PROGRAM REPORT

Title of the Program: NSS Special Camp - Swachh Bharat Abhiyaan

Date(s): 02/03/2023 **Duration of the activity –** 1 Day

Venue: Wadholi Village, Taluka Trimbakeshwar, Dist. Nashik.

Details of Participants: 52

Name of the Contact Person: Mr. A. M. Supe, Gramsevak, *Wadholi* Village, Taluka Trimbakeshwar, Dist. Nashik.

Introduction:

As part of the 7-day residential NSS Special Camp held at the village of Wadholi, the NSS Unit actively participated in the Swachh Bharat Abhiyaan (Clean India Campaign) on the 2nd of March 2023. This initiative exemplified the commitment of NSS volunteers to cleanliness and hygiene and aimed to make a positive impact on the community.

The Swachh Bharat Abhiyaan activity was centered around cleaning public places and collecting waste plastic items from the roads in and around Wadholi. The NSS Volunteers collectively worked on this endeavor, focusing their efforts on key areas like the school, temple, and village streets.

Execution:

The activity commenced with volunteers donning gloves, carrying brooms, and waste collection bags. They were divided into teams and assigned specific areas for cleaning. Each team took responsibility for the cleanliness of a designated space, ensuring a thorough and systematic cleanup.

The volunteers cleaned the school premises, removing litter and debris from the surroundings. They also ensured that the temple premises were spotless, reflecting the significance of maintaining a clean and sacred place of worship.

Additionally, the village streets were cleaned of waste plastic items and other litter, contributing to the overall tidiness of Wadholi. The volunteers worked tirelessly, and their collective efforts were both efficient and impactful.

Achievements:

The Swachh Bharat Abhiyaan activity was successful in achieving its goals. The village of Wadholi saw a noticeable improvement in the cleanliness of public places after the volunteers' efforts. Waste plastic items, which are not only unsightly but also harmful to the environment, were collected and properly disposed of.

This activity also conveyed a powerful message about the importance of community participation in maintaining a clean and hygienic environment. The villagers and students, by working together, demonstrated their commitment to making their surroundings cleaner and healthier.

Community Impact:

The Swachh Bharat Abhiyaan activity not only resulted in cleaner public spaces but also had a significant impact on community awareness. The villagers and students involved in this initiative realized the importance of cleanliness and hygiene in promoting overall well-being.

The activity helped instill a sense of pride and responsibility among the participants, fostering a culture of cleanliness that is essential for a healthier and more aesthetically pleasing environment.

Conclusion:

The NSS Unit of KCT's Late G. N. Sapkal College of Engineering, through its active participation in the Swachh Bharat Abhiyaan activity, exemplified its commitment to community service and social responsibility. The initiative was a testament to the positive changes that can be brought about by collective efforts and a shared vision of a cleaner and more sustainable future.

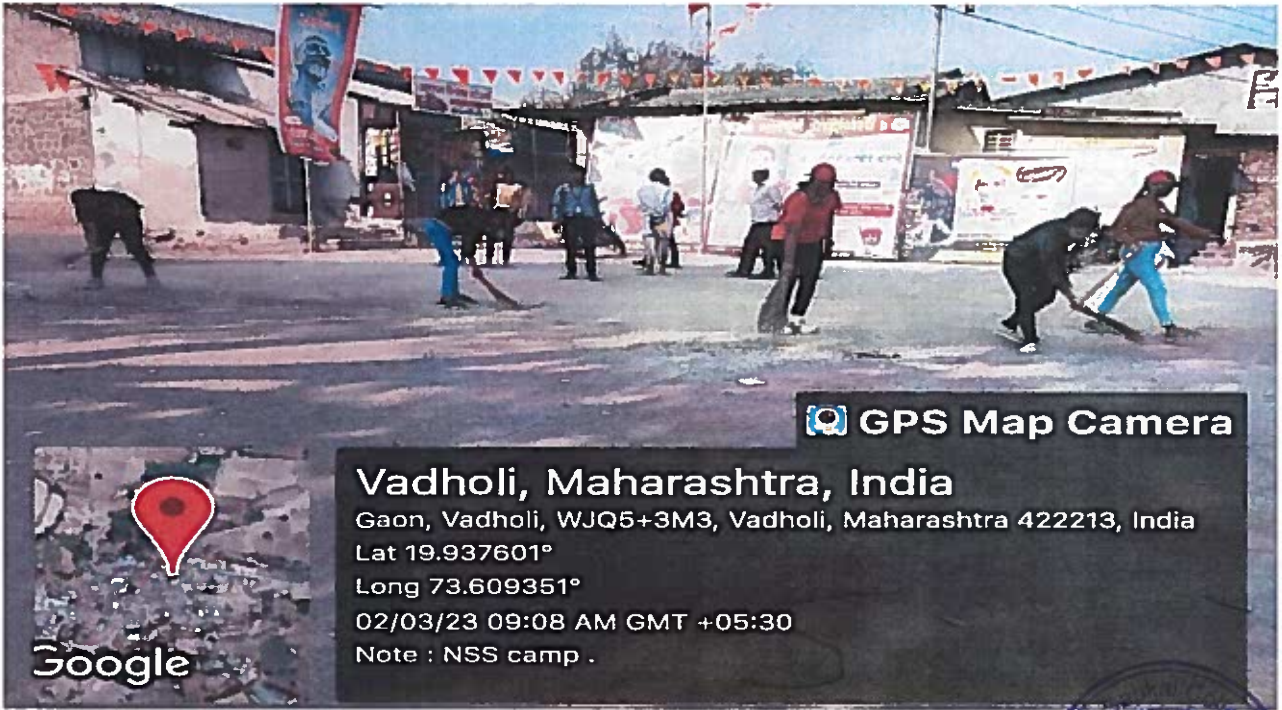

The NSS Unit expresses its appreciation to the dedicated NSS Volunteers and the villagers of Wadholi for their active participation in this meaningful activity. This endeavor reinforces the idea that small steps toward cleanliness can lead to significant improvements in the overall quality of life for a community.
