## PROGRAM REPORT

**Title of the Program:** Founder's Day Celebration at Sapkal Knowledge Hub

**Date(s):** From 20/07/2022 to 20/07/2022      **Duration:** 01 day

**Venue:** Engineering Main Building, Sapkal Knowledge Hub Campus, Anjaneri.

**Details of Participants:** 200

**Name of the Contact Person:** Dr. Mangesh Rathod, Civil Hospital Blood Bank, Nashik

### **Introduction:**

The NSS (National Service Scheme) Unit of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik, organized a commendable blood donation and tree plantation activity on July 20, 2022, to commemorate the birthday of our beloved founder, Dr. Ravindra Sapkal, CMD of KCT's Sapkal Knowledge Hub, Nashik. This event was a testament to our commitment to serving the community and nurturing the environment. It brought together NSS volunteers, students, and faculty members to contribute towards a noble cause.

### **Blood Donation Camp:**

The blood donation camp was a collaborative effort between the NSS department and the Civil Hospital Blood Bank, Nashik. It aimed to promote the spirit of voluntary blood donation among students while addressing the crucial need for a safe and ample blood supply.

A total of 50 NSS volunteers, along with other students, enthusiastically participated in the camp, displaying their dedication to serving society.

Through the collective efforts of volunteers and the expertise of the Civil Hospital Blood Bank team, a remarkable 50 bottles of blood were collected during the event.

In addition to blood collection, special emphasis was placed on the health of girl students. Anaemia testing was conducted, ensuring their well-being.

### **Tree Plantation Activity:**

The tree plantation activity aimed to contribute to environmental conservation and beautify the campus of Sapkal Knowledge Hub. NSS volunteers came together to plant a total of 50 trees on the campus, carefully selecting locations that would enhance the overall greenery and aesthetics. Various species of trees, including indigenous and fruit-bearing ones, were planted to promote biodiversity and provide long-term benefits to the ecosystem. Activity served as an opportunity to raise awareness about the importance of trees in mitigating climate change and providing essential ecological services.

**Conclusion:**

The blood donation and tree plantation activities held on Founder's Day were a resounding success, reflecting the commitment of Sapkal Knowledge Hub's students and staff to both social welfare and environmental sustainability. The 50 bottles of blood collected will undoubtedly save lives, while the 50 newly planted trees will continue to benefit the environment and the campus for years to come.

These activities serve as a testament to the ethos and values that Dr. Ravindra Sapkal, our esteemed founder, has instilled in our institution. The NSS department, along with all the volunteers and participants, is committed to continuing such initiatives that contribute positively to society and the environment.
