## PROGRAM REPORT

**Title of the Program:** *Swachh Wari- Nirmal Wari* Survey Program at Trimbakeshwar in association with Trimbakeshwar Nagar Parishad, Trimbakeshwar.

**Date(s):** From 18/01/2023 to 19/01/2023

**Duration:** 02 days

**Venue:** At Trimbakeshwar, Tal. Trimbakeshwar, Dist. Nashik

**Details of Participants:** 50

### **Introduction**

The National Service Scheme (NSS) Unit of KCT's Late G. N. Sapkal College of Engineering actively participated in the "Swachh Wari - Nirmal Wari Program," an initiative organized by Trimbak Nagar Parishad in Trimbakeshwar. This program was centered around surveying *Dindi* groups, which are groups of devotees traveling to Trimbakeshwar for the pilgrimage of Saint Nivruttinath Maharaj, with a focus on evaluating their cleanliness and waste management practices.

### **Activities Undertaken:**

Fifty dedicated NSS volunteers enthusiastically took part in this noble endeavor. The primary goal was to visit and assess more than 500 *Dindi* groups to ensure they maintained cleanliness and adhered to the Swachh Bharat Abhiyan guidelines. To facilitate this, the volunteers were given a checklist form to systematically evaluate each *Dindi* group's cleanliness and waste management practices.

### **The Evaluation Process:**

NSS volunteers, armed with their checklist forms, diligently visited each *Dindi* group during the program. They carefully observed and assessed the cleanliness of the areas, the disposal of waste, and the group's adherence to the Swachh Bharat Abhiyan guidelines. The completed checklist forms were then submitted to Trimbakeshwar Nagar Parishad for official evaluation.

### **Winners and Prizes:**

After the initial evaluations conducted by the NSS volunteers, a crucial verification process was carried out by the municipal council's verification team. This rigorous verification helped identify and confirm the *Dindi* groups that excelled in maintaining cleanliness and adhering to the Swachh Bharat Abhiyan guidelines. The deserving winners were recognized and rewarded with prizes for their dedication and efforts in promoting cleanliness.

### **Impact and Outcomes:**

The active participation of NSS volunteers in the Swachh Wari - Nirmal Wari Program had a significant impact on the cleanliness and waste management practices during the pilgrimage. This initiative not only highlighted the importance of cleanliness and environmental responsibility but also encouraged *Dindi* groups to adopt cleaner and more hygienic practices.

### **Conclusion:**

The NSS Unit of KCT's Late G. N. Sapkal College of Engineering played an instrumental role in the success of the *Swachh Wari - Nirmal Wari* Program. Their active involvement in evaluating and recognizing cleanliness and waste management practices among *Dindi* groups made a substantial difference in ensuring a cleaner and more responsible pilgrimage. This initiative showcased how community engagement and awareness can lead to positive changes and instill a sense of responsibility among participants. It contributed to the larger goals of cleanliness and adherence to the Swachh Bharat Abhiyan guidelines, making the pilgrimage a more environmentally conscious and hygienic event.
