NOTICE

Dear Students,

We are delighted to announce the upcoming National-Level Technical Symposium, "SKH's **TECHNOFEST 2023**," which promises to be an exciting and enriching experience for all participants. This symposium is scheduled to take place on May 13, 2023, and we extend a warm invitation to all students to be a part of this prestigious event.

We believe that this symposium is an excellent opportunity for students to expand their horizons, connect with experts, and gain valuable insights into the rapidly evolving world of technology.

To register for SKH's **TECHNOFEST 2023** or to learn more about the event, please visit www.sapkalknowledgehub.org or contact our organizing committee at

gns_engineering@sapkalknowledgehub.org or mobile no. 9423696542.

Join us in making SKH's **TECHNOFEST 2023** a grand success and a memorable experience. Your participation and enthusiasm will contribute to the success of this event.

We look forward to your presence and active involvement in SKH's **TECHNOFEST 2023**.

Sincerely,

G. Notes (Optional)

Though the Syllabus of SPPU included some of the subjects of Computer and Electrical branches of Engineering we like to suggest the university to include some of the Mechanical, Civil Engineering and Agriculture subjects so that by fusion of the knowledge students of Electronics Engineer can able to solve any problem in any era, which gives rise to Innovation and Entrepreneurship.
