

LETTER OF AGREEMENT

between

Department of Electrical Engineering
KCT's Late G N Sapkal College of Engineering
Anjaneri, Trimbakeshwar Road,
Nashik - 422401

and

TAACT Automation,
B-61, NICE area ,MIDC, Satpur Colony
Nashik -422007

OBJECTIVES OF THE LINKAGE

The intent of this institute-industry linkage is to bring the industry and academia closer for following purposes:

- Integration of industrial visits for enhancing learning outcomes.
- Initiation of Industrial trainings for experiential learnings.
- To expose the students to the realistic expectations and experiences relevant to the kinds of challenges and responsibilities they will encounter in their prospective career.
- To develop a symbiotic relationship with one another for sharing available infrastructures and facilities.
- To forecast the technical manpower required for the industry and have deliberations regarding preparedness of skilled manpower in the institute as industrial workforce.
- To train and update knowledge of stakeholders from either side through exchange programs.
- To undertake joint Research and Development activities.

ACTIVITIES TO BE CONDUCTED

The **Department of Electrical Engineering & The TAACT Automation**, hereby agree to cooperate through joint activities like Internship / Field Trip / On the Job Training / Research Projects / Student Exchange / Faculty Exchange for the benefit of students, faculty and industry.

DURATION

Both the parties will organize above activities from 06/07/2016 to 06/07/2019.

Prof. Dr. V. J. Gond
Principal,
Late G. N. Sapkal College of Engineering

Ms. Lalita Rayane

26 OCT 2017

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 25th November, 2017.

Between

**KALYANI CHARITABLE TRUST'S, LATE GAMBHIRRAO
NATUBA SAPKAL COLLEGE OF ENGINEERING, (LENSCOE)
ANJANERI, TRIMBAKESHWAR ROAD, NASHIK.**

&

**LOKNETE GOPINATHJI MUNDE INSTITUTE OF ENGINEERING
EDUCATION AND RESEARCH, CANDA CORNER
,NASHIK(LOGMIEER)**

Terms and Conditions:

1. Duration

This MoU shall be valid for Five (5) years from 25th NOV 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where LoGMIEER to provide

1. Available software's for faculties and students.
2. Institute would be providing facilities related training at the LoGMIEER to the students, Faculty of the LGNSCOE, in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, field visits to the labs for faculties and students, and any research and development activity related to the above.

3. Late Gambhirrao Natuba Sapkal College of Engineering Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for conducting the training at the LGNSCOE campus and or at the LoGMIEER premises.
- LGNSCOE shall provide College/students with the study material as agreed between the parties and the LoGMIEER shall use these as per LGNSCOE guidelines and policies.
- LGNSCOE shall provide certificates/completion letter to all students who have successfully completed the training, projects conducted at LGNSCOE or at the LoGMIEER premises.
-

4. Loknete Gopinathji Munde Institute Of Engineering Education And Research Standards of Performance:

LoGMIEER shall expend reasonable efforts as follows:

- LoGMIEER shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
- LoGMIEER shall share the data base of the students with LGNSCOE for the adequate promotion of the training and or recruitments.
- LoGMIEER shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the LGNSCOE premises or LoGMIEER premises.
- LoGMIEER and LGNSCOE shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of both the Principal's between LGNSCOE and LoGMIEER. LGNSCOE and LoGMIEER are not authorized to make any representation, contract, or commitment on behalf of LoGMIEER / LGNSCOE without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- LGNSCOE & LoGMIEER will design programs on mutual understanding and decide fees if any to be charged to the students.

The training, Lab visit shall be conducted at the LGNSCOE facility in a time bound manner as per availability and schedule of both parties.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MoU, whether in printed or electronic form, belongs to other party.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

- Both parties have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies.
- Each party shall be at liberty to terminate this MoU with a written notice period of one (1) month to the other party without any compensation.
- Any and all disputes or differences between LGNSCOE and NAME OF COLLEGE arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs.

- **Copyrights and Ownerships:**

- All the course material/ courseware/ books and such other training material provided by LGNSCOE and allowed for distribution are its sole property (hereinafter referred as "Training Material").
- LoGMIEER and/ or its faculty's, students etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with LGNSCOE.
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties here to have signed the Agreement and set their seals as below:-

SIPHC ATO

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 02 January 2018.

Between

Kalyani Charitable Trust'S, Late Gambhirrao Natuba Sapkal College of Engineering,
(LGNSCOE) Anjaneri, Trimbakeshwar Road, Nashik.

and

Government Industrial Training Institute (Adivasi), at Trimbakeshwar, situated at Nashik,
Maharashtra.

(LGNSCOE and Govt. ITI are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MoU shall be valid for Five (05) years from 02 January 2018 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where Govt. ITI to provide

- Industrial visit for faculties and students.
- Industrial training/workshop for students and staff.
- Experts for Guest lecturers as per the expertise available in industry.
- Sponsorship for industrial project and mentoring for interviews of Final year students.
- Assistance for developing project ideas for students of LGNSCOE.
- Technical guidance for lab developments in LGNSCOE, Nasik.
- Platform for planning and utilizing resources like staff and infrastructure for joint R&D work.
- Sponsoring the events activities being conducted at LGNSCOE, Nasik.
- Training on special topics supported by donating outdated machinery, equipment, cut-sections, charts etc.

3. Late Gambhirrao Natuba Sapkal College of Engineering and Industry Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for the conduct of training at the LGNSCOE campus and or at the Industry premises.
- LGNSCOE shall provide certificates/completion letter to all students who have successfully completed the training, projects conducted at LGNSCOE or at the Industry premises.

4. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there

shall be no obligation on any party to compensate the other in any manner or to make any claim.

- Each party shall respect the other's intellectual property.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of both Principal of LGNSCOE and Govt. ITI. LGNSCOE and ITI are not authorized to make any representation, contract, or commitment on behalf of Govt. ITI / LGNSCOE without the prior written consent of other party.

5. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

6. Commercials:

- LGNSCOE & Govt. ITI will design programs on mutual understanding and decide fees if any to be charged to the students.
- The training, Lab visit shall be conducted at the LGNSCOE or Govt. ITI facility in a time bound manner as per availability and schedule of both parties.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MoU, whether in printed or electronic form, belongs to other party.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- Each party shall be at liberty to terminate this MoU with a written notice period of one (1) month to the other party without any compensation.
- Any and all disputes or differences between LGNSCOE and Industry arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

9. Indemnification :

- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs.
- In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

1. OBJECTIVES OF THE MOU

- a. The objective of this Memorandum of Understanding is to promote interaction between Cognifront Academy and Sapkal Knowledge Hub in mutually beneficial areas.
- b. MOU is for the purpose of enriching and enhancing technical education in advanced subject areas and teaching-learning process being imparted to UG and PG Engineering students (in particular IT Department) so as to meet the industry needs and to be recognized globally.

2. PROPOSED MODES OF COLLABORATION

Cognifront Academy and Sapkal Knowledge Hub propose to collaborate through,

a. Training Activities

- Cognifront Academy will deliver technical lectures/seminars to the faculty and UG and PG students on relevant technologies and processes with an objective to create awareness and interest.
- Industrial Training will be provided to the faculty and UG and PG students of Sapkal Knowledge Hub by Cognifront Academy.
- Workshops on recent trends will be organized by Cognifront Academy at college campus.
- Cognifront Academy will arrange to provide periodic visits to faculty and students of Sapkal Knowledge Hub to get practical exposure.

b. Sponsored Projects

- Cognifront Academy will sponsor projects for college students at industrial premises.
- Interview process is applicable for sponsor projects.
- Students are free to apply their own ideas of projects, from which the ideas will be selected.
- Cognifront Academy will provide sponsorship letter, guidance and access to facilities available with them and their associated companies for the successful completion of these selected projects.

c. Industrial visits

- Industrial visits to Cognifront Academy and to the companies associated with it will be organized as per college request and company schedule.

d. Internship in Cognifront Academy

Cognifront Academy will offer internship to the students of Sapkal Knowledge Hub so that students will get hands on live projects.

- Students will undergo,
 - a. Written test
 - b. Interview (Technical Interview and Personal Interview)
- There will be 6 months internship on weekend days for B.E. Students.

e. Any other appropriate mode of interaction agreed upon between Sapkal Knowledge Hub and Cognifront Academy.

f. To provide an opportunity to most eligible students for professional work experience through employment.

3. AGREEMENTS

Both the parties will make maximum use of each other's expertise and strive for promotion of R&D activities leading to publications, patents and products. Major research collaborations undertaken by the parties shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the research collaboration.
- b. The form of the research collaboration.
- c. The estimated cost of the research collaboration along with the amount of funding.
- d. Application of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) to the results from the research collaboration or which belongs to a party and is used in research collaboration.

4. OBLIGATION :

1. There shall be no obligation on any party to compensate the other in any manner or to make any claim.
2. Each party shall meet the expenses as mutually agreed.
3. Each party shall respect the other party's intellectual property (I.P.)
4. Both parties shall maintain confidentiality about any information and will not disclose outside anything without other party's prior written permission.

5. LIMITATION :

1. Each party represents that they have full power and authority to enter into this MOU.
2. Each party shall ensure to work together with maturity.

6. CONFIDENTIALITY

1. The MOU shall not be compulsory to continue if the partner gets change.
2. This MOU will take effect from the date it is signed by the representative of both the parties. It will remain valid for one year and may be continued thereafter after suitable review and agreement. Either party may terminate this MOU upon 60 days prior written notice to the other party. Once terminated neither party will be responsible for any type of losses. Both parties will ensure that all activities are completed successfully.
3. Both party agrees to consider all information confidential and cannot be disclosed by the either party.

7. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a major research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

8. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire in one year after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

9. CONDITION

1. Both parties will designate a representative who will be the primary point of contact.
2. Unless and until the parties agree there shall be no public announcement. Agreement has to be in the form of written approval.
3. Any dispute under this MOU will be settled at Pune through arbitration if necessary.
4. This MOU is valid for 2 years.

10. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

This MOU is signed by each other's authorized officers to be executed effective as on the day mentioned in the beginning of MOU.

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

**Computer Department,
Late G N Sapkal College of Engineering,
Nashik**

And

**TechnoKraft Training and Solutions Pvt
Ltd**

FOR

**IT INDUSTRIAL WORKS SKILL DEVELOPMENT,
OUTCOME BASED TRAININGS, PLACEMENT,
AND RELATED SERVICES**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (here in after called as the 'MOU') is entered into on this the 13th Day of October Two Thousand and Twenty Two by and between

Computer Department, Late G N Sapkal College of Engineering, Nashik Maharashtra, India, represented herein by its HOD of Computer Department, Prof. Dr Nilesh Wankhade.

AND

TechnoKraft Training and Solutions Pvt Ltd. represented herein by its Representative, Siddhant Dadel.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Computer Department, Sapkal Knowledge Hub Nashik, Maharashtra, India.
2. Organize various workshops on IT Industrial working
3. Conduct practical trainings on IT Industrial working
4. Generate self-employment & career opportunities
5. Assist the students in establishing various start-ups
6. Arrange the placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and Community College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships / jobs.

Clause 3

VALIDITY

- 3.1 The validity of the agreement is Two year from the date of agreement.
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any dispute will be settled in the Nashik Court only where the Sapkal Knowledge Hub is situated.

AGREED:

MEMORANDUM OF UNDERSTANDING BETWEEN

**Department of Electrical Engineering
Kalyani Charitable Trust's
Late G N Sapkal College of Engineering
Anjaneri, Nasik -422213 (MS), India.
&
M/s Setu Electricals
Gate no 293, A/P Dhakambe
Dindori Road, Nasik**

This Memorandum of Understanding (MoU) is entered into as on 20.04.2022, by and between the Late G N Sapkal College of Engineering Nashik (MS), India and M/S Setu Electricals, Gate No 293, A/P Dhakambe, Dindori Road, Nasik.

The Late G N Sapkal College of Engineering is established in the year 2009 under aegis of Kalyani Charitable Trust's, Mumbai with approval of AICTE and DTE, Government of Maharashtra. The Institute is affiliated to Savitribai Phule. The Late G N Sapkal College of Engineering is committed to serve common masses by disseminating engineering education.

M/s Setu Electricals is a service provider firm for maintenance of All types of transformers. Where rewinding as well as routine maintenance for transformer is carried out.

The partners have entered into this MoU because they:

- ✓ RECOGNIZE the mutual interest in the field of industrial training, development and dissemination of knowledge.
- ✓ RECOGNIZE the importance of Industry Institute interaction activity for engineering students.
- ✓ RECOGNIZE the importance of the Industry Partner within its field of expertise.
- ✓ To provide an opportunity to most eligible students for professional work experience through employment, if possible.

This MoU will enable the parties to:

- FOSTER technical education at undergraduate and post graduate level to make the students, industry ready.
- ✓ STRENGTHEN the theoretical knowledge in industrial practices. An exposure to industrial environment brings about attitudinal change in the students by inculcating managerial principles which cannot be effectively imparted through classroom or laboratory inputs.

LETTER OF AGREEMENT

between

Department of Electrical Engineering
KCT's Late G N Sapkal College of Engineering
Anjaneri, Trimbakeshwar Road,
Nashik – 422401

and

Nashik Transformer Industries,
F-43, MIDC Satpur
Dist- Nashik

OBJECTIVES OF THE LINKAGE

The intent of this institute-industry linkage is to bring the industry and academia closer for following purposes:

- Integration of industrial visits for enhancing learning outcomes.
- Initiation of Industrial trainings for experiential learnings.
- To expose the students to the realistic expectations and experiences relevant to the kinds of challenges and responsibilities they will encounter in their prospective career.
- To develop a symbiotic relationship with one another for sharing available infrastructures and facilities.
- To forecast the technical manpower required for the industry and have deliberations regarding preparedness of skilled manpower in the institute as industrial workforce.
- To train and update knowledge of stakeholders from either side through exchange programs.
- To undertake joint Research and Development activities.

ACTIVITIES TO BE CONDUCTED

The **Department of Electrical Engineering & Nashik Transformer Industries** hereby agree to cooperate through joint activities like Internship / Field Trip / On the Job Training / Research Projects / Student Exchange / Faculty Exchange for the benefit of students, faculty and industry.

DURATION

Both the parties will organize above activities from 06/01/2020 to 05/01/2022

Prof. Dr. S. B. Bagal

- ✓ STRENGTHEN the theoretical knowledge in industrial practices. An exposure to industrial environment brings about attitudinal change in the students by inculcating managerial principles which cannot be effectively imparted through classroom or laboratory inputs.
- ✓ PROVIDE In-plant training to Late G N Sapkal College of Engineering students.
- ✓ PROVIDE Industry related project to Late G N Sapkal College of Engineering students and an opportunity to learn recent industry practices.
- ✓ ALLOW the Late G N Sapkal College of Engineering Students for industrial visits to enhance the subject related knowledge.
- ✓ EXPLORE any opportunity of campus placement for Late G N Sapkal College of Engineering students.
- ✓ This MOU is signed only in the interest of helping & guiding the Late G N Sapkal College of Engineering students in various development activities & Nasik Transformer Industries will not responsible for any other act of the student of whatsoever kind.
- ✓ To provide an opportunity to most eligible students for professional work experience through employment, if possible.
- ✓ This MOU is valid for 5 Years.

The parties hereby agree to establish collaboration according to terms and conditions set out by **Late G N Sapkal College of Engineering and Prolific Systems Technologies Pvt. Ltd, Nasik.**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is made on 30 September, 2021.

Between

Kalyani Charitable Trust's, Late Gambhirrao Natuba Sapkal College of Engineering,
(LGNSCOE) Anjaneri, Trimbakeshwar Road, Nashik.

and

Apras Polymers & Engineering Co. Pvt. Ltd., M-90, MIDC, Ambad, Nashik
At Ambad MIDC. Ambad, situated at Nashik, Maharashtra.

(LGNSCOE and Apras are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MoU shall be valid for Five (5) years from 30th September, 2021 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where Apras Polymers & Engineering Co. Pvt. Ltd to provide

- Industrial visit for faculties and students.
- Industrial training/workshop for students and staff
- Experts for Guest lecturers as per the expertise available in industry.
- Sponsorship for industrial project and mentoring for interviews of Final year students.
- To provide an opportunity to most eligible students for professional work experience through employment, if possible
- Assistance for developing project ideas for students of LGNSCOE.
- Technical guidance for lab developments in LGNSCOE, Nasik
- Platform for planning and utilizing resources like staff and infrastructure for joint R&D work.
- Sponsoring the events activities being conducted at LGNSCOE, Nasik.
- Training on special topics supported by donating outdated machinery, equipment, cut-sections, charts etc.

3. Late Gambhirrao Natuba Sapkal College of Engineering and Industry Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for the conduct of training at the LGNSCOE campus and or at the Industry premises.
- LGNSCOE shall provide certificates/completion letter to all students who have successfully completed the training, projects conducted at LGNSCOE or at the Industry premises.

4. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of both Principal of LGNSCOE and Management of Industry. LGNSCOE and Industry are not authorized to make any representation contract or commitment on behalf of Industry. LGNSCOE without the prior written consent of other party

Duration and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MOU.
- Each party represents that they have full power and authority to enter into this MoU in general.

Commercials:

- LGNSCOE & Industry will design programs on mutual understanding and decide fees if any to be charged to the students.
- The training. Lab visit shall be conducted at the LGNSCOE or Industry facility in a time bound manner as per availability and schedule of both parties

General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MoU, whether in printed or electronic form, belongs to other party.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

- Each party shall be at liberty to terminate this MoU with a written notice period of one (1) month to the other party without any compensation.
- Any and all disputes or differences between LGNSCOE and Industry arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

8. Indemnification:

- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs
- In witness whereof, both parties put their hard seal on the day, month and year herein mentioned

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

MEMORANDUM OF UNDERSTANDING

Between

**Kalyani Charitable Trust's Sapkal Knowledge Hub, Late G. N. Sapkal College of Engineering, Nashik,
Department of Computer Engineering**

And

**Emerging Technologies Software & Automation solution, Flat-5 , Ashtvinayak Park C, near Croma
showroom, backside of Maharashtra bank college road, thattenagar Nashik.**

**THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MOU") is made and entered
into by and between the Institution (hereinafter referred to as "College") and Emerging Technologies
Software & Automation solution, Nashik.**

Scope:

WHEREAS, the parties to this MOU desire to establish a Center of Excellence

**WHEREAS, both the parties to this MOU will provide necessary documents and information as needed
and agree that they shall keep the on-going negotiations as well as the related technology of the
products and services confidential.**

**WHEREAS, the parties to this MOU are targeted towards to form an interdisciplinary skill enhancement
center to create industry induction ready candidates to uplift their career in desired field of work by
conducting (but not limited to) various training and research programs for student and research
scholars.**

**WHEREAS, under this MOU, College and Emerging Technologies Software & Automation solution
agreed upon use of identity such as Logo and Name of Institute/Department/Group for publicity of the
said campaign/training which is mutually agreed.**

NOW, THEREFORE, the parties to this MOU mutually agree to the following:

Objective: To establish a Center of Excellence

- a) Establish a mutually agreed association between College and Heuristic Technopark that allows a flexible and creative response to the organizational, missions, and fiscal needs of both institutions.
- b) Collaboration in planning, implementation, and continuous improvement of programs including the provision for faculty, staff, and administration, curriculum development; training and student services.
- c) Provision of Trainings and Student or Faculty development programs, Seminars, Expert talks, Research activity and expert technical training programs for research scholars and any other initiative which is mutually discussed and programmed.
- d) Creating and hosting capacity building programs. Identification and Induction of upcoming and career enhancement thrust areas to explore new career avenues.
- e) Shared use of facilities including classrooms, labs, offices and libraries that reduces operating costs and promotes collaboration of students, faculty, staff, and community members in program success.
- f) Training programs designed and executed at the Centre of Excellence is mutually designed and planned in consideration of in-demand and industry required thrust areas.
- g) Training programs can be categorized as Beginner/Intermediate/Expert level assessing the latest trends in technology and techniques used in industry.
- h) Duration of said programs can be set as 1,2 or 5 Days or 10,20,30 or 40 hours which is mutually decided.
- i) Center can host long term and short-term programs (6 months or 3 months), which will lead to overall skill enhancement and implantation of new technological expertise at all levels of aspirant candidates.
- j) Center will host training program every month catering to a variety of trainings that shall take place as part of "Continuous Engagement." It will act as a support system for aspirant candidates to elevate their expertise and knowledge.
- k) All trainings hosted at the center will be available for in-house students as well as the adjacent College's students or the interested candidates.
- l) Heuristic Technopark is known for its quality and industry preparedness taking this forward, if College found any poor quality in delivery of the training the same training will be repeated without any charge.
- m) As a part of industry induction Center, Heuristic Technopark will provide Technical Sponsorship/internship to registered members and students of the College/ adjacent College/institution to develop their projects and initiate research work.
- n) As a Center of Excellence and to uplift research opportunities for students/faculties a step ahead, the center will create and host Research and Development (R & D) wing to float cutting edge advanced technology research thrust areas for both academic research as well as collaborative product or service development research.
- o) Working towards betterment of candidates and improving candidate induction in company placements, the Center Coordinator (Heuristic Technopark) and College training & placement officer will visit companies (registered with the College) to gather latest skills or knowledge requirements for their production, thus, enhancing the same in candidates by arranging training programs.
- p) Heuristic Technopark is always dedicated toward creating a skilled workforce which can be absorbed in an industry by giving candidates of Centre of Excellence placement assistance for securing their jobs in the industry which they trained for.

- q) Creating and Hosting College/State/National and International level events for training, upscaling and research publications.
- r) Creating affordable educational to enable professional upskilling.
- s) Hosting our Center as a nodal center for overall growth of candidate in their respective fields.
- t) All training programs will be jointly certified by Center (Heuristic Technopark) and the College.
- u) Under Industry academia venture as a part of social responsibility Heuristic Technopark and the College will take Cyber Saksharta – Digital Surakhsha. It is an initiative to improve overall cyber security awareness in society by training young students on Cyber Security.
- v) Center will completely be focused on overall growth of candidate, thus, creating a sustainable revenue generation for College and Heuristic Technopark.

Scope of Agreement and Limitations of Authority: The Scope of the Agreement and the parties agree as follows:

A. Roles of College: College shall have the following roles:

- (1) Shall provide and make available infrastructure, academic amenities and all other facilities required to carry out the activity for the students and participants in accordance with the requirements set by Heuristic Technopark.
- (2) Shall assist Heuristic Technopark in conducting the joint promotional activities as well as training activities.
- (3) Shall provide classrooms, lecture halls, office space, electricity and internet, labs, examination rooms, demonstration rooms along with requisite equipment, furniture and other infrastructure as and when required.
- (4) Shall provide one Computer lab to reform it into a "Center of Excellence".
- (5) Heuristic Technopark by virtue of this MOU is hereby appointed the sole and exclusive authority for the mentioned activities.

B. Roles of Emerging Technologies Software & Automation solution: Emerging Technologies Software & Automation solutions shall have the following duties:

- (1) Shall design the Campaign/Activity and Training but not limited to, and modify, evolve, upgrade or restructure and repackage the course as per the needs of the industry and based on any new development in the concerned discipline.
- (2) Creation of training material, deliverable appointing resource person. Supporting technical sponsorship and other joint activity (not limited to).
- (3) Driving Center of Excellence by conducting training programs but not limited to Campaign/Activity and Training.
- (4) Driving Research and Development (R & D) wing in association and support of College.
- (5) Shall utilize its strength to align with various skill development programs and initiatives to meet the objectives of The Center of Excellence. It shall accordingly design and deliver various programs within the overall scope of MoU.
- (6) The quality delivery is the responsibility of Heuristic Technopark and Heuristic Technopark would have to have in-house man-power or engage the required manpower and the faculty as per the requirement, in conjunction with the program.

C. Joint Responsibilities

- Marketing & mobilization of the students shall be carried out jointly as per mutual agreed terms.
- Promotion for the programs undertaken shall be advertised/ propagated through respective websites of the parties.
- Assessment of the courses shall be carried out jointly by both the parties.

D. Media and Public Relations

Media and public relations regarding the said MOU will be managed according to Heuristic Technopark and College protocols.

Financial Arrangement:

- Course/training/activity/workshop/program but not limited to, fee shall be decided in mutual agreement by both the parties for all the programs to be conducted at the Center.

Copyright:

The copyright of all learning material, testing material, educational tools and content and the embedded intellectual property in them shall belong solely to Heuristic Technopark. In Joint activity if material and other training aid is developed jointly copyright will be shared jointly.

Confidentiality:

Shall at all times maintain secrecy and shall keep confidential (and ensure that its respective employees, teaching staff, visiting or otherwise, agents etc. shall keep confidential) the course materials, programs, methodologies, research developed, mode of instructions and all other information and documents which it may acquire in connection with this Memorandum of Understanding and shall not use or disclose such information except with prior written consent of Heuristic Technopark except where such disclosure is ordered by a court of competent jurisdiction. This obligation shall be followed till and after the term of this Memorandum of Understanding is over.

Force Majeure: Under this clause:

- (a) Neither party shall be liable for any breach of its obligations resulting from causes beyond its reasonable control including but not limited to fires, strikes [of its own or other employees, insurrection or riots, embargoes, container shortages, wrecks or delays in transportation, inability to obtain supplies and raw materials requirements or regulations of any civil or military authority [known as an 'Event of Force Majeure']].
- (b) Each of the parties agrees to give notice to the other upon becoming aware of an Event of Force Majeure. Such notice shall contain details of the circumstances leading/resulting to an Event of Force Majeure and subsequent impossibility to perform this Agreement.
- (c) If a default due to an Event of Force Majeure shall continue for more than 3 months, then the party not in default shall be entitled to terminate this agreement. Neither party shall have any liability to the other in respect of the termination of this agreement as a result of an Event of Force Majeure.

Notice:

This agreement can be terminated prior to its term of Five years by mutual consent. Either party to this agreement wanting termination before the expiration of this agreement, shall give a notice in writing to the other party of minimum of One months and the other party may give its consent in writing within fifteen days from the date of receipt of the notice. In the absence of mutual consent, the agreement will not be terminated. However, it shall be the responsibility of both the parties to complete all the scheduled trainings. Notwithstanding mutual consent, this agreement will subsist till the last scheduled training is completed.

Termination:

Termination of this agreement is possible under the following circumstances.

- (i) Automatic Termination: After the agreement period is over, the agreement shall automatically stand terminated unless and until mutually renewed.
- (ii) By Law: If the business of any party to this Memorandum of Understanding becomes illegal at any time by virtue any law of the State Government or the Government of India.
- (iii) By mutual consent, subject to conditions laid down under the clause titled "Notice".

IN WITNESS WHEREOF the parties have set hands hereto on the date first mentioned hereinabove.

MEMORANDUM OF UNDERSTANDING

Between

Kalyani Charitable Trust's Sapkal Knowledge Hub, Late G. N. Sapkal College of Engineering, Nashik,
Department of Computer Engineering

And

Heuristic Technopark, 03, 2nd Floor, Liberty Point building, Racca Colony, Near rajiv Gandhi Bhavan,
Sharanpur Road, Nashik-422005.

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MOU") is made and entered into by and between the Institution (hereinafter referred to as "College") and Heuristic Technopark, Nasik.

Scope:

WHEREAS, the parties to this MOU desire to establish a **Center of Excellence**

WHEREAS, both the parties to this MOU will provide necessary documents and information as needed and agree that they shall keep the on-going negotiations as well as the related technology of the products and services confidential.

WHEREAS, the parties to this MOU are targeted towards to form an interdisciplinary skill enhancement center to create industry induction ready candidates to uplift their career in desired filed of work by conducting (but not limited to) various training and research programs for student and research scholars.

WHEREAS, under this MOU, College and Heuristic Technopark agreed upon use of identity such as Logo and Name of Institute/Department/Group for publicity of the said campaign/training which is mutually agreed.

Corporate Office: #03, 2nd Floor, Liberty Point building, Racca colony, sharanpur Rd, Nashik-422005
Contact no. +91 9309091325 / +91 9309079965
Mail us: heuristictechnopark@gmail.com Website: www.heuristictechnopark.com

NOW, THEREFORE, the parties to this MOU mutually agree to the following:

Objective: To establish a Center of Excellence

- a) Establish a mutually agreed association between College and Heuristic Technopark that allows a flexible and creative response to the organizational, missions, and fiscal needs of both institutions.
- b) Collaboration in planning, implementation, and continuous improvement of programs including the provision for faculty, staff, and administration, curriculum development; training and student services.
- c) Provision of Trainings and Student or Faculty development programs, Seminars, Expert talks, Research activity and expert technical training programs for research scholars and any other initiative which is mutually discussed and programmed.
- d) Creating and hosting capacity building programs. Identification and Induction of upcoming and career enhancement thrust areas to explore new career avenues.
- e) Shared use of facilities including classrooms, labs, offices and libraries that reduces operating costs and promotes collaboration of students, faculty, staff, and community members in program success.
- f) Training programs designed and executed at the Centre of Excellence is mutually designed and planned in consideration of in-demand and industry required thrust areas.
- g) Training programs can be categorized as Beginner/Intermediate/Expert level assessing the latest trends in technology and techniques used in industry.
- h) Duration of said programs can be set as 1,2 or 5 Days or 10,20,30 or 40 hours which is mutually decided.
- i) Center can host long term and short-term programs (6 months or 3 months), which will lead to overall skill enhancement and implantation of new technological expertise at all levels of aspirant candidates.
- j) Center will host training program every month catering to a variety of trainings that shall take place as part of "Continuous Engagement." It will act as a support system for aspirant candidates to elevate their expertise and knowledge.
- k) All trainings hosted at the center will be available for in-house students as well as the adjacent College's students or the interested candidates.
- l) Heuristic Technopark is know for its quality and industry preparedness taking this forward, if College found any poor quality in delivery of the training the same training will be repeated without any charge.
- m) As a part of industry induction Center, Heuristic Technopark will provide Technical Sponsorship/internship to registered members and students of the College/ adjacent College/institution to develop their projects and initiate research work.
- n) As a Center of Excellence and to uplift research opportunities for students/faculties a step ahead, the center will create and host Research and Development (R & D) wing to float cutting edge advanced technology research thrust areas for both academic research as well as collaborative product or service development research.
- o) Working towards betterment of candidates and improving candidate induction in company placements, the Center Coordinator (Heuristic Technopark) and College training & placement officer will visit companies (registered with the College) to gather latest skills or knowledge requirements for their production, thus, enhancing the same in candidates by arranging training programs.

- p) Heuristic Technopark is always dedicated toward creating a skilled workforce which can be absorbed in an industry by giving candidates of Centre of Excellence placement assistance for securing their jobs in the industry which they trained for.
- q) Creating and Hosting College/State/National and International level events for training, upscaling and research publications.
- r) Creating affordable educational to enable professional upskilling.
- s) Hosting our Center as a nodal center for overall growth of candidate in their respective fields.
- t) All training programs will be jointly certified by Center (Heuristic Technopark) and the College.
- u) Under Industry academia venture as a part of social responsibility Heuristic Technopark and the College will take Cyber Saksharta – Digital Surakhsha. It is an initiative to improve overall cyber security awareness in society by training young students on Cyber Security.
- v) Center will completely be focused on overall growth of candidate, thus, creating a sustainable revenue generation for College and Heuristic Technopark.

Scope of Agreement and Limitations of Authority: The Scope of the Agreement and the parties agree as follows:

A. Roles of College: College shall have the following roles:

- (1) Shall provide and make available infrastructure, academic amenities and all other facilities required to carry out the activity for the students and participants in accordance with the requirements set by Heuristic Technopark.
- (2) Shall assist Heuristic Technopark in conducting the joint promotional activities as well as training activities.
- (3) Shall provide classrooms, lecture halls, office space, electricity and internet, labs, examination rooms, demonstration rooms along with requisite equipment, furniture and other infrastructure as and when required.
- (4) Shall provide one Computer lab to reform it into a "Center of Excellence".
- (5) Heuristic Technopark by virtue of this MOU is hereby appointed the sole and exclusive authority for the mentioned activities.

B. Roles of Heuristic Technopark: Heuristic Technopark shall have the following duties:

- (1) Shall design the Campaign/Activity and Training but not limited to, and modify, evolve, upgrade or restructure and repackage the course as per the needs of the industry and based on any new development in the concerned discipline.
- (2) Creation of training material, deliverable appointing resource person. Supporting technical sponsorship and other joint activity (not limited to).
- (3) Driving Center of Excellence by conducting training programs but not limited to Campaign/Activity and Training.
- (4) Driving Research and Development (R & D) wing in association and support of College.
- (5) Shall utilize its strength to align with various skill development programs and initiatives to meet the objectives of The Center of Excellence. It shall accordingly design and deliver various programs within the overall scope of MoU.

(6) The quality delivery is the responsibility of Heuristic Technopark and Heuristic Technopark would have to have in-house man-power or engage the required manpower and the faculty as per the requirement, in conjunction with the program.

C. Joint Responsibilities

- Marketing & mobilization of the students shall be carried out jointly as per mutual agreed terms.
- Promotion for the programs undertaken shall be advertised/ propagated through respective websites of the parties.
- Assessment of the courses shall be carried out jointly by both the parties.

D. Media and Public Relations

Media and public relations regarding the said MOU will be managed according to Heuristic Technopark and College protocols.

Financial Arrangement:

- Course/training/activity/workshop/program but not limited to, fee shall be decided in mutual agreement by both the parties for all the programs to be conducted at the Center.

Copyright:

The copyright of all learning material, testing material, educational tools and content and the embedded intellectual property in them shall belong solely to Heuristic Technopark. In Joint activity if material and other training aid is developed jointly copyright will be shared jointly.

Confidentiality:

Shall at all times maintain secrecy and shall keep confidential (and ensure that its respective employees, teaching staff, visiting or otherwise, agents etc. shall keep confidential) the course materials, programs, methodologies, research developed, mode of instructions and all other information and documents which it may acquire in connection with this Memorandum of Understanding and shall not use or disclose such information except with prior written consent of Heuristic Technopark except where such disclosure is ordered by a court of competent jurisdiction. This obligation shall be followed till and after the term of this Memorandum of Understanding is over.

Force Majeure: Under this clause:

- (a) Neither party shall be liable for any breach of its obligations resulting from causes beyond its reasonable control including but not limited to fires, strikes [of its own or other employees, insurrection or riots, embargoes, container shortages, wrecks or delays in transportation, inability to obtain supplies and raw materials requirements or regulations of any civil or military authority [known as an 'Event of Force Majeure']].
- (b) Each of the parties agrees to give notice to the other upon becoming aware of an Event of Force Majeure. Such notice shall contain details of the circumstances leading/resulting to an Event of Force Majeure and subsequent impossibility to perform this Agreement.
- (c) If a default due to an Event of Force Majeure shall continue for more than 3 months, then the party not in default shall be entitled to terminate this agreement. Neither party shall have any liability to the other in respect of the termination of this agreement as a result of an Event of Force Majeure.

Notice:

This agreement can be terminated prior to its term of **Five** years by mutual consent. Either party to this agreement wanting termination before the expiration of this agreement, shall give a notice in writing to the other party of minimum of One months and the other party may give its consent in writing within fifteen days from the date of receipt of the notice. In the absence of mutual consent, the agreement will not be terminated. However, it shall be the responsibility of both the parties to complete all the scheduled trainings. Notwithstanding mutual consent, this agreement will subsist till the last scheduled training is completed.

Termination:

Termination of this agreement is possible under the following circumstances.

- (i) Automatic Termination: After the agreement period is over, the agreement shall automatically stand terminated unless and until mutually renewed.
- (ii) By Law: If the business of any party to this Memorandum of Understanding becomes illegal at any time by virtue any law of the State Government or the Government of India.

Memorandum of Understanding (MoU) between

SACHITECH

AND

Kalyani Charitable Trust's

Sapkal Knowledge Hub

Late G. N. Sapkal College of Engineering, Nashik

Department of Computer Engineering

This Memorandum of Understanding (MoU), is made on this Date FRIDAY, 16th DECEMBER 2022 by and amongst SachiTech, herein after referred to as “**Company**” having its Registered office at Flat no 7, Bhagyalaxmi apartment above VM cake shop, Model colony, college road, Nashik and Computer Engineering Department of Kalyani charitable Trust's, Late G. N. Sapkal College of Engineering, (Sapkal Knowledge Hub), Nashik- Technical educational institution having its office at Kalyani Hills, Anjaneri- Wadholi, Trimbakeshwar Road, Nashik:422213.

1. Introduction

❖ Organization/Company Profile –

SachiTech is one of the renowned IT Industries. Over few years we have created an impression in the training industry by delivering industry-oriented training for our students. Our training methods and strategies are one of its kinds which encourage the students to become eligible for the job profile proposed by several industries.

2. Objectives of Cooperation

The main objective of this MoU is to provide a platform to build a strong and on-going relationship between SachiTech and Sapkal Knowledge Hub.

The primary goals are –

- 2.1 To develop and foster strategic linkages between the Engineering and Sachitech.
- 2.2 To understand the needs and expectations of both the institute and the organization and to execute relevant identified activity required to meet the needs and expectations therein.
- 2.3 To help students in their career development.

3. Coordination

Both parties (Sachitech and Sapkal Knowledge Hub) shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MoU.

4. Areas for Cooperation

4.1 Participation in knowledge sharing at Polytechnic:

Sachitech shall select and depute Industry experts, Technology specialists, to participate and deliver technical talks on various topics as shall be, jointly, decided by the Department of Computer Engineering, Engineering and Sachitech such talks/lectures shall either be a part of the curriculum or a value-add knowledge for the students. Also these talks may be oriented for the career growth of the student.

4.2 Projects for Diploma Students:

Sachitech shall provide students with the real life /industry-oriented problem as an academic project. Also guide the students during the various stages of the Project development. The contribution can be extended as the sponsoring projects for students and issue the required documents time to time. Engineering shall guide the students for project development and record the participation of the Sachitech for support to project development.

4.3 Training and Placement support to Engineering:

Sachitech shall conduct Training programs, Workshops as and when necessary to help the students to enhance their technical and soft skills. Engineering shall coordinate the Training/Workshops activities at their premises using their infrastructure. Sachitech shall recruit competent and potential students of final year Students depending on their annual need and growth plan. This activity shall be governed by their selection

T e c h n o l o g y F o r I n n o v a t o r s

process steered, jointly, by the Placement Cell of Sapkal Knowledge and Sachitech.

4.4 Participation in technical events of Engineering:

Sachitech shall consider participation in technical events engineering. Events include National/International conferences, workshops, finishing schools, symposia, value-add courses hosted by Engineering. The final decision shall be taken on a case-to-case basis after review and discussion between the two parties.

4.5 Faculty and students- Summer and Winter Training / Industry Visits to students:

Sachitech shall identify, encourage and support the evolving technical competence in students by providing Studentships and Summer/Winter trainings to students during their vacation period between successive semesters.

Sachitech shall deploy such students on specific technical works at their development centers. Engineering will observe and record the training being taken by the student.

Engineering shall evaluate the quality of the work carried out by the students and award them with a certificate at the end of the Studentships.

Training and Placement coordinator of the Computer Engineering Department and of Engineering shall co-ordinate with Sachitech throughout the process including initiation of the students training request at the appropriate time, selection of students for the training overseeing the technical work carried out by the students and the evaluation of the work carried out by the students as might be required by Engineering.

4.6 Nurturing Exchange programs:

Engineering shall foster the industry-institute exchange program with respect to the faculty and industry executives to serve in the organizations on an exchange basis.

This shall provide the associates of Sachitech and Sapkal Knowledge Hub with cross-learning opportunities.

5. Confidentiality

Either party guarantees and acknowledges that all information whether in writing or oral or otherwise obtained from other party under this MOU would be kept strictly confidential during the MOU or after cessation, either party shall not divulge, disclose or impart to any third person/organization. The provision of this clause shall survive the termination of this MOU.

6. Miscellaneous

6.1. This MOU shall be valid for a period of 3 years from 2022 to 2025 and will be signed by Sapkal Knowledge Hub & Sachitech.

This MOU shall be renewed for further term with mutual consent of the two parties. Either party may terminate this MOU by giving 30 days prior written notice to the other.

6.2 Neither party here under shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MoU.

Memorandum of Understanding (MoU)

between

Sumago Infotech Pvt. Ltd.

AND

Late G N Sapkal College of Engineering

This Memorandum of Understanding (MoU), is made on this Date 01st Sep 2022 by and amongst Sumago Infotech Pvt. Ltd, herein after referred to as "Company" having its Registered office at Third Floor, Sadashiv Motkari Sankul, Sadguru Nagar Near Sadashiv nagar, Govind Nagar in front of Sagar Sweets, Nashik-422009 and Computer Dept, Late G N Sapkal College of Engineering, Anjaneri, Nashik, hereinafter referred to as Engineering.

1. Introduction

❖ Organization/Company Profile –

Sumago Infotech Pvt. Ltd. aspire to be the global sourcing choice of the world market and revolutionizes the way service processes function. To reach out to the common people across the globe and making Information Technology a tool for the "MASS" along with the tool for the "CLASS".

Creating innovative IT solutions and provide IT-enabled services to delight customers worldwide and build Relationships based on Trust, Values and Professionalism.

Sumago Infotech Pvt. Ltd. has industry-specific software expertise in Technology, Financial, Healthcare, Media, Manufacturing, and many other sectors. The company specializes in offering Web Designing,

Web Application Development, Mobile Application Development, Software Development, Digital Marketing, Software Testing, Quality Assurance services, and many more.

We are a team of committed innovative, client-sensitive and experienced software professionals who always strive to deliver customized, cost- effective and long-term software solutions that complement our client's objective and result in a satisfied customer.

At Sumago Infotech Pvt. Ltd, we "Strive with Technology" to provide the most effective and affordable service that fulfils our customer's needs and budget. We provide customized websites and software solutions that suit customer's company objectives. We always keep involving our

customers in an entire process starting from design through deployment, so that your ideas can be incorporated into our work.

❖ **Institute Profile-**

Late G N Sapkal College of Engineering is a leading educational institute affiliated to and approved by AICTE , India, offering courses in Engineering/Graduation, having its registered office at 'Kalyani Hills', Anjaneri- Wadholi, Trimbakeshwar Road, Nashik -422213, Maharashtra, India.

2. Objectives of Cooperation

The main objective of this MoU is to provide a platform to build a strong and on-going relationship between Sumago Infotech Pvt Ltd and Late G N Sapkal College of Engineering

The primary goals are –

- 2.1 Industrial Training To Students As well As Faculty.
- 2.2 Guest Lecture as per the expertise available in the company.
- 2.3 Sponsored Industrial Live Project to final year Students.
- 2.4 Campus Selection of final year students.
- 2.5 Industry can provide Internships to 3rd and last year students as per their technical skills.

3. Coordination

Both parties Sumago Infotech Pvt Ltd and Late G N Sapkal College of Engineering shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MoU.

4. Areas for Cooperation

4.1 Participation in knowledge sharing :

Sumago Infotech Pvt. Ltd. shall select and depute Industry experts, Technology specialists, to participate and deliver technical talks on various topics as shall be, jointly, decided by the Computer Department, Late G N Sapkal College of Engineering and Sumago Infotech Pvt Ltd. Such talks/lectures shall either be a part of the curriculum or a value-added knowledge for the students. Also these talks may be oriented for the career growth of the student.

4.2 Live Projects for Students:

Sumago Infotech Pvt. Ltd. shall provide students with the real life /industry-oriented problem as an academic project. Also guide the students during the various stages of the Project development. The contribution can be extended as the sponsoring projects for students and issue the required documents time to time. Sumago Infotech Pvt. Ltd. shall guide the students for project development and record the participation of the students in project development.

4.3 Training and Placement support to College:

Sumago Infotech Pvt. Ltd. shall conduct Training programs, Workshops as and when necessary to help the students to enhance their technical and soft skills. Late G N Sapkal College of Engineering shall coordinate the Training/Workshops activities at their premises using their infrastructure. Sumago Infotech Pvt. Ltd. shall recruit competent and potential students of final year Students depending on their annual need and growth plan. LETTER OF AGREEMENT

between

Department of Electronics and Telecommunication Engineering
KCT's Late G N Sapkal College of Engineering
Anjaneri, Trimbakeshwar Road,
Nashik - 422401

and

Sivanand Electronics,
Deepak Mahal, Lam Road,
Devalali, Nashik

OBJECTIVES OF THE LINKAGE

The intent of this institute-industry linkage is to bring the industry and academia closer for following purposes:

- Integration of industrial visits for enhancing learning outcomes.
- Initiation of Industrial trainings for experiential learnings.
- To expose the students to the realistic expectations and experiences relevant to the kinds of challenges and responsibilities they will encounter in their prospective career.
- To develop a symbiotic relationships with one another for sharing available infrastructures and facilities.
- To forecast the technical manpower required for the industry and have deliberations regarding preparedness of skilled manpower in the institute as industrial workforce.
- To train and update knowledge of stakeholders from either side through exchange programs.
- To undertake joint Research and Development activities.

ACTIVITIES TO BE CONDUCTED

The **Department of Electronics and Telecommunication Engineering & Sivanand Electronics.** hereby agree to cooperate through joint activities like Internship / Field Trip / On the Job Training / Research Projects / Student Exchange / Faculty Exchange for the benefit of students, faculty and industry.

DURATION

Both the parties will organize above activities from 28 April 2023 to 27 April 2028

MEMORANDUM OF UNDERSTANDING BETWEEN

KCT'S

Late G. N. Sapkal College OF Engineering

Nashik.

AND

Passenger Drone Research Private Limited

This Memorandum of Understanding (MoU) is entered into as on Date 29/03/2023, by and between the Late G. N. Sapkal College OF Engineering, India (Hereafter **LGNSCOE**) and Passenger Drone Research Private Limited (Hereafter **PDRL**)

The **LGNSCOE** is established in the year 2009 under the aegis of Kalyani Charitable Trust, Nashik with the approval of AICTE and DTE, the Government of Maharashtra. The Institute is permanently affiliated to Savitribai Phule Pune University, Pune with a sanctioned intake of 390 for various engineering courses at the undergraduate level. The institute has a post-graduation course in MBA with a sanctioned intake of 60 each and College of Pharmacy including D.Pharm, B.Pharm and M. Pharm . The **LGNSCOE** is committed to serve the common masses by disseminating engineering education.

Passenger Drone Research Pvt. Ltd. (PDRL), is a technology company that is into the development of autonomous aerial vehicles (AAV), popularly referred to as Air Taxi. 'Pravaas', our aerial vehicle will carry a passenger(s) autonomously point-to-point (P2P).

1. **Objectives of the MOU:** The objective of this Memorandum of Understanding is:

- To promote interaction between **LGNSCOE** and PDRL in mutually beneficial areas.
- To provide a formal basis for initiating interaction between **LGNSCOE** and PDRL.

2. **Proposed Modes of Collaboration:** **LGNSCOE** and PDRL propose to collaborate through:

- Establishing Center of Excellence for Drone Technology and its application at **LGNSCOE** by PDRL.
- Partnering for training and certification program of PDRL so that knowledge of drone technology is passed on to students and job opportunities are created for students of **LGNSCOE**
- LGNSCOE** offers its specific approved resources like testing area to PDRL for testing of drone technology.
- Sponsoring R&D projects, which may be carried out wholly at **LGNSCOE** or at premises of PDRL or partly at **LGNSCOE** and partly at PDRL.
- Any other appropriate mode of interaction agreed upon between **LGNSCOE** and PDRL. Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties

4. **Technical Areas of Collaboration:** The principal technical areas of collaboration between LGNSCOE and PDRL will be as per the requirements raised time-to-time from both the parties and or either parties.

5. **Agreements for Research Collaboration:** Each research collaboration undertaken by the parties hereunder shall be initiated by signing of a separate research agreement between the parties which will describe in detail:

- The nature, scope, and schedule of the research collaboration. b. The form of the research collaboration.
- The estimated cost of the research collaboration together with the amount of funding, if any, to be shared between LGNSCOE and the PDRL.
- The treatment of intellectual property and data rights, including patents, inventions, proprietary information, and copyrights, which result from the research collaboration or which belong to a party and are used in research collaboration.
- Other provisions may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes, and applicable law.

6. CONFIDENTIALITY:

During and for a period of five years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within 90 days of disclosure and identified as confidential by the disclosing party.

The obligations above shall not extend to any confidential information for which the receiving party can prove that this information: - is in the public domain at the time of disclosure or subsequently comes within the public domain without fault of the receiving party. - is already known or become known to the receiving party from a third party without a break of the present agreement; or - are independently developed by the receiving party; or - are required to be disclosed by law or court order.

7. **NON-EXCLUSIVITY:** The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries, and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

8. **TERMS AND TERMINATIONS:** This MOU, unless extended by mutual written agreement of the parties, shall expire five years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or

unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 5 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

9. RELATIONSHIP: Nothing in this MOU shall be construed to make either party a partner, an agent, or legal representative of the other for any purpose. Neither party has any right or authority to accept any service of process or to receive any notices on behalf of the other Party or to enter into any commitments, undertakings, or agreements purporting to obligate such other party in any way, or to amend, modify or vary any existing agreements to which such other party may be a party

10. ASSIGNMENT: It is understood by the Parties herein that this MOU is based on the professional competence and expertise of each party and hence neither party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party. This Agreement shall, however, inure to the benefit of PDRL, its successors, and assigns.

11. COSTS OF THE MOU: Each Party shall bear the respective costs of carrying out the obligations under this MOU.

The partners have entered into this MoU because they:

- ✓ RECOGNIZE the mutual interest in the field of industrial training, development, and dissemination of knowledge.
- ✓ RECOGNIZE the importance of Industry Institute Interaction activity for engineering students.
- ✓ RECOGNIZE the importance of the Industry Partner within its field of expertise.

This MoU will enable the parties to:

- > FOSTER technical education at undergraduate and post-graduate level to make the students industry-ready.
- > STRENGTHEN the theoretical knowledge in industrial practices. Exposure to the industrial environment brings about attitudinal change in the students by inculcating managerial principles which cannot be effectively imparted through classroom or laboratory inputs.
- > PROVIDE In-plant training to **LGNSCOE** students.
- > PROVIDE Industry-related projects to KBT COE students and an opportunity to learn recent industry practices.
- > ALLOW the KBT COE Students for industrial visits to enhance their subject-related knowledge.
- > EXPLORE any opportunity for campus placement for **LGNSCOE** students.
- > This MOU is signed only in the interest of helping & guiding the **LGNSCOE** students in various development activities & PDRL will not be responsible for any other act of the student of whatsoever kind.

The parties hereby agree to establish collaboration according to terms and conditions set out by the **LGNSCOE** and PDRL

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 31st March, 2023.

Between

Kalyani Charitable Trust'S, Late Gambhirrao Natuba Sapkal College of Engineering, (LGNSCOE) Anjaneri, Trimbakeshwar Road, Nashik.

and

Sir Visvesvaraya Institute of Technology,(SVIT) Chincholi,Sinnar, Dist. Nashik , a College of Engineering registered under AICTE and Affiliated to PUNE University, situated at Chincholi, Nashik, Maharashtra.

(LGNSCOE and SVIT are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MoU shall be valid for Five (5) years from 31st March 2023 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where SVIT to provide

1. Available softwares for faculties and students.
2. Institute would be providing facilities for Electronics and Telecommunication Engineering related training at the SVIT to the students, Faculty of the LGNSCOE, in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, field visits to the labs for faculties and students, and any research and development activity related to the above.

3. Late Gambhirrao Natuba Sapkal College of Engineering Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for the conduct of training at the LGNSCOE campus and or at the SVIT premises.

- **CAMPUS** : Sapkal Knowledge Hub, Kalyanii Hills, Anjaneri-Wadholi, Trimbakeshwar Road, Nashik - 422 213. (India)

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MOU') is made on 01 March, 2023.

Between

Kalyani Charitable Trust's, Late Gambhirrao Natuba Sapkal College of Engineering,(LGNSCOE) Anjaneri, Trimbakeshwar Road, Nashik.

and

Kadwa Sahakari Sakhar Karkhana Ltd

At Materewadi, Tal: Dindori, Maharashtra, 422202, Maharashtra.

(LGNSCOE and Kadwa Sahakari Sakhar Karkhana Ltd hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MoU shall be valid for Three (3) years from 1st March, 2023 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where Kadwa Sahakari Sakhar Karkhana Ltd to provide

- Industrial visit for faculties and students.
- Industrial training workshop for students and staff
- Experts for Guest lecturers as per the expertise available in industry.
- Sponsorship for industrial project and mentoring for interviews of Final year students.
- To provide an opportunity to most eligible students for professional work experience through employment, if possible
- Assistance for developing project ideas for students of LGNSCOE.
- Technical guidance for lab developments in LGNSCOE, Nasik
- Platform for planning and utilizing resources like staff and infrastructure for joint. R&D work.
- Sponsoring the events activities being conducted at LGNSCOE, Nasik.
- Training on special topics supported by donating outdated machinery, equipment, cut-sections, charts etc.

3. Late Gambhirrao Natuba Sapkal College of Engineering and Industry Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for the conduct of training at the LGNSCOE campus and or at the Industry premises.
- LGNSCOE shall provide certificates/completion letter to all students who have successfully completed the training, projects conducted at LGNSCOE or at the Industry premises.

4. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of both Principal of LGNSCOE and Management of Industry. LGNSCOE and Industry are not authorized to make any representation contract or commitment on behalf of Industry. LGNSCOE without the prior written consent of other party

Duration and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MOU.
- Each party represents that they have full power and authority to enter into this MoU in general.

Commercials:

- LGNSCOE & Industry will design programs on mutual understanding and decide fees if any to be charged to the students.
- The training. Lab visit shall be conducted at the LGNSCOE or Industry facility in a time bound manner as per availability and schedule of both parties

General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently

developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

- Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MoU, whether in printed or electronic form, belongs to other party.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- Each party shall be at liberty to terminate this MoU with a written notice period of one(1)month to the other party without any compensation.
- Any and all disputes or differences between LGNSCOE and Industry arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

8. Indemnification:

- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trade mark infringement, costs
- In witness whereof, both parties put their hard seal on the day, month and year here in mentioned

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 02nd January, 2023.

Between

**Department of Mechanical Engineering,
Late Gambhirrao Natuba Sapkal College of Engineering, (LGNSCOE),
Anjaneri, Trimbakeshwar Road, Nashik.**

And

**Shree Balaji Engineering Works,
Plot H159, MIDC Ambad, Nashik,
Maharashtra 422010•**

(LGNSCOE and Shree Balaji Engineering Works are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MoU shall be valid for **One (01) years** from 2nd January 2023 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit where Shree Balaji Engineering Works to provide

- Industrial visit for faculties and students.
- Industrial training/workshop for students and staff.
- Experts for Guest lecturers as per the expertise available in industry.
- Sponsorship for industrial project, Internships and mentoring for interviews of Final year students.
- Assistance for developing project ideas for students of LGNSCOE.
- Technical guidance for lab developments in LGNSCOE, Nasik.

- **CAMPUS** : Sapkal Knowledge Hub, Kalyanii Hills, Anjaneri-Wadholi, Trimbakeshwar Road, Nashik - 422 213. (India)

- Platform for planning and utilizing resources like staff and infrastructure for joint R&D work.
- Sponsoring the events activities being conducted at LGNSCOE, Nasik.
- Training on special topics supported by donating outdated machinery, equipment, cut-sections, charts etc.

3. Late Gambhirrao Natuba Sapkal College of Engineering and Industry Standard of Performance:

LGNSCOE shall expend reasonable efforts as follows:

- LGNSCOE shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- LGNSCOE shall provide experts for the conduct of training at the LGNSCOE campus and or at the Industry premises.
- LGNSCOE shall provide certificates/completion letter to all students who have successfully completed the training, projects conducted at LGNSCOE or at the Industry premises.

4. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of both parties of LGNSCOE and Management of Industry. LGNSCOE and Industry are not authorized to make any representation, contract, or commitment on behalf of Industry / LGNSCOE without the prior written consent of other party.

5. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

6. Commercial:

- LGNSCOE & Industry will design programs on mutual understanding and decide fees if any to be charged to the students.
- The training, Lab visit shall be conducted at the LGNSCOE or Industry facility in a time bound manner as per availability and schedule of both parties.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MoU, whether in printed or electronic form, belongs to other party.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- Each party shall be at liberty to terminate this MoU with a written notice period of one (1) month to the other party without any compensation.
- Any and all disputes or differences between LGNSCOE and Industry arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

9. Indemnification :

- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs.
- In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties here to have signed the Agreement and set their seals as below:-

SERVICE AGREEMENT

THIS AGREEMENT is made on 5th Dec 2022 BY AND BETWEEN:

- (1) KCT's Late. G.N. Sapkal College of Engineering having its principal office at Sapkal Knowledge Hub, Kalyanii Hills, Anjaneri-Wadholi, Trimbakeshwar Road, Nashik - 422213 (hereinafter referred to as the "Service Recipient", which expression shall, unless repugnant to the context or meaning thereof, be deemed to include its successors, legal representatives and permitted assigns) of the **FIRST PART**); and
- (2) Sunstone Education Technology Private Limited, having its corporate office at Spring House, LG 06, DLF Grand Mall, DLF Phase 1, Gurgaon, Haryana, 122002, (hereinafter referred to as the "Service Provider", which expression shall, unless repugnant to the context or meaning thereof, be deemed to include its successors and permitted assigns) of the **OTHER PART**.

The Service Recipient and Service Provider shall hereinafter jointly be referred to as "Parties" and individually as "Party".

WHEREAS:

- (1) Service Recipient has its campus in Sapkal Knowledge Hub, Kalyanii Hills, Anjaneri-Wadholi, Trimbakeshwar Road, Nashik - 422213. It is a distinguished educational institute established with a mandate to serve the academic and professional needs of the students in the country. It is engaged in imparting value based professional education and is approved by the All India Council for Technical Education and University Grants Commission.
- (2) Service Provider is a private limited company incorporated under the Companies Act, 2013. It has developed a program called 'Sunstone Surge' (key features outlined in Annexure 1) which is a 360 degree career acceleration program for students of Service Recipient. The product offers training and placement services.
- (3) The Service Provider has approached the Service Recipient and has expressed its desire to provide certain services as covered under the Sunstone Surge program to the Service Recipient and has also represented to the Service Recipient that it has the necessary infrastructure, manpower, expertise and the financial capabilities to perform the services detailed below.
- (4) The Service Recipient wishes to engage Service Provider as an independent contractor for the services covered under the Sunstone Surge program.
- (5) Service Provider is willing to perform the services, as set out in detail in Clause 2.2 of this Agreement on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual agreements, covenants, representations, and warranties set forth in the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereby agree as follows:

1 Definitions

The following words shall have the following meanings:

- a) **"Agreement"** shall mean this services agreement including the annexures, as amended, modified and/or supplemented from time to time;
- b) **"Applicable Laws"** shall mean all applicable (a) statutes, enactments, acts of legislature or parliament, laws, ordinances, rules, by-laws, regulations, notifications, guidelines, policies, directions, circulars, directives and orders of any Governmental Authority, tribunal, board, court or recognised stock exchange; (b) approvals, authorizations, waivers or licenses from Governmental Authorities; and (c) orders, decisions, injunctions, judgments, awards and decrees of or agreements with any Governmental Authority as applicable on the Service Recipient;
- c) **"Effective Date"** shall mean the date on which the Agreement has been executed by the Parties, as set out herein;
- d) **"Services"** shall have the meaning ascribed to it in [Clause 2.2 below]; and
- e) **"Term"** shall have the meaning ascribed to it in Clause 6 below.

In this Agreement, unless the context otherwise requires,

- a) For the purpose of this Agreement, where the context so admits, (i) the singular shall be deemed to include the plural and vice-versa, (ii) the word "include" and "including" shall be construed without limitation.
- b) The headings and sub-headings are inserted for convenience only and shall not affect the construction and interpretation of this Agreement.
- c) A reference to a statute or statutory provision is a reference to it as it is in force for the time being, taking account of any amendment, extension, or re-enactment and includes any subordinate legislation for the time being in force made under it.
- d) In addition to the terms defined in Clause 1, certain other capitalized terms are defined elsewhere in this Agreement and whenever such terms are used in this Agreement they shall have their respective defined meanings, unless the context expressly or by necessary implication otherwise requires.

A small, handwritten signature in black ink.

2 . Appointment.

- 2.1 The Service Recipient hereby appoints Service Provider to render services as described below during the provision of the Course for such period and on the terms set forth in this Agreement. Service Provider accepts such appointment and agrees to render the services herein set forth for the compensation herein provided.
- 2.2 Service Provider agrees to render the following support services during the Course as categorized in an annexure-1.

3 Duties

Obligations of the Service Recipient

- 3.1 Service Recipient agrees and acknowledges that it has read this Agreement and shall comply with all applicable duties, obligations and restrictions set forth in this Agreement to the extent they apply to Service Recipient.
- 3.2 Service Recipient shall be responsible for compliance with the Applicable Laws and adherence with the fees regulatory norms, permits, approvals, etc.
- 3.3 Service Recipient shall be solely responsible for imparting education, maintaining its affiliations, accreditations and facilities, delivery of academic instructions, etc. as recognized by and in accordance with the directions issued by the relevant regulatory authorities, including obtaining and maintaining relevant consents and approvals from the regulatory authorities.
- 3.4 Service Recipient shall provide requisite and reasonable access, support and assistance as may be required by the Service Provider from time to time in relation to provision of the Services.

Obligations of the Service Provider

- 3.5 Service Provider agrees and acknowledges that it has read this Agreement and shall comply with all applicable duties, obligations and restrictions set forth in this Agreement to the extent they apply to Service Provider.
- 3.6 Service Provider agrees and undertakes to use its best efforts to comply with the instructions and directions issued by the Service Recipient:
- 3.7 Service Provider and its officers, directors, agents and representatives will exercise their best judgment in carrying out their obligations hereunder.
- 3.8 Service Provider shall undertake the Services in a professional, diligent and timely manner, using due skill and care and in a manner compliant with industry and professional standards.
- 3.9 Service Provider shall ensure that the Services performed under this Agreement conform to the specifications and instructions mutually agreed with the Service and ensure that all

A large, stylized handwritten signature in black ink, written over the bottom right portion of the page.

A small, handwritten signature or set of initials in black ink, located in the bottom right corner of the page.

personnel who are deputed to perform the Services under this Agreement are appropriately trained and qualified to perform such Services, including familiarizing them with applicable policies and procedures relevant to the Services.

4 Dealings

Notwithstanding anything contained in this Agreement, the Service Provider shall not, absent express written consent, be authorized to act in the name or on behalf of the Service Recipient and shall not have any power to enter into any agreement, contract, transaction or arrangement on behalf of or in the name of the Service Recipient.

5 Remuneration and Expenses

5.1 In connection with the performance of its duties herein, the Service Recipient will pay the Service Provider, such compensation and fees as outlined in Annexure 1 (the "Fees"). Necessary goods and service tax, if applicable, shall be levied in addition to the Fees.

5.2 Service Provider shall raise the invoices on a periodic basis as may be mutually agreed, and amounts shall be payable within 15 days from the date of the invoice.

5.3 The Fees shall be subject to review by the Parties on an annual basis.

5.4 The services under this Agreement would be provided continuously or on a recurrent basis for a period of [5 and will be automatically renewed unless otherwise agreed with periodic payment obligations as mutually agreed by the parties, in accordance with Clauses 5 and 6 of this Agreement.

6 Term and Termination

6.1 [This Agreement shall commence on the Effective Date and shall continue in full force and effect thereafter for an initial period of 5 years. Thereafter, this Agreement shall be extended for such time period as mutually agreed between the Parties in writing.]

6.2 This Agreement may be terminated at any time with the mutual written agreement of both the Service Provider and the Service Recipient, with written notice of not less than 3 (three) months.

6.3 This Agreement may be terminated by Service Provider at any time or if it becomes illegal for Service Provider to perform its duties under this Agreement.

6.4 Either Party shall have the right to terminate this Agreement, with immediate effect, if a petition for winding-up or dissolution of the other Party is filed in a court of competent

A large, stylized handwritten signature in black ink.

A small, handwritten signature in black ink.

jurisdiction and if such petition is not withdrawn within [30] (thirty) days of filing of such petition, by giving written notice of such termination to the other Party.

6.5 The right to terminate this Agreement shall be without prejudice to all rights and remedies available to the Parties under Law, including without limitation, the right to seek, as an alternative to termination, specific performance of the obligations under this Agreement

6.6 The Service Provider shall be entitled to terminate the Agreement immediately in the event the Service Recipient fails to perform its obligations under Clause 5. Such termination shall not affect the right of the Service Provider to receive payment on any unpaid balance of the compensation described in Clause 5 earned prior to such termination, with an interest of 18 %.

7 Representations of Service Provider and of the Service Recipient

7.1 Service Provider hereby represents and warrants that:

7.1.1 Service Provider has the legal right, power and authority to enter into, deliver and perform its obligations under this Agreement and all other documents and instruments required to be executed pursuant thereto or in connection therewith, and such documents, when executed, will constitute valid and binding obligations and be enforceable against Service Provider in accordance with their respective terms;

7.1.2 Service Provider has obtained all consents, authorizations and permissions as may be required for the purpose of executing this Agreement and performing its obligations hereunder.

7.2 The Service Recipient hereby represents and warrants that it is authorized and permitted as may be required for the purpose of executing this Agreement and performing the obligations hereunder.

8 General

8.1 Conduct of Affairs: The parties hereto agree that Service Provider shall at all times, conduct itself and discharge its functions hereunder in such a manner as to ensure that at no point in time shall Service Provider take any decision on behalf of the Service Recipient.

8.2 Service Provider will render the Services set forth in this Agreement at its own expense, including, without limitation, the salaries of employees necessary for such services, the facilities required to provide such services and operating expenses.

8.3 Relationship of Parties: The relation between the Parties hereto shall be on principal to principal basis. This Agreement is intended to create, and creates a contractual relationship for services to be rendered by an independent contractor and is not intended to create and does not create, a partnership, joint venture, association of person or agency or employment between the Parties for any purpose (or any other parties).

A large, stylized handwritten signature in black ink, likely belonging to Anjanen Nashik, the signatory of the stamp.

A small, handwritten signature in black ink, possibly a second signatory or a witness.

9. Governing Law and Dispute Resolution

This Agreement will be governed by and construed in accordance with the laws of India. The Parties shall refer any disputes arising between them which relate to this Agreement or transactions contemplated hereby to a sole arbitrator to be jointly appointed by the Parties. In the event the Parties are unable to appoint a single arbitrator, then each Party shall have the right to appoint 1 arbitrator each and the third arbitrator shall be elected by the arbitrators so appointed by the Parties. The arbitration proceedings shall be governed by the Arbitration and Conciliation Act, 1996 and shall be conducted in the English language. The venue of arbitration shall be New Delhi. Subject to the aforesaid arbitration provision, each Party agrees that the courts at New Delhi shall have exclusive jurisdiction.

10 Amendments

No provisions of this Agreement shall be amended or altered in any way unless made in writing and duly executed by authorized representatives of each of the Service Recipient and the Service Provider.

11 Notices and Advice

11.1 Any notice or other document to the Service Recipient and Service Provider to be given under this Agreement shall be in writing and shall be deemed duly given if sent by hand-delivery, pre-paid post, courier, facsimile or email to the following addresses:

Service Recipient:

Email: harshit.agarwal@sunstone.in

11.2 All notices given pursuant to this Agreement, shall be in writing and shall be deemed to be served as follows:

11.2.1 In the case of any notice delivered by hand, when so delivered;

11.2.2 If sent by pre-paid post or courier, on the 5th clear day after the date of posting;

11.2.3 In the case of any notice sent by facsimile, upon the receipt of a confirmation copy at the sender's facsimile machine; and

11.2.4 If sent by e-mail, 24 hours after the mail is sent by either Party to the other Party at the above respective addresses

12 FORCE MAJEURE

12.1 Neither Party shall be liable to the other Party if and to the extent that the performance or delay in performance of any of its obligations under this Agreement is prevented, restricted, delayed or interfered with due to circumstances beyond the reasonable control of such Party, including changes in Law, fire, flood, storm, explosion, epidemics or pandemics, accident, acts of God, acts of terrorism, war, civil commotion, riots, strikes, lockouts, labour dispute or other concerted act of workmen, acts of Government and/or shortage of material ("Force Majeure Event").

12.2 The Party claiming a Force Majeure Event shall promptly notify the other Party in writing, and provide full particulars of the Force Majeure Event, the cause and the date of first occurrence thereof, as soon as possible after the Force Majeure Event and also keep the other Party informed of any further developments.

12.3 The Party so affected by a Force Majeure Event shall use its best efforts to remove the cause of non-performance, and the Parties shall resume performance hereunder with the utmost dispatch when the Force Majeure Event is resolved.

13 Counterparts

This Agreement may be executed in counterparts, each of which, when so executed and delivered, shall be deemed an original instrument, but all of which together shall constitute a single agreement.

14 Severability

Each clause of this Agreement constitutes a separate and distinct undertaking, covenant and/or provision. In the event that any provision of this Agreement shall be finally determined to be unlawful, such provision shall be deemed severed from this Agreement, but every other provision of this Agreement shall remain in full force and effect, and in substitution for any such provision held unlawful, there shall be substituted by mutual consultation and agreement of the Parties hereto a provision of similar import reflecting the original intent of the Parties to the extent permissible under the Applicable Laws.

15 Assignment

This Agreement shall be binding upon and endure to the benefit of the Parties hereto and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned to any third party, unless otherwise agreed in writing by both the Parties.

16 No Agency

It is clearly understood and accepted by the Parties that this Agreement and the contract between the Parties evidenced by it are on "principal to principal" basis and nothing herein contained shall be construed or understood as constituting either Party hereto the agent or representative of the other under any circumstances and neither Party shall have the right to assume, create or incur any liability or any obligation of any kind, express or implied, against or in the name of or on behalf of the other Party.

17 Survival

The termination or expiration of this Agreement shall not affect any of the provisions of the Agreement which are expressly or by implication to come into effect or to continue in force after such termination or expiration.

IN WITNESS, the undersigned have executed this Agreement as of the day and year first above written.
