PROGRAM REPORT

Title of the Program: "GATE Awareness and Future Jobs"

Number of Day : 1 day

Date of Conduction : 27th April 2023

Venue: E&TC department

Number of Participants: 45

Program Objectives:

1. To aware the students about GATE Examination and its applications.
2. To motivate the students to appear for GATE Examination and its importance in Private sector & PSU (Public Sector Undertaking), Higher Studies, Fellowship etc.

Name & Contact Details of the Resource Person :

1. Mr. Vishal Patil

Mobile:8888559922

Description / Explanation of the Program:

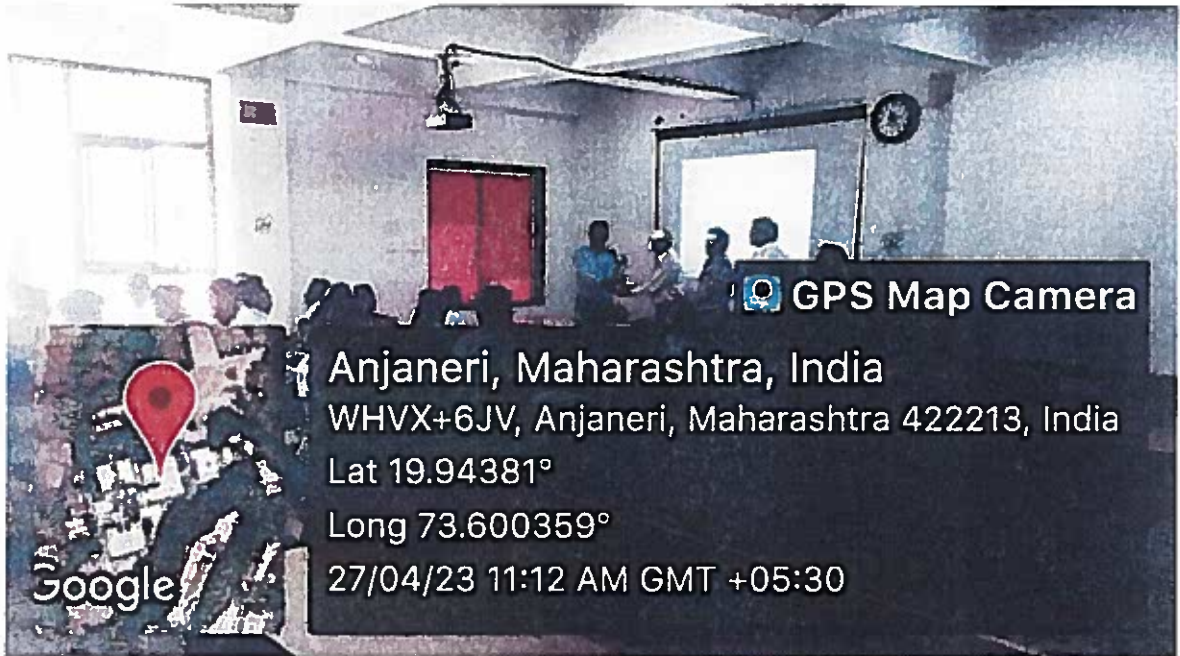

Department of E&TC engineering organized the one day seminar on "GATE Awareness and Future Jobs", for all Students. It was a 2 Hour lecture which included what GATE Exam is and how to prepare for GATE. The structure of GATE Paper with its marking Scheme is discussed. Benefits of GATE and Job opportunities in Various sectors including higher studies at abroad are discussed. Staff and students actively participated in this program.

Outcome of the Event:

Students understood the importance of GATE qualification as it is a minimum requirement to apply for various fellowships awarded by many Government organizations like DRDO, BARC, ISRO also PSU recruitment examinations like CIL, AP Genco, AP Transco, NTPC, BSNL etc. Students can also appear for MS program at Singapore, New Zealand & Germany.

Respected Madam.

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell, Nashik, conducted Seminar on "Research Methodology".

On behalf of our institute we take this opportunity to express our appreciation to you for the Expert Talk under the subject of "Research Methodology". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You.

With warm regards.

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell, Nashik, conducted 30 hours Certificate course on "Career Opportunities in industrial Automation".

On behalf of our institute we take this opportunity to express our appreciation to you for the 30 hour Certificate course on "Career Opportunities in industrial Automation". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

- Industrial Automation using SCADA

- Industrial Automation using PLC
- Jobs in Industrial Automation
- Benefits of Industrial Automation
- Recent & Emerging application

Summary of Program:

Guest Lecture was organized by Department of Electrical Engineering on 18th May, 2023 at 11:15 a.m. Prof. Swati D. Badgujar introduced the speaker Mr. Aniket Jagtap, Marketing Head & Automation Engineer Prolific Systems & Technologies Pvt. Ltd. Mumbai has been working in Electrical Engineering field for the last Eleven years and have trained 10 batches in automation.

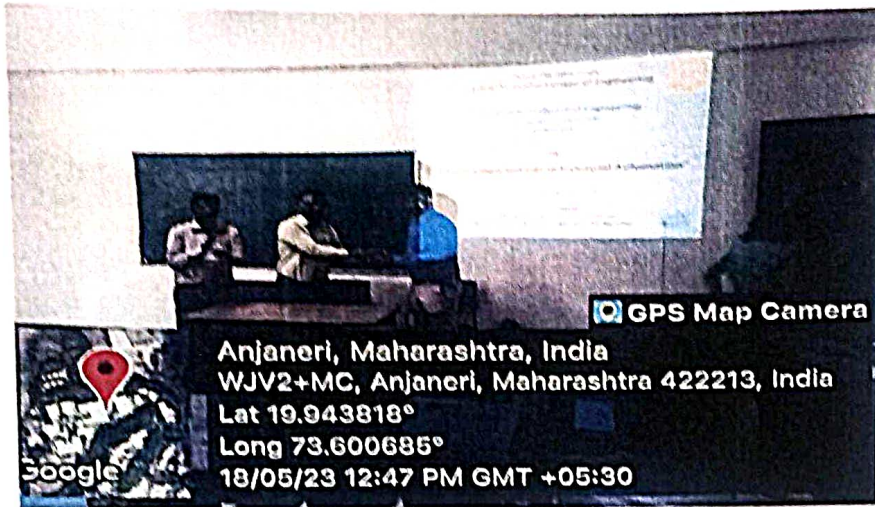

The guest speaker gave an extensive speech on opportunities for electrical engineering fresher's students in automation. The speech was centred on "Gap between Industry & Academics". Apart from curriculum, specialised training is must to secure challenging position in competitive arena. Industries look towards skilled engineers immediate joining on field work not an engineer with lack of technical skills which needs to be trained.

Sir explained for becoming an entrepreneur we have to be well experience & knowledge in specific technical field. Once the system requirements is understood, then it is easy to become an entrepreneur. Sir shared his experience in automation.

Jobs as per candidate's basic engineering branch (Electrical, Electronics & Tele- communication & Mechanical) Placement support to candidate throughout his / her career. Support to candidates if they face any technical problem in their daily work.

The session was concluded with a question answer session at 1:20 p.m. Faculty members also co-ordinated to conduct the guest lecture successfully. There were around 41 Second year, Third year & final year students as participants.

One Day Seminar on <i>Importance of Internship</i>	
Resource Person: Mr. Rajesh Gangurde Business Developer Cognifront Nashik	Date & Time: 25-04-2023 02:00 PM to 04:00 PM
Academic Year: 2022-23	Sem: II
Targeted Audience: All Students	Duration: 02 hours
Organizing Body: ASSET	Venue: E&TC Department CR.No 2..
Objectives of Seminar: The main objectives of the seminar were : <ol style="list-style-type: none">1. Provide training and experiential learning opportunities for the development of skills in counseling, assessment, crisis intervention, consultation, outreach, and provision of supervision.2. Provide an open and supportive environment conducive to the development of multicultural competence and sensitivity to individual differences and to provide experiential learning opportunities to integrate developing knowledge base into work with diverse populations.3. Provide a professional working environment that encourages and gives space to professional identity development and the development of professional competence.	
Briefs of Workshop: The started started with the welcome and introduction of resource person followed by felicitation of resource persons by Principal Sir Prof (Dr).S.B.Bagal and H.O.D Prof S.B.Borse. During this seminar students acquired the knowledge of following things- Although it is a known fact that an internship is the best way to make your career, students sometimes feel it isn't worth the effort or just not important enough. These thoughts may come across as common with students and they may not realize the importance of internships instantly. But in today's competitive world, there is nothing more important than an internship or a practicum. Once they get hands-on experience as part of their curriculum, they feel enriched and ready to enter the real-work scenario with practical skills. The Programmed ended with formal vote of thanks by Prof S.G.Bagul, followed by national anthem
