Gramsevak, *Wadholi Village*, Taluka Trimbakeshwar, Dist. Nashik.

### **Introduction:**

On the 2nd of March 2023, the NSS Unit of KCT's Late G. N. Sapkal College of Engineering, in partnership with M/S Mahindra & Mahindra, conducted a Disaster Management Training activity as part of the 7-day residential NSS Special Camp in the village of Wadholi. This initiative aimed to equip villagers and students with essential skills to save lives during disaster situations.

Mr. Aniket Pandey, Fire Officer at Mahindra & Mahindra, led this informative and practical training session. The activity commenced with a brief introduction to the importance of disaster preparedness, highlighting the need for community involvement and quick response during emergencies.

The training covered the following key aspects:

**Emergency Response Strategies:** Mr. Aniket Pandey emphasized the importance of swift and organized responses during disasters. He provided insights into effective communication and coordination techniques, stressing the need for community collaboration.

**First Aid Techniques:** Participants were trained in basic first aid methods, including CPR, bandaging, and wound care. These skills are crucial in providing immediate assistance to those injured during a disaster.

**Fire Safety:** Given Mr. Aniket Pandey's expertise as a Fire Officer, he conducted a comprehensive session on fire safety. Participants learned how to handle fire extinguishers and act promptly in case of a fire outbreak.

**Evacuation Procedures:** The training covered evacuation plans and safe exit strategies, ensuring that participants could efficiently guide others to safety during emergencies.

**Search and Rescue Techniques:** Practical demonstrations were conducted to teach the participants how to safely locate and rescue individuals trapped in disaster-stricken areas.

**Community Awareness:** Mr. Aniket Pandey emphasized the importance of creating awareness about disaster preparedness in the community. Participants were encouraged to share their newfound knowledge with others, creating a ripple effect of awareness and preparedness.

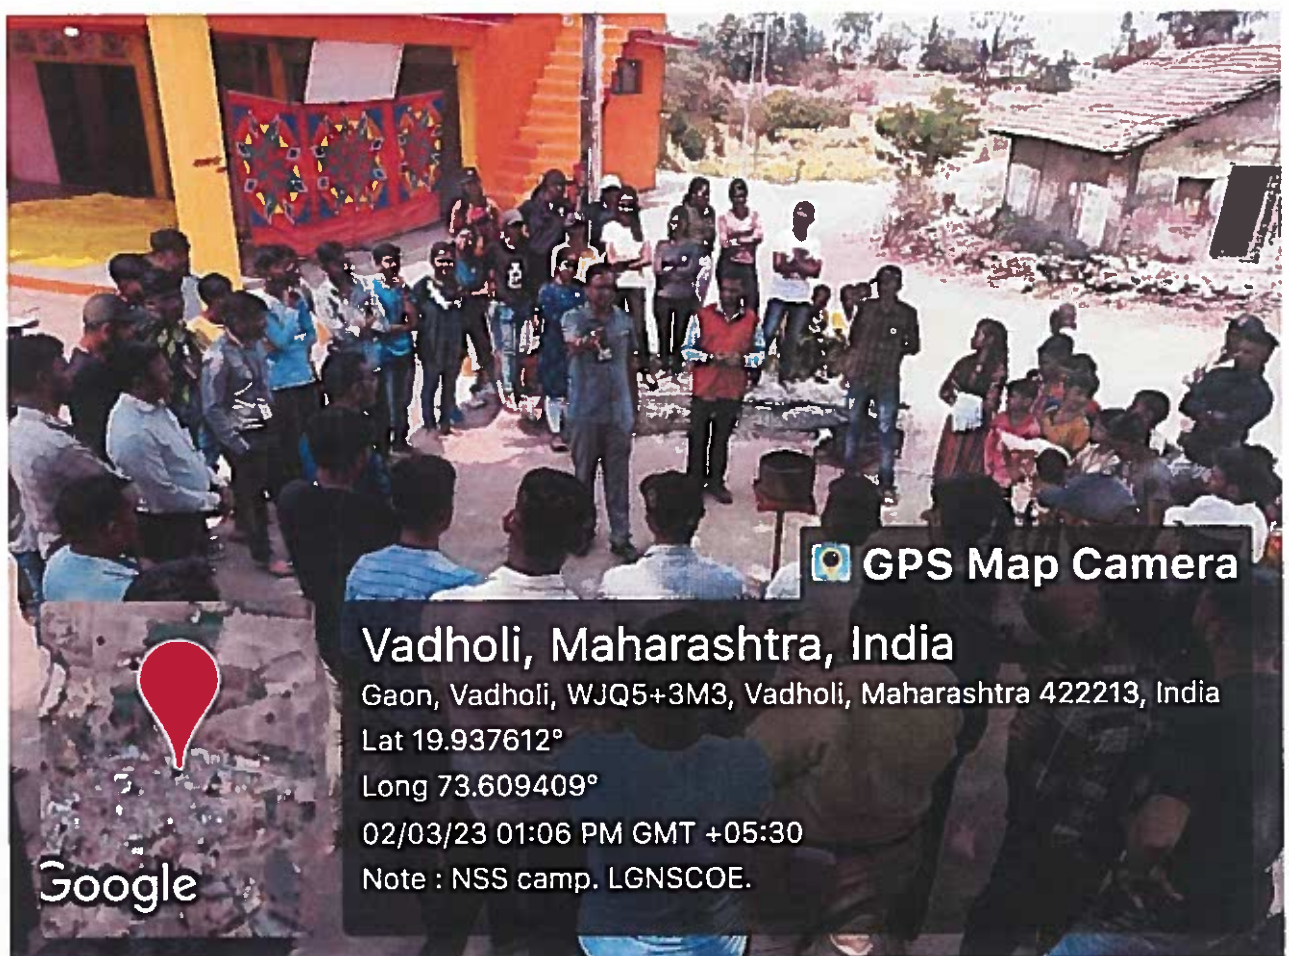

The event was attended by both villagers and students, fostering a sense of unity and collective responsibility in Disaster Management Training. Participants actively engaged in the training, asking questions, and demonstrating their willingness to learn.

The Disaster Management Training activity organized during the NSS Special Camp served as an invaluable opportunity to equip the community with life-saving skills and knowledge. It reinforced the commitment of NSS and its partners to promote resilience and safety in the face of adversity.

This initiative not only contributed to the immediate welfare of the village of Wadholi but also instilled a sense of preparedness that will benefit the community in the long term. The NSS unit of KCT's Late G. N. Sapkal College of Engineering expresses its gratitude to M/S Mahindra & Mahindra for their support in making this activity a success.

We believe that through continued efforts and community involvement, Disaster Management Training can become a shared responsibility, ensuring a safer and more resilient future for all.
