International Yoga Day 21st June 2022- 2023

The Kalyani Charitable Trust's Late. G. N. Sapkal College of Engineering in Nashik celebrated "International Yoga Day" on June 21, 2022. The students, teachers and non-teaching staff of the college as well as the volunteers of 'National Service Scheme' enthusiastically participated in this event. Miss. Sheetal Dalvi, a yoga expert, outlined the several Yogasan, their significance, and their health advantages. All of the members in attendance observed Miss. khushbu Gharte, alumni of computer department, as he performed the Yogasan. On the wonderful morning, all of the students and staff practised various yoga poses for approximately 1.5 hours.

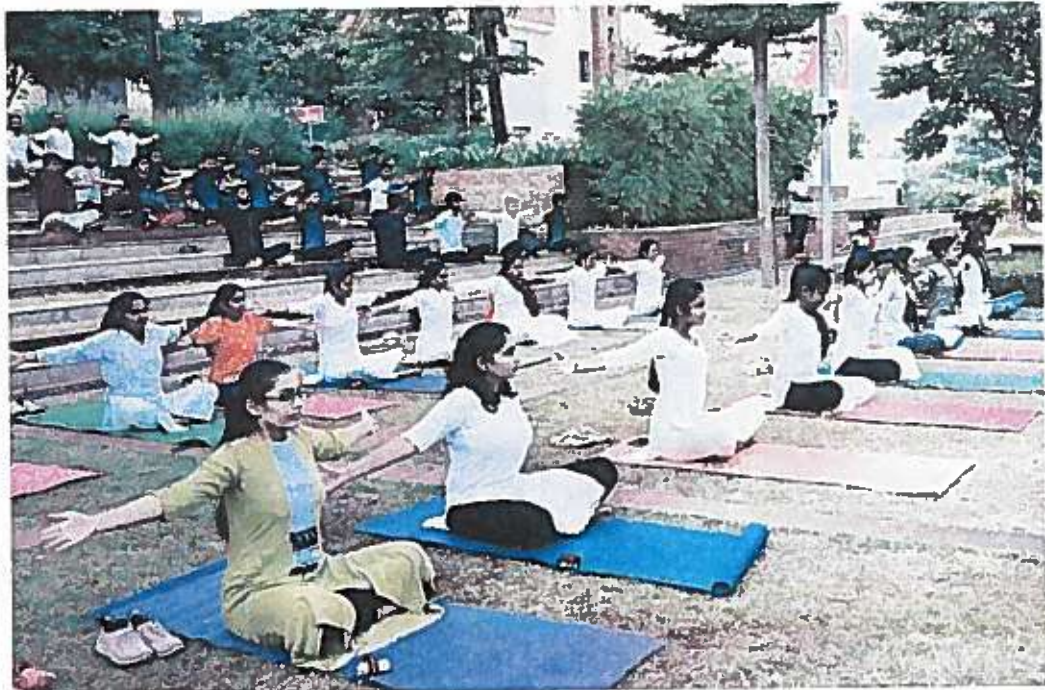

At the conclusion of the programme, Principal Dr. S. B. Bagal thanked Miss. Sheetal Dalvi and Miss. khushbu Gharte and expressed gratitude for their time and effort in conducting the event. He likewise offered the assurance that all of the students and staff will continue such a routine throughout the year. The director of physical education, Dr. Rajesh Kasar, offered a vote of gratitude to conclude the programme.

Description / Explanation of the Program:

Department of civil engineering organized the Tree Plantation and campus cleaning activity on the occasion of "World Earth Day" for all students in campus. Students actively participated in this activity. World Earth day is global event celebrated on 22nd of April. But Due to holiday our department plans Tree Plantation and campus cleaning activity for celebration of world earth day on 27/04/2023. The theme of World Earth Day 2023 is "Invest in Our Planet"; it will be a continuation of the successful 2022 campaign.

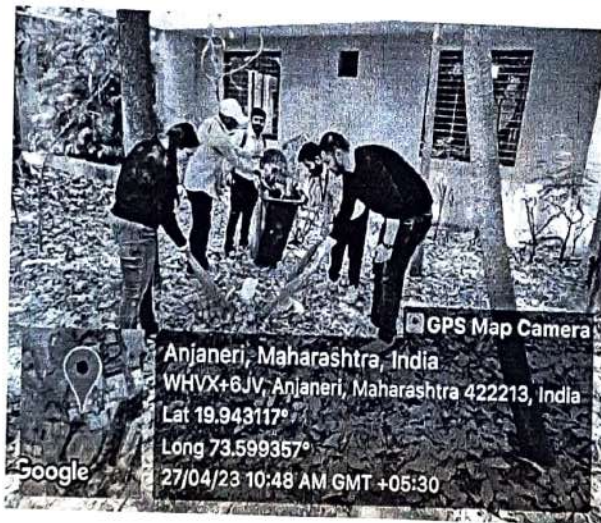

Prof. (Dr.) S. B. Bagal, Principal, LGNSCOE, Nashik, Prof. (Dr.) V. A. Kolhe, NAAC Co-ordinator & **Prof. (Dr.) C. K. Sridhar**, Head of Civil Engineering Department starts program with tree planation. All departments HOD's and students also plant the trees. After that students clean the campus. Principal sir addressed that everyone should take a pledge to keep the environment safe for better future and plant one tree in one year should take care of our environment all through the life. **Prof. (Dr.) D. P. Joshi, Prof. P. T. Kumawat** & other staff of civil department were present for this program.

Thus overall, the event was a great success.

Sub: - Proposal for Starting of Meditation Club

Through: - H.O.D (Mechanical Engineering)

Respected Sir,

I am, the undersigned, working as Assistant Professor in Mechanical Engineering. I have completed Vipassana Meditation courses (Total -4 Nos.) Addition to above I am also 'Certified Reiki Master' – Having the skills and knowledge to attune others in the Usui Reiki System of natural healing.(all testimonials are attached)

As above methods are used for basic Meditation, I wish to use it for the benefits for the well-being of our Students and Teaching and Non-teaching staff. For Initial stage if permission is granted, we will start with a **batch up to 50 Nos. of students**. The batch will be conducted on **Saturdays** with following tentative activity schedule.(Total 3Hrs.)

Sr. No.	Time	Activity
1	09:15 to 10:00 am	Introduction to Vipassana & Practice of Aana-pana
2	10:00 to 10:05 am	Break
3	10:05 to 10:50 am	Practice of Aana-pana
4	10:50 to 11:00 am	Break
5	11:00 to 12:00 Noon	Vipassana Practice

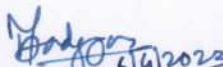

Requirements for Course:-

1. Venue – Seminar Hall (Mechanical Engg. Building)
2. Seating arrangement – Padmasana (on Sataranji / Yoga mats)

Benefits of Meditation Club:-

1. Meditation will be most helpful to increase concentration to our students in their studies.
2. Meditation club will also add on activity in Academic curricular activities
3. Meditation will also helpful to achieve some of our Program Outcomes (POs) like – Ethics, Engineer and society, Lifelong learning etc.
4. NAAC criteria 7- Institutional Values and Social Responsibilities – Can be addressed by meditation club.

NOTICE

All the staff members and students are here by informed that we are starting the **“Meditation Club”** in association with Mechanical Engineering Students Association (MESA) for the wellbeing of you all.

Meditation is the need of time, which can help you out to sustain and be competitive. Meditation has proved to be helpful in academic studies by increasing concentration levels and patience in adverse conditions.

Meditation camp will be conducted by well Trained, experienced and expert person from the field. So be the part of convention.

The batches for Students and Faculties will be conducted separately on **Saturdays**. The meditation program is designed of **3 Hrs.** (from 09:00 am to 12:00 Noon) with suitable breaks.

Membership applications are invited from all the interested Students and faculties with the attached Application Form. Please submit the hard copy of completely filled application form to Prof. F. U. Pathan (Dept. of Mechanical Engineering).

PROGRAM REPORT

Title of the Program: "Vipassana Meditation Practice Camp"

Date: - 6th May 2023

Duration: 09:30am to 12:30pm

Venue: Seminar Hall, Mechanical Engineering Dept. Building,
Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: 15

Program Objectives:

The primary objectives of the Meditation Camp were as follows:

- Introduce participants to the benefits of meditation and mindfulness.
- Teach participants various meditation techniques for relaxation and stress reduction.
- Enhance mental focus, concentration, and overall well-being.
- Foster a sense of community and connection among the participants.

Summary of the Program:

The Vipassana Meditation Practice Camp, organized by Dept. Of Mechanical Engineering, Late G. N. Sapkal College of Engineering, Nashik, took place on Saturday, May 6th, 2023, from 09:30 to 12:00. This event aimed to introduce students, faculty, and staff to the ancient art of Vipassana meditation, promoting physical and mental well-being and inner peace.

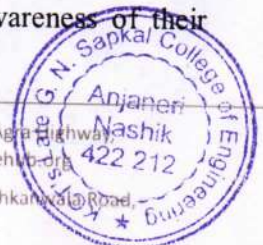

Session Overview:- The meditation camp commenced promptly at 09:30 AM with a warm welcome by the organizing committee. The event started with a brief introduction to Vipassana meditation, its origins, and its benefits for personal growth and emotional well-being. The session was led by an experienced Vipassana meditation instructor who guided the participants through the practice.

Activities and Highlights:

1. **Guided Meditation:-** Participants were led through a series of guided meditation exercises, focusing on mindfulness, body scanning, and breathing techniques. These exercises were aimed at helping individuals develop a heightened awareness of their thoughts and sensations.

Title of the Program: Bird feeder making competition on occasion of world earth day

Number of Day : 1 day

Date of Conduction : 22/04/2022

Venue: Engineering Canopy Near Late Gambhirao Natuba Sapkal Statue

Number of Participants: 19

Male: 12

Female: 07

Program Objectives:

1. Construct birdfeeders with awareness of bird behaviors.
2. Create a hypothesis on bird behavior and test it systematically.
3. Design a birdfeeder to test a specific hypothesis.

Description / Explanation of the Program:

Department of civil engineering organized the bird feeder making competition on the occasion of world earth day for all students in campus. Students actively participated in this competition. The criteria for judgment were based on the innovation, usability and the use of eco- friendly materials. Bird feeder made by effective use of the resources available and also avoiding any misuse or wastage of resources. The exhibition of bird feeder display is arranged and hangs it on trees in campus. We also focused on awareness to save earth and environment by contributing in nature by giving seed balls.

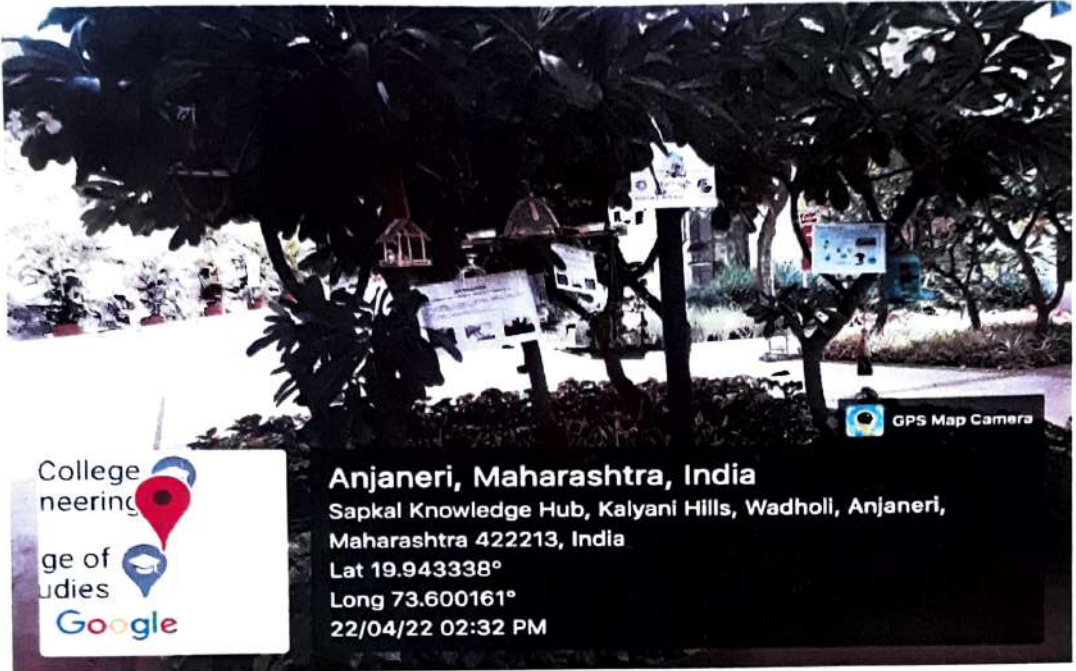

Outcome of the Event:

1. To know the ways to raise awareness about earth and environment issues.
2. To learn new innovative ideas of using eco- friendly materials.
3. To know about making seed balls.
4. To know about construction & design of bird feeder.

PROGRAM REPORT

Title of the Program: Celebration of international Yoga Day-2018

Objective of the Program: The 21st June is declared as International Yoga Day in the United Nations General Assembly, With reference to that to create awareness about the yoga our college is celebrated every year in the campus of Late G. N. Sapkal College of engineering.

1. To make people get used of meditation through yoga.
2. To draw attention of people worldwide towards the holistic benefits of yoga.
3. To reduce the rate of health challenging diseases all over the world.
4. To link between protection of health and sustainable health development.
5. To get win over all the health challenges through regular yoga practice.
6. To promote better mental and physical health of people through yoga practice.
7. International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.

Nature of the Program: Workshop

Resource Person details:

Mr. Abhisek Kale (8600740708), Mr. Ketan Sonawane (9271936100) member of Art of Leveling Nashik, Prof. Kishor W. Kale (7350147373) NSS coordinator LGNSCoE, Mr. Rajesh K. Kasar College sports director, Dr. S. B. Bagal, Principal LGNSCoE, Dr. R. B. Saudagar Principal RGSCOP all staff member & students etc.

Content Description / Summary:

Yoga is an ancient art which was originated in India around five thousand years ago. Yoga is a good practice if one does in daily life. It helps to live healthy life style and better life forever. Yoga is a practice to bring body parts together to make a balance of body, mind and soul. We should let our kids know about the benefits of Yoga as well as practice Yoga in daily routine.

On the occasion of International Yoga Day, the NSS unit of late G. N. Sapkal College of Engineering has organized the Yoga practice and performance session to create awareness about the yoga.

The workshop session was conducted at amphitheater SKH campus premises on 21st June 2018, in the presence of 50 girls' students 30 boys student & 40 staff members. Different asanas/poses perform in Yoga day like

1. Tadasana (Mountain Pose)
2. Vrikshasana (Tree Pose)
3. Adho Mukho Svanasana (Downward Facing Dog Pose)
4. Trikonasana (Triangle Pose)
5. Kursiasana (Chair Pose)
6. Naukasana (Boat Pose)
7. Bhujangasana (Cobra Pose)
8. Paschimottanasana.

Remark about outcome of program:

The yoga and exercise seem to indicate that, in both healthy and diseased populations, yoga may be as effective as or better than exercise at improving a variety of health-related outcome measures. Future clinical trials are needed to examine the distinctions between exercise and yoga, particularly how the two modalities may differ in their effects on the SNS/HPA axis.

Yoga should be considered as a complementary therapy or alternative method for medical therapy in the treatment of stress, anxiety, depression, and other mood disorders as it has been shown to create a greater sense of well-being, increase feelings of relaxation, improve self-confidence and body image, improve efficiency, better interpersonal relationships, increase attentiveness, lower irritability, and encourage an optimistic outlook on life. All the speakers

shared their views & had given the valuable guidance to the students about different aspects of human organs, its important.

PROGRAM REPORT

Title of the Program: "Organic Sanitary Napkin for Menstrual Hygiene"

Objective of the Program:

1. Reduce the girl child school dropout due to lack of sanitary towels
2. Educate teenage girls on puberty, hygiene menstruation and how to physically and psychologically handle such periods.
3. Sustain marginalized girls with annual packs of sanitary pads and underwear's to ensure periods do not get in their way of achieving an education.
4. Eliminate through informing, the myths, taboos and misinformation that people in such communities have about girls during their menstrual period.
5. To increase awareness among adolescent girls on menstrual hygiene, build Self-esteem, and empower girls for greater socialization
6. To increase access to and use of high quality sanitary napkins by adolescent girls in rural areas.
7. To ensure safe disposal of sanitary napkins in an environment friendly manner.

Nature of the Program: Seminar

Resource Person details:

Mr. Swapnil Nandkumar Neeta (8381021555), Setup india, Dr. Sahebrao B. Bagal, Dr. Sachin S. Harak, Prof. Tushar Y. Badgujar, & staff members.

Content Description / Summary:

The Seminar session was organized at Engineering Seminar hall on 26th June 2018, in the presence of students & staff members.

A woman enters the store, picks up a pack or mumbles the name of the brand she wants under her breath to the storekeeper, who proceeds to wrap the product in an old newspaper and hands it to her in a black plastic bag. She pays in awkward silence before hurriedly exiting the shop.

That's typically how a woman buys a pack of sanitary napkins in India, where the topic of menstrual hygiene is usually not discussed in genteel company, let alone in public. So how does one begin to ask questions about what goes into the making of a product that people are hesitant to even mention aloud?

Further, since sanitary napkins are classified as "medical products", companies are not required by law to disclose what goes into their making on product packs.

There is no research to attest that sanitary napkins sold in India are safe. But the use of some chemicals in the feminine hygiene products raises questions over how safe they really are.

"It is a sanitary napkin. Its purpose is not just to absorb. Hygiene parameters of the product, of how safe they are, should be disclosed on the packets. Unfortunately, people choose sanitary napkins based on the cost, design and packaging," said Bhawana Chanana, associate professor in the department of fabric and apparel science at Lady Irwin College, Delhi University.

"But the main consideration really should be hygiene— what's the pH range, for instance. But women don't ask simply because they are embarrassed and this has worked to the advantage of the manufacturers and sellers," added Chanana, who said she has come across instances where products rejected in the US or Germany have been recycled in India.

Remark about outcome of program:

A documentary on the life of Padmashree Arunachalam Muruganantham (**Padman**) (born 1962) is a social entrepreneur from Coimbatore in Tamil Nadu, **India** is shown to the students of Institute.

The Seminar was conducted very enthusiastically in the presence of students & teachers. The speaker shared their views & had given the valuable guidance to the students about different aspects related to the use of Organic Sanitary Napkin for Menstrual Hygiene.
