Introduction:

The NSS Day program at KCT's Late G. N. Sapkal College of Engineering in Nashik was a momentous event that brought together students, faculty, and staff to commemorate the significance of the National Service Scheme (NSS). On 24 Sept. 2022, in an online setting, we celebrated the spirit of volunteerism, community engagement, and civic responsibility.

Program Overview:

The event comprised a series of engaging activities and informative sessions. Mr. Swapnil Sonawane, a respected figure from the Election department, graced the occasion as our esteemed guest speaker. His presence added depth to the program, enriching it with insights into voter rights and responsibilities.

Among the many memorable moments, Mr. Sonawane's presentation stood out. He passionately emphasized the importance of voter participation and educated attendees on how to register as new voters. His interactive approach allowed participants to ask questions and gain a deeper understanding of the electoral process.

During Mr. Sonawane's presentation, attendees learned about the various methods for voter registration, with a particular focus on online registration through dedicated applications and websites. Practical demonstrations were conducted to guide students step by step through the registration process, empowering them to exercise their democratic rights.

The program attracted a diverse audience, including students, faculty, and staff members. The virtual format allowed for broader participation, with more than 60 attendees actively engaging in the discussions and activities.

We were honoured to have Dr. S. B. Bagal, our college principal, and other staff members were present at the event. Their involvement demonstrated our institution's commitment to promoting civic engagement and community service. Dr. Bagal's words of encouragement and support inspired everyone present.

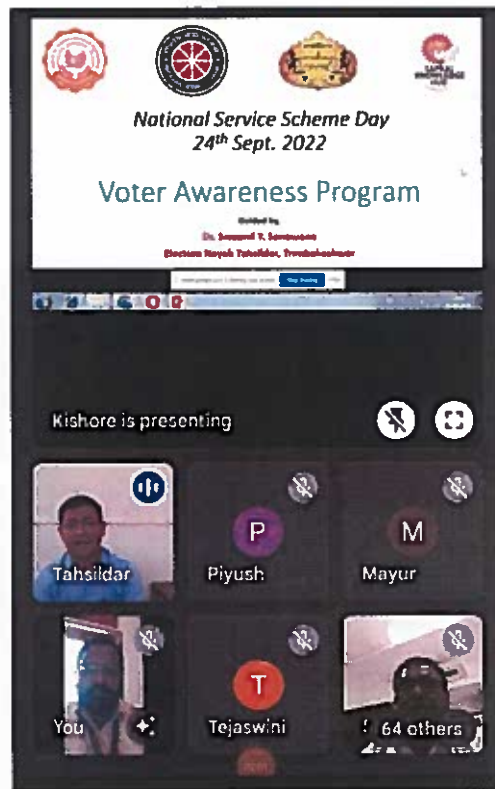

In response to the ongoing pandemic, the program was conducted online, using virtual platforms to connect participants seamlessly. This format not only ensured the safety of all involved but also allowed for a wider reach and accessibility.

Conclusion:

In conclusion, the NSS Day program at KCT's Late G. N. Sapkal College of Engineering was a resounding success. It achieved its goals of raising awareness about voter rights, responsibilities, and the importance of community service. This event served as a testament to our commitment to nurturing responsible citizens who actively participate in the democratic process.
