Description / Explanation of the Program:

Department of Electrical engineering organized One day seminar on occasion of "National Youth Day" for all students in campus. Students actively present for the seminar. On 12 January 2023, "National Youth Day" be organized with the objective to bring diverse cultures of India and integrate them into a united thread of 'Ek Bharat Shreshthha Bharat', through an immersive and interactive approach.

Every student get information and knowledge about Swami Vivekananda. National Youth Day is celebrated every year on 12th January to mark the birth anniversary of Swami Vivekananda who was one of the most prominent leaders and among the people who believed in the potential of the youth in Indian history.

Points Discussed during the Seminar by Expertee:

6 ways of self realization by Swami Vivekanand

1. Peace and self restrain:

To remove the mind from sense objects and to remove the sence from their objects.

2. Faith:

To have unshakable belief in the supreme being. Be confident and face every situation with faith in the supreme being.

3. Dispassion:

To be dispassionate towards wordly affairs.

4. Tolerance:

To be indifferent to and tolerate the dualities like heat and cold

5. Resolute action:

To practice settling the mind in the supreme being.

6. Desire of liberation :

To be desirous of libration or final emancipation.

Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.

No man is to be judged by the mere nature of his duties, but all should be judged by the manner and the spirit in which they perform them. Absolute equality, that which means a perfect balance of all the struggling forces in all the planes, can never be in this world.

The main purpose of celebrating this day is to provide direction to our youth at the national level along with motivating them towards nation-building. In this seminar, we have discussed National Youth Day's history, theme, and significance.

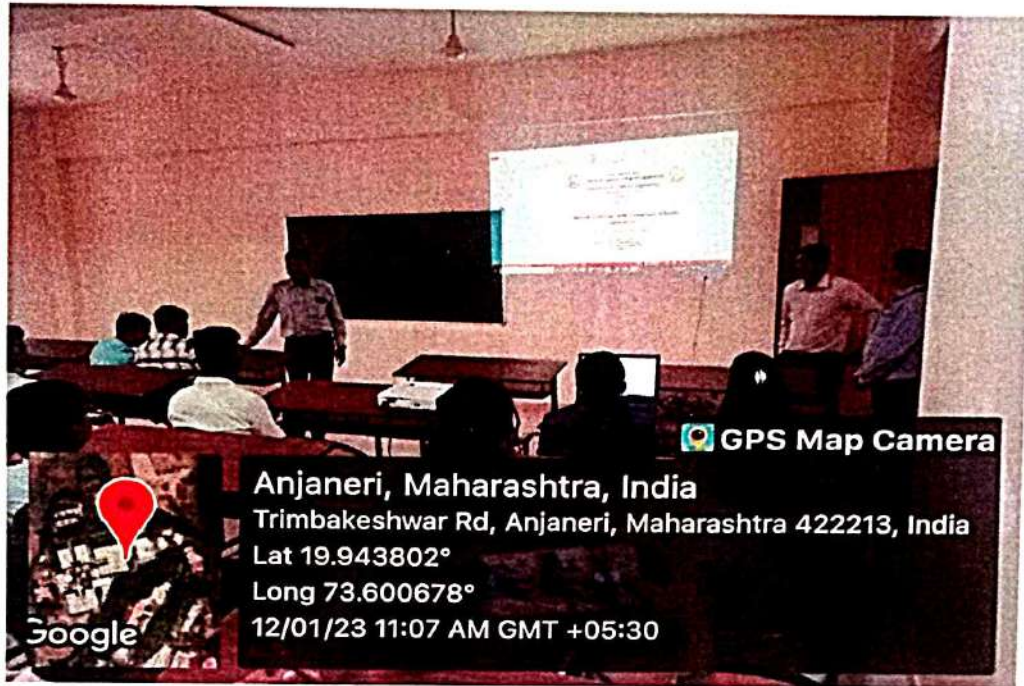

Swami Vivekananda is a man of wisdom, and faith, a true philosopher whose teachings not only motivated youth but also paved the way for the development of the country. So, that is why 12 January is celebrated as a National Youth Day every year in India with joy and enthusiasm.

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted "National Youth Day" the occasion of Birth Anniversary of Swami Vivekananda on 12 January 2023.

On behalf of our institute we take this opportunity to express our appreciation to you for "National Youth Day". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,

With warm regards.

PROGRAM REPORT

Title of the Program: "National Safety Day–Training on safety during fire."

Date: From 11/03/2023 to 11/03/2023

Duration: 1 day

Venue: Workshop, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: 57

Program Objectives:

On 4th March of every year, India celebrates National Safety Day to promote safety, health, and well-being at work and in the communities around it. In addition to promoting safety, it also demonstrates the importance of creating a culture of safety that protects individuals and organizations alike, and taking proactive measures to prevent fire, accidents and injuries.

Summary of the Program:

The National Safety Day (NSD) is celebrated every year on the 4th of March for the week to commemorate the foundation of the National Safety Council (NSC) of India.

It is a day dedicated to promoting safety awareness and reducing the number of accidents that occur in the workplace and other areas of daily life. The day is observed by organizations and institutions across the country, with the aim of raising awareness about the importance of safety and encouraging people to take steps to prevent accidents. The day encourages the participation of different sectors at different levels.

This year, the theme of National Safety Day is 'Our Aim- No harm'.

One of the key objectives of National Safety Day is to promote a safety culture. A safety culture is a set of shared attitudes, values, and beliefs that prioritize safety above all else. When a safety culture is established, it becomes second nature for individuals to take precautions and make safety a top priority. This, in turn, can help to reduce the number of accidents due to fire that occur.

On this occasion, **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering jointly with Mechanical Students Association and IQAC cell conducted a**

training session on safety during fire among the Students and staff on 11th March 2023. In this Mr. Ganesh Andure, Nilesh Enterprise, Nashik Cultivating safety measures during fire with precautions and training on how to use fire extinguisher. Overall, the session was a great success.

PROGRAM REPORT

Title of the Program: Independence Day Celebration

Number of Day : One day

Date of Conduction : 15/08/2023

Venue: Engineering Canopy and Amphitheatre.

Number of Participants: 90

Male: 50

Female: 40

Description / Summary of the Program:

As we celebrate India's 77th Independence Day 2023 on August 15, it's a moment to reflect on our incredible journey as a nation. We're celebrating the spirit that has shaped our diverse land into a thriving democracy. This day is a tribute to the sacrifices of our ancestors and a reminder of the ideals that bring us together.

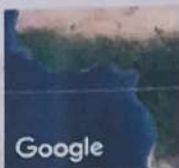

The Late G.N. Sapkal College of Engineering enthusiastically and with great pride observed the 77th Independence Day. In honour of the occasion, the college campus was exquisitely decked with flags and balloons. At 9:00 a.m., all of the students, teachers, and non-teaching staff assembled on the college amphitheater. At 9.55 a.m., the programme started, and Dr. Rajesh Kasar, the physical director, welcomed all of the attendees. We sang the national anthem and the flag song jointly as the chairman and managing director of Sapkal Knowledge Hub Hon'ble Dr. Ravindra Sapkal and vice chairman Mrs. Kalyani Sapkal raised the flag. Miss Reedha, one of our students, gave a brief introduction to the day. The delivery of our chairman's profoundly enlightening and patriotic speech touched everyone's emotions. There were speeches by teachers, the Principal, and the chief guest. There was a feeling of pride and patriotism in everyone's heart. The program was concluded with a vote of thanks. The staff and students were given sweets at the conclusion of the program.

Description / Explanation of the Program:

Department of Electrical engineering organized One day seminar on "Enrichment of life through books" on occasion of "World book Day." for all students in campus. Students actively present for the seminar.

World Book Day is celebrated annually on April 23 to promote love for reading, writing, publishing, and copyright globally. It is significant in raising awareness of literacy and education and encourages reading.

World Book Day was established by the United Nations Educational, Scientific and Cultural Organization (UNESCO) on April 23, 1995. This date is chosen because it is the anniversary of the death of William Shakespeare and prominent Spanish chronicler Inca Garcilaso de la Vega.

When vocabulary and writing were developed thousands of years ago, clay tablets were used. This evolved into parchment and papyrus. The first form of a book was achieved by the Chinese in the 3rd century, although their books consisted of thick pages, made out of bamboo, that were stitched together. By the mid-15th century, the printing press revolutionized books to become what they are today and made them readily accessible for everyone.

Our mission is to make awareness about reading for pleasure, offering every child and young person the opportunity to have a book of their own. Reading for pleasure is the single biggest indicator of a child's future success – more than their family circumstances, their parents' educational background or their income. We want to see more children, particularly those from disadvantaged backgrounds, with a life-long habit of reading for pleasure and the improved life chances this brings them.

One hundred countries observe that World Book Day, Children who regularly read for enjoyment have higher test scores, develop a broader vocabulary, increased general knowledge and a better understanding of other cultures than their non-reading counterparts. Whether you read traditional paperbound books or turn to your Kindle/iPad/whatever, reading's a passport to this and many other worlds. Support children with such good habits and make sure they gather the right information from what they read online.

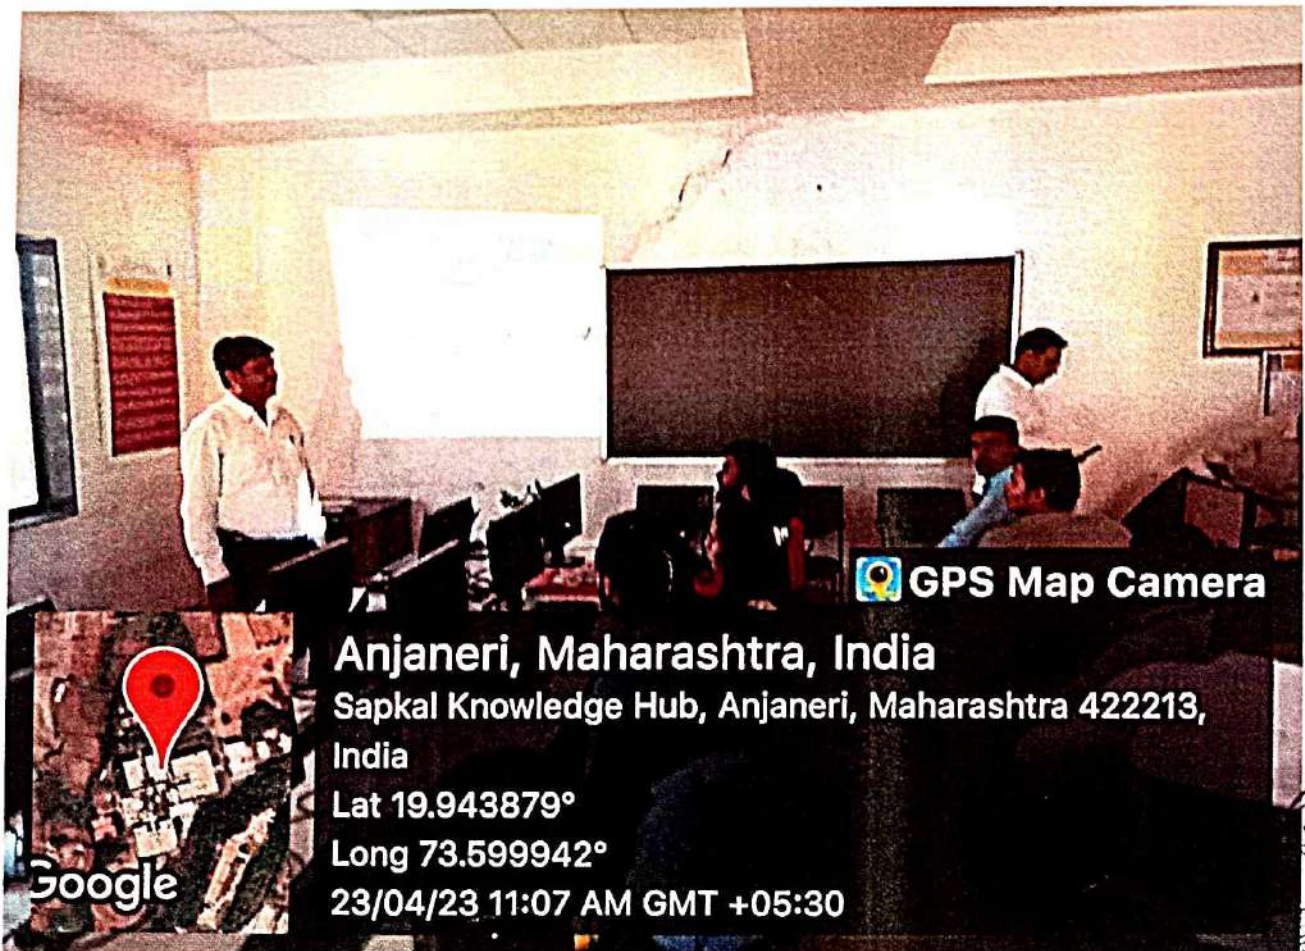

All staff of Electrical department was present for this program. Thus overall, the event was a great success.

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted "Enrichment of life through books" on occasion of World book Day on 23 April 2023.

On behalf of our institute we take this opportunity to express our appreciation to you for "World book Day". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,

With warm regards.

NOTICE

All the staff members and students are here by informed that on the occasion of "World Cancer Day- 2023", Department of Mechanical Engineering jointly with Mechanical Students Association and IQAC cell conducted a quiz and creates awareness about cancer by videos created by Medanta and a short video on World cancer day theme 2023.

All are requested to participate in quiz using following link;

Video Link and information as below;

1. Close the Care Gap| World Cancer Day 2023- Medanta

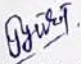

Each country in the world faces the threat of cancer, one of the leading causes of premature death. With cancer comes mental trauma, both for the patient and their family. Ignoring symptoms, delaying diagnosis, and gaining access to the right treatment are some topics that, if addressed, can help close the care gap. This World Cancer Day, watch Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer.

Program Objectives: Close the Care Gap: Uniting our voices and taking action

This World Cancer Day, we recognize the power of working together. We know that every single one of us has the ability to make a difference, large or small, and that together we can make real progress in reducing the global impact of cancer. This 4-11 February week, we call on you, whoever and wherever you are, to play your part in creating awareness for a cancer-free world using an online platform.

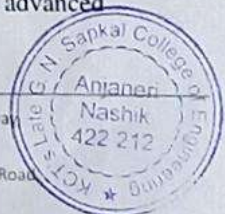

Summary of the Program:

Cancer is a condition in which some cells in the body develop uncontrollably and spread to other parts of the body. Globally, cancer is the leading cause of mortality, accounting for over one crore deaths in 2020. In India, the incidence rate was reported between 19 and 20 lacks (estimated) cases in 2022. Usage of Tobacco, prolonged consumption of alcohol, unhealthy food habits, lack of physical exercise, and exposure to air pollution are all risk factors for cancer.

In developing countries, too, the lack of cancer awareness leads to delay in diagnosis. The majority of cancer patients seek treatment for the first time only when they are in their advanced

stages. The literacy rate and low income greatly influence cancer awareness. In India, people with higher incomes and literacy levels were more aware of cancer than others.

To conclude, general awareness of cancer screening, prevention, and treatment is low among the Indian and global populations, especially in low and middle-income with poor literacy rates leading to an increase in cancer prevalence, and there is an urgent need to fill the lacunae with proper education. World Cancer Day brings attention to how important it is to prevent cancer, find it early, and treat it.

To create the awareness about the head and neck cancer among staffs and students we use the online available videos of Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer (https://www.youtube.com/watch?v=FxqJY_8jdzo) and what is the World Cancer Day theme? (<https://www.youtube.com/watch?v=0Zx2H5Fkd0k>). Also, to motivate the student and staff to gather more information about cancer, we have conducted a quiz related to cancer.

On this occasion, **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering jointly with Mechanical Students Association and IQAC cell conducted a Quiz and creates awareness about cancer**, among the Students and staff from 08/02/2023 to 11/02/2023.

We were grateful to head of department for Prof. T. Y. Badgujar. His facilities extended during this event and for his personal interest and inspiration.

We wish to express our profound thanks Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering, Nasik for providing necessary facilities to make this event success.

Close the Care Gap| World Cancer Day 2023- Medanta

Each country in the world faces the threat of cancer, one of the leading causes of premature death. With cancer comes mental trauma, both for the patient and their family. Ignoring symptoms, delaying diagnosis, and gaining access to the right treatment are some topics that, if addressed, can help close the care gap. This World Cancer Day, watch Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer.

Number of Day(s): 1 day

Dates(s) of Conduction: 26-11-2022

AY 2022-23

Venue: Computer Class Room

Number of Participants: 75

Program Objectives:

1. To spread awareness on the importance of the Indian Constitution.
2. To acknowledge the contributions of its architect, Dr B R Ambedkar.

Late G. N. Sapkal College of Engineering, Nashik celebrated the Indian Constitution Day with Pledge Ceremony on 26th November 2022. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Nation celebrates 26th November every year as 'Constitution Day' or 'Samvidhan Divas'. A Pledge ceremony with preamble to the Constitution was organised on this occasion in the presence of staff and students at Late G. N. Sapkal College of Engineering, Nashik.

Staff members and students from all the departments were present for the said event. Dr. N. R. Wankhade, HOD, Computer, elaborated the importance of the day.

Description / Explanation of the Program:

Department of Electrical engineering organized One day seminar on occasion of **“National Youth Day”** for all students in campus. Students actively present for the seminar. On **12 January 2022**, **“National Youth Day”** be organized with the objective to bring diverse cultures of India and integrate them into a united thread of ‘Ek Bharat, Shreshtha Bharat’, through an immersive and interactive approach.

Every student get information and knowledge about Swami Vivekananda. National Youth Day is celebrated every year on 12th January to mark the birth anniversary of Swami Vivekananda who was one of the most prominent leaders and among the people who believed in the potential of the youth in Indian history.

Points Discussed during the Seminar by Expertee:

6 ways of self realization by Swami Vivekanand

1. Peace and self restrain:

To remove the mind from sense objects and to remove the sence from their objects.

2. Faith:

To have unshakable belief in the supreme being. Be confident and face every situation with faith in the supreme being.

3. Dispassion:

To be dispassionate towards wordly affairs.

4. Tolerance:

To be indifferent to and tolerate the dualities like heat and cold

5. Resolute action:

To practice settling the mind in the supreme being.

6. Desire of liberation :

To be desirous of libration or final emancipation.

Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.

No man is to be judged by the mere nature of his duties, but all should be judged by the manner and the spirit in which they perform them. Absolute equality, that which means a perfect balance of all the struggling forces in all the planes, can never be in this world.

The main purpose of celebrating this day is to provide direction to our youth at the national level along with motivating them towards nation-building. In this seminar, we have discussed National Youth Day's history, theme, and significance.

Swami Vivekananda is a man of wisdom, and faith, a true philosopher whose teachings not only motivated youth but also paved the way for the development of the country. So, that is why 12 January is celebrated as a National Youth Day every year in India with joy and enthusiasm.

All the staff of Electrical department were present for this program. Thus overall, the event was a great success.

Subject: - Conduction & Appreciation Letter

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted "National Youth Day" the occasion of Birth Anniversary of Swami Vivekananda on 12 January 2023.

On behalf of our institute we take this opportunity to express our appreciation to you for "National Youth Day". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Title of the Program: Constitution Day Ceremony

Number of Day(s): 1 day

Dates(s) of Conduction: 26-11-2021

AY 2021-22

Venue: Computer Class Room

Number of Participants: 56

Program Objectives:

1. To spread awareness on the importance of the Indian Constitution.
2. To acknowledge the contributions of its architect, Dr B R Ambedkar.

Late G. N. Sapkal College of Engineering, Nashik celebrated the Indian Constitution Day with Pledge Ceremony on 26th November 2021. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Nation celebrates 26th November every year as 'Constitution Day' or 'Samvidhan Divas'. A Pledge ceremony with preamble to the Constitution was organised on this occasion in the presence of staff and students at Late G. N. Sapkal College of Engineering, Nashik.

Staff members and students from all the departments were present for the said event. Dr. N. R. Wankhade, HOD, Computer, elaborated the importance of the day. The Oath was taken by all the students and faculties present for the event.

Description / Explanation of the Program:

Department of Electrical engineering organized One day seminar on occasion of "Human Rights Day" for all students in campus. Students actively present for the seminar. In that, mam tell the importance of Gender equality. Gender equality prevents violence against women and girls. It's essential for economic prosperity. Societies that value women and men as equal are safer and healthier. Gender equality is a human right. A just society should provide equal opportunities for all its residents, irrespective of race or gender. "These men ask for just the same thing: fairness, and fairness only. This is, so far as in my power, they, and all others, shall have.

Women's Safety Rights You Need To Be Aware Of Right Against Being Stalked, Right Against Workplace Harassment, Right Against Domestic Violence, Right Against Dowry, Right to Free Legal Aid, National Commission for Women Act, 1990, Right

Not To Be Arrested At Night, Right To Anonymity. Also these include the right to live free from violence and discrimination; to enjoy the highest attainable standard of physical and mental health; to be educated; to own property; to vote; and to earn an equal wage.

Here are eight different ways you can help us support women's movements across the globe and ensure the rights of all women are respected, valued and realized. Raise your voice, Volunteer, Start a fundraiser, Attend marches and protests, Donate to women's movements and organizations, Shop smartly, Challenge events.

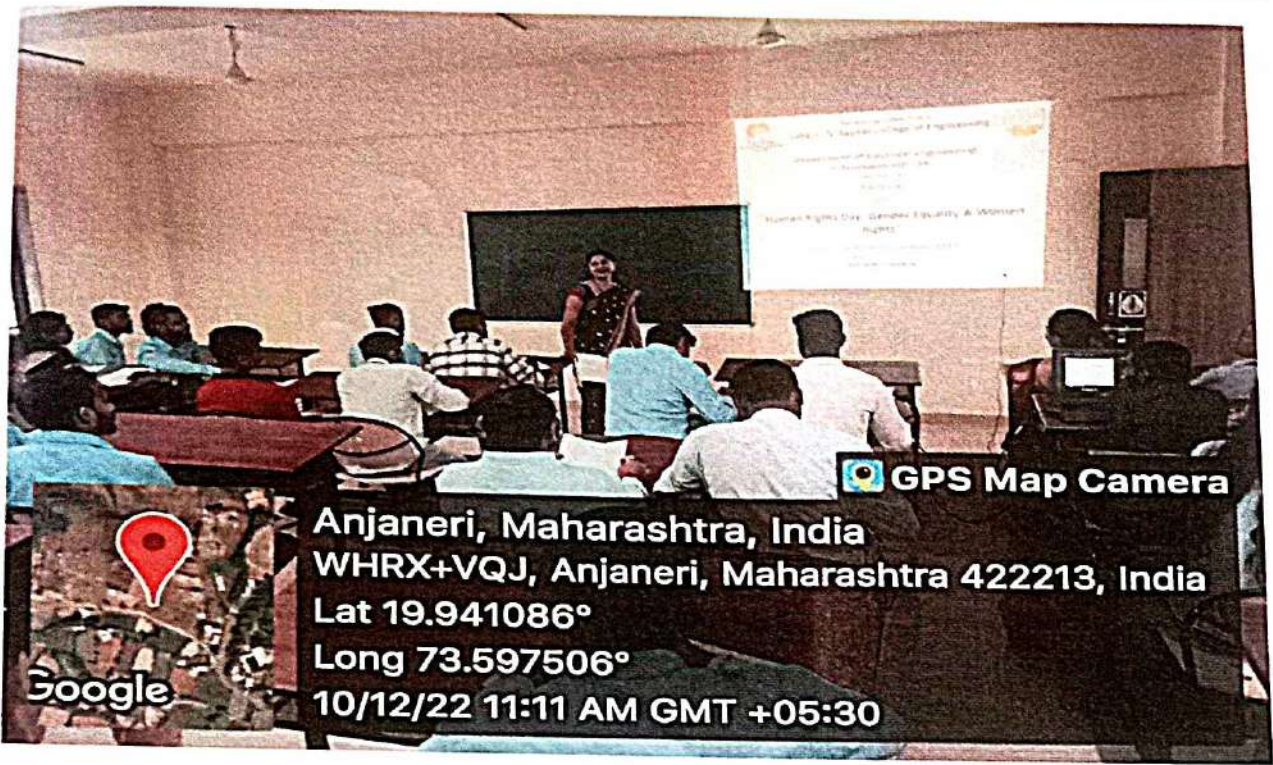

Prof. S. S. Tidke, Prof. P.R.Gajare, Prof. R. U. Pawar & other staff of Electrical department were present for this program. Thus overall, the event was a great success

Subject: - Conduction & Appreciation Letter

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of Engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell conducted **Human Right Day on topic "Gender Equality and Woman Rights"**

On behalf of our institute we take this opportunity to express our appreciation to you for **"Human Right Day"**. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you for your presence & acceptance our invitation.

Thanking You,

With warm regards.

Title of the Program: Independence Day Celebration

Number of Day : 1 day

Date of Conduction : 15/08/2022

Venue: Engineering Canopy and Amphitheatre.

Number of Participants: 50

Male: 30

Female: 20

Description / Explanation of the Program:

India celebrates its 76th Independence Day as 'Azadi Ka Amrit Mahotshav' to commemorate its freedom. 15th August, 2022 was a day of immense pride and joy for all Indians. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, to bring us the freedom, peace, and joy. Late G.N. Sapkal College of Engineering celebrated the 76th Independence Day with great pride and enthusiasm.

The college campus was beautifully decorated with flags and balloons to commemorate the day. All the students' teachers, non-teaching staff gathered in the college premises at 8.00 a.m. The program started at 8.05 a.m. Prof. Kasar welcomed all the members present for the function. After that Respected Vice chairman of Sapkal Knowledge Hub Mrs. Kalyani Sapkal hoisted the Flag and we sang flag song and National Anthem together. Prof. K.W.Kale gave brief introduction of the day. Everyone's hearts were moved with the delivery of our chairman's deeply enriching and patriotic speech.

There were speeches by teachers, the Principal, and the chief guest. There was a feeling of pride and patriotism in everyone's heart. The program was concluded with a vote of thanks. At the end, sweets were distributed to the students.

PROGRAM REPORT

Title of the Program: "National Safety Day Awareness Program."

Date: From 04/03/2022 to 04/03/2022

Duration: 1 day

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: Female = 4 Male = 49

Program Objectives:

National Safety Day is celebrated every year on the 4th of March. The day aims to highlight the importance of following safety regulations and measures in order to avoid workplace mishaps. The motive behind celebrations of this day is to create awareness and commitment to working safely. These also include road safety, workplace safety, human health and environmental safety.

Summary of the Program:

The National Safety Day (NSD) is celebrated every year on the 4th of March to commemorate the foundation of the National Safety Council (NSC) of India.

This year, the theme of National Safety Day is 'Nurture young minds-Develop a safety culture'. The theme, last year, was "Sadak Suraksha". Every year the day is celebrated with different themes.

The Ministry of Labor and Employment held an industrial safety conference in India. They established the council to implement a voluntary routine for the safety, health and the environment. Later, the importance of the day was realized and since then the day is being celebrated. The first-ever National Safety Day was celebrated in 1972.

The day encourages the participation of different sectors at different levels.

This also involves employees in various activities related to safety to create more awareness about safety and motivates employers and others of their responsibility in making the workplace safer.

The day encourages various organizations to find dangers in workplaces, in societies, in public places that are common to citizens and reduce them.

At this occasion of National Safety Day, staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** conducted a program for awareness among the Students, 4th March 2022. In this program Prof. P. D. Jadhav, Prof. P. S. Talmale, Prof C.P. Shinde, Prof K W Kale, Prof S. S. Kushare created the awareness about road safety, workplace safety, human health and environmental safety.

Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE, Prof. J. R. Mahajan, Prof. M. V. Jadhav, Prof. F. U. Pathan, Prof. R. R. Chaudhari, MESA coordinator, Mr. P.R. Bhadane, Mr. S. S. Kondhar of Mechanical department were present for this program.

Thus overall, the event was a great success.

PROGRAM REPORT

Title of the Program: "World Cancer Day Awareness Program."

Date: From 23/02/2022 to 23/02/2022

Duration: 1 day

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: Female = 4 Male = 48

Program Objectives:

World Cancer Day takes place every year on 4 February. World Cancer Day aims to prevent millions of deaths each year by raising awareness and education about cancer, and pressing governments and individuals across the world to take action against the disease. World Cancer Day is led by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

Summary of the Program:

World Cancer Day is an international day marked on 4th of February to raise awareness of cancer and to encourage its prevention, detection, and treatment. World Cancer Day is led by the Union for International Cancer Control (UICC). This year's World Cancer Day's theme "Close the Care Gap" is all about raising awareness of this equity gap that affects almost everyone, in high as well as low- and middle-income countries, and is costing lives.

By raising students awareness, improving education and catalyzing personal, collective, and government action, we're working together to re-imagine a world where millions of preventable cancer deaths are saved and access to lifesaving cancer treatment and care is equal for all—no matter who you are or where you live. The day encourages the participation of different sectors at different levels.

At this occasion of World Cancer Day, staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** conducted a program for awareness among the Students, 23th Feb 2022. In this program Mr. Yogesh Joshi, Training and Placement officer created the awareness about preventions to be taken, strengthening primary health care delivered in communities etc

Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE, Prof. P. D. Jadhav, Prof. R. R. Chaudhari, MESA coordinator, Prof. J. R. Mahajan, Prof. P. R. Chakule, Prof. M. V. Jadhav, Prof. C. P. Shinde of Mechanical department were present for this program. Thus overall, the event was a great success under the Guidelines of Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering, Nashik.

AY 2019-20

Venue: Computer Class Room

Number of Participants: 97

Program Objectives:

1. To spread awareness on the importance of the Indian Constitution.
2. To acknowledge the contributions of its architect, Dr B R Ambedkar.

Late G. N. Sapkal College of Engineering, Nashik celebrated the Indian Constitution Day with Pledge Ceremony on 26th November 2019. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Nation celebrates 26th November every year as 'Constitution Day' or 'Samvidhan Divas'. A Pledge ceremony with preamble to the Constitution was organised on this occasion in the presence of staff and students at Late G. N. Sapkal College of Engineering, Nashik.

Staff members and students from the departments were present for the said event. Dr. N. R. Wankhade, HOD, Computer, elaborated the importance of the day.

Constitution Day Pledge

WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens: JUSTICE, social, economic and political; LIBERTY of thought, expression, belief, faith and worship; EQUALITY of status and of opportunity; and to promote among them all FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation; IN OUR CONSTITUENT ASSEMBLY this 26th day of November, 1949, do HEREBY ADOPT, ENACT AND GIVE TO OURSELVES THIS CONSTITUTION.

Description / Explanation of the Program:

India celebrates its 75th Independence Day on 15th August, 2021 was a day of immense pride and joy for all Indians. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, to bring us the freedom, peace, and joy. Late G.N. Sapkal College of Engineering celebrated the 75th Independence Day with great pride and enthusiasm.

The college campus was beautifully decorated with flags and balloons to commemorate the day. All the students' teachers, non-teaching staff gathered in the college premises at 8.00 a.m. The program started at 8.05 a.m. Prof.Kasar welcomed all the members present for the function. After that Respected chairman of Sapkal Knowledge Hub Hon.Ravindra Sapkal hoisted the Flag and we sang flag song and National Anthem together. Prof. K.W.Kale gave brief introduction of the day. Everyone's hearts were moved with the delivery of our chairman's deeply enriching and patriotic speech.

There were speeches by teachers, the Principal, and the chief guest. There was a feeling of pride and patriotism in everyone's heart. The program was concluded with a vote of thanks. At the end, sweets were distributed to the students.

PROGRAM REPORT

Title of the Program: "Road Safety Awareness Program. (Road Safety Week)"

Date: From 23/01/2020 to 23/01/2020 **Duration:** 1 days

Venue: Trimbakeshwar

Details of Participants: Female = 4 Male = 90

Program Objectives:

A road safety week is conducted in order to create awareness among the public regarding traffic rules and to reduce casualties of road accidents. Due to lack of awareness, many lose their lives and leads to pain and sufferings. It is celebrated with great enthusiasm every year. Similarly, it was celebrated this year from 11th January to 17th January 2020. The theme of the road safety week was "Sadak Suraksha-Jeevan Raksha."

Summary of the Program:

At this occasion of Road Safety Week, Staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** along with Students organizes Road safety Awareness program at Trimbakeshwar on 23rd January 2020. In this program events like rally about awareness of Road Safety, Awareness through poster and Felicitation of people who followed traffic rules, by offering Rose Flower were conducted. Also Traffic Police Department worked to spread awareness among the public.

Mr. R. T. Karpe A.P.I. Trimbakeshwar, Mr. P. B. Jadhav A.S.I. Trimbakeshwar, Mr. S. R. Chavan H.C. Trimbakeshwar, Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE. Prof. M. V. Jadhav. Prof. K. W. Kale. Prof. Y. D. Tambe. Prof. R. R. Chaudhari. MESA coordinator, Mr. Akash Ajabe MESA President and all faculty members of Mechanical Department were present for this programs.

The identified major road junctions for the programs were:

1) Trimbakeshwar- Javhar Road Junction.

2) Rally in Trimbakeshwar.

The road junction programs focused on general road safety issues for the masses. The issues, which were taken up for spreading awareness, were:

- The need for wearing helmet for both, the riders and the pillion riders
- Not using mobile phones while driving
- Not crossing Zebra Lines at signals or stopping vehicles on Zebra lines
- Signal jumping or avoiding signal jumping
- Overloading of school auto rickshaws or avoiding sitting in an overloaded auto rickshaw.
- Wearing of seat belts.

Thus overall, the event was a great success.

Title of the Program: Constitution Day Ceremony

Number of Day(s): 1 day

Dates(s) of Conduction: 26-11-2018

AY 2018-19

Venue: Computer Class Room

Number of Participants: 97

Program Objectives:

1. To spread awareness on the importance of the Indian Constitution.
2. To acknowledge the contributions of its architect, Dr B R Ambedkar.

Late G. N. Sapkal College of Engineering, Nashik celebrated the Indian Constitution Day with Pledge Ceremony on 26th November 2018. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Nation celebrates 26th November every year as 'Constitution Day' or 'Samvidhan Divas'. A Pledge ceremony with preamble to the Constitution was organised on this occasion in the presence of staff and students at Late G. N. Sapkal College of Engineering, Nashik.

HOD, Staff members and students from all the departments were present for the said event. Dr. N. R. Wankhade, HOD, Computer, elaborated the importance of the day.

Number of Day : 1 day

Date of Conduction : 15/08/2019

Venue: Engineering Canopy and Amphitheatre.

Number of Participants: 100

Male: 60

Female: 40

Description / Explanation of the Program:

India celebrates its 73th Independence Day on **15th August, 2019** was a day of immense pride and joy for all Indians. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, to bring us the freedom, peace, and joy. Late G.N. Sapkal College of Engineering celebrated the 73th Independence Day with great pride and enthusiasm.

The college campus was beautifully decorated with flags and balloons to commemorate the day. All the students' teachers, non-teaching staff gathered in the college premises at 8.00 a.m. The program started at 8.05 a.m. Prof.Kasar welcomed all the members present for the function. After that Respected Vice chairman of Sapkal Knowledge Hub Mrs. Kalyani Sapkal hoisted the Flag and we sang flag song and National Anthem together. Prof. L.K.Chouthmol gave brief introduction of the day. Everyone's hearts were moved with the delivery of our chairman's deeply enriching and patriotic speech.

There were speeches by teachers, the Principal, and the chief guest. There was a feeling of pride and patriotism in everyone's heart. The program was concluded with a vote of thanks. At the end, sweets were distributed to the students.

Title of the Program: AIDS Awareness Poster Competition and Awareness Session

Date(s): From 22/08/2022 to 22/08/2022 **Duration:** 01 day

Venue: Mechanical Engineering Seminar Hall

Details of Participants: 70

Name of the Contact Persons: Mr. Yogesh Pardeshi, DPO, DAPCU, Civil Hospital Nashik, Mr. Yogesh Khurdal, Program Supervisor, Civil Hospital Nashik.

Introduction:

On August 22, 2022, the NSS Department of Late G. N. Sapkal College of Engineering, in collaboration with the Red Ribbon Club of Maharashtra State AIDS Control Unit (DAPCU, District Hospital Nashik), organized a significant "Poster Competition" aimed at raising awareness about AIDS among students. This event sought to foster creativity while spreading essential knowledge about AIDS prevention and awareness.

Program Overview:

The Poster Competition was meticulously organized, with the participation of students from various institutes within the Sapkal Knowledge Hub. The competition provided an opportunity for students to express their creativity and engage in meaningful discussions about AIDS. Distinguished guests, including our Principal, Dr. S. B. Bagal, and experts in the field, added depth and insight to the event.

Event Highlights:

The core theme of the competition was "AIDS Awareness." Students were tasked with creating visually captivating posters that conveyed vital messages related to AIDS prevention, understanding, and compassion for those affected by the disease. These posters served as effective tools to convey complex issues in a visually engaging manner.

Mr. Yogesh Pardeshi, the District Programme Officer (DPO) of District Hospital Nashik, delivered a comprehensive and informative session on AIDS. His expertise and insights provided attendees with a deeper understanding of AIDS, including its transmission, prevention, and treatment. His presence greatly enriched the students' knowledge of AIDS-related issues.

Dr. Mandakini Barve, the Medical Superintendent at SHD, Trimbakeshwar, made significant contributions to the event. Her presence underscored the importance of medical awareness and healthcare in the fight against AIDS. Her insights were invaluable in highlighting the healthcare aspect of AIDS awareness. Also We would like to acknowledge the presence of Mrs. Sunita Borse from DAPCU, Nashik, who also joined us for this event.

We are also pleased to recognize the presence of Mr. Yogesh Khurdal, District Supervisor from District Hospital, who played a crucial role as the coordinator of the program from DAPCU, Nashik. His coordination and support were instrumental in the success of the event.

To recognize the students' contributions to AIDS awareness, certificates of participation were awarded to all participants. Additionally, the top two winners of the Poster Competition were acknowledged for their exceptional work. They received cash prizes along with certificates, serving as an incentive for students to actively engage in future awareness activities.

Winners

1st Prize – Mr. Mithun Adhe

2nd Prize – Ms. Sayyad Farida Afrin Shahbaj

Conclusion:

The "AIDS Awareness Poster Competition" was a remarkable event that successfully combined creativity with a crucial public health message. It played a vital role in educating students about AIDS and the importance of its prevention. We extend our heartfelt appreciation to our Principal, Dr. S. B. Bagal, for his unwavering support and encouragement for initiatives of this nature.

We also extend our gratitude to Mr. Yogesh Pardeshi, Dr. Mandakini Barve, Mrs. Sunita Borse, and Mr. Yogesh Khurdal for their invaluable contributions. Their presence and expertise enhanced the event's impact, leaving a lasting impression on the students. As organizers and participants, we are confident that this event will contribute to increased awareness, empathy, and understanding of AIDS-related issues within the Sapkal Knowledge Hub community.

PROGRAM REPORT

Title of the Program: NSS Day Celebration – Voter Awareness Program

Date(s): From 24/09/2022 to 24/09/2022 **Duration:** 01 day

Venue: Online Mode

Details of Participants: 64

Name of the Contact Person: Mr. Swapnil Sonawane, Election Nayab Tahsildar, Tahsil Office, Trimbakeshwar, Dist. Nashik.

Introduction:

The NSS Day program at KCT's Late G. N. Sapkal College of Engineering in Nashik was a momentous event that brought together students, faculty, and staff to commemorate the significance of the National Service Scheme (NSS). On 24 Sept. 2022, in an online setting, we celebrated the spirit of volunteerism, community engagement, and civic responsibility.

Program Overview:

The event comprised a series of engaging activities and informative sessions. Mr. Swapnil Sonawane, a respected figure from the Election department, graced the occasion as our esteemed guest speaker. His presence added depth to the program, enriching it with insights into voter rights and responsibilities.

Among the many memorable moments, Mr. Sonawane's presentation stood out. He passionately emphasized the importance of voter participation and educated attendees on how to register as new voters. His interactive approach allowed participants to ask questions and gain a deeper understanding of the electoral process.

During Mr. Sonawane's presentation, attendees learned about the various methods for voter registration, with a particular focus on online registration through dedicated applications and websites. Practical demonstrations were conducted to guide students step by step through the registration process, empowering them to exercise their democratic rights.

The program attracted a diverse audience, including students, faculty, and staff members. The virtual format allowed for broader participation, with more than 60 attendees actively engaging in the discussions and activities.

We were honoured to have Dr. S. B. Bagal, our college principal, and other staff members were present at the event. Their involvement demonstrated our institution's commitment to promoting civic engagement and community service. Dr. Bagal's words of encouragement and support inspired everyone present.

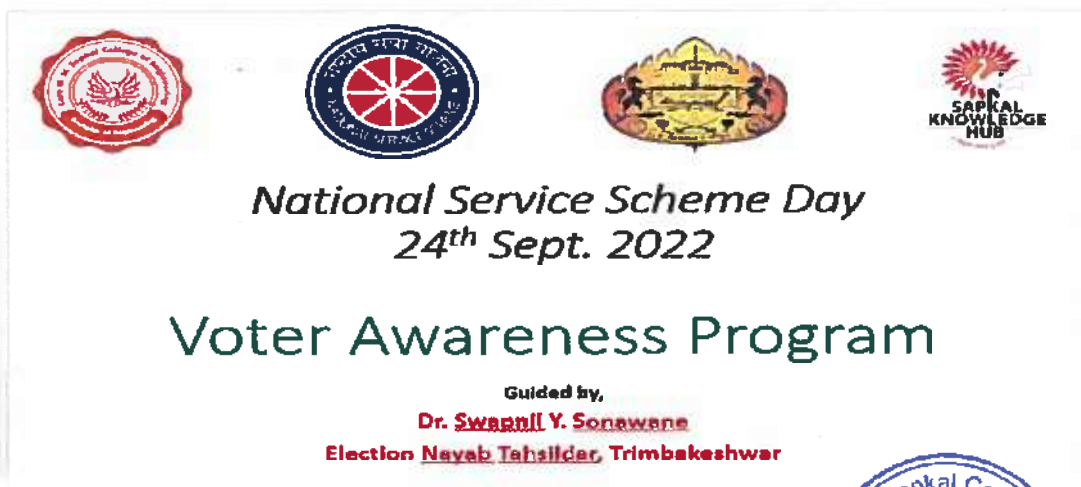

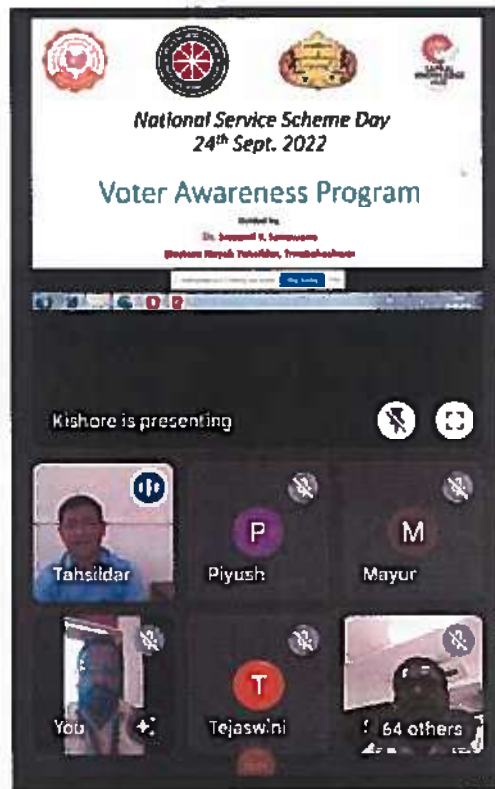

In response to the ongoing pandemic, the program was conducted online, using virtual platforms to connect participants seamlessly. This format not only ensured the safety of all involved but also allowed for a wider reach and accessibility.

Conclusion:

In conclusion, the NSS Day program at KCT's Late G. N. Sapkal College of Engineering was a resounding success. It achieved its goals of raising awareness about voter rights, responsibilities, and the importance of community service. This event served as a testament to our commitment to nurturing responsible citizens who actively participate in the democratic process.

PROGRAM REPORT

Title of the Program: “*Shivswarajya Din*” Celebration on 6th June 2022.

Date(s): From 06/06/2022 to 06/06/2022 **Duration:** 01 day

Venue: Sapkal Knowledge Hub Campus, Anjaneri.

Details of Participants: 250

Introduction:

On June 6, 2022, KCT's Late G. N. Sapkal College of Engineering, along with all the institutes within the Sapkal Knowledge Hub, came together to celebrate *Shivswarajya Din*, An initiative of govt. of Maharashtra to celebrate the Coronation Ceremony day of *Chhatrapati Shivaji Maharaj*. This celebration aimed to educate and inspire students about the life, achievements, and values of this great historical figure.

Program Overview: The *Shivswarajya Din* celebration was a well-organized and vibrant event, incorporating various activities to engage and educate students. The program was graced by the presence of Principal Dr. S. B. Bagal, along with distinguished counterparts from other institutes under the Sapkal Knowledge Hub.

Event Highlights:

- Shivaji Maharaj Procession:** The event commenced with a grand procession within the college campus, featuring a portrayal of Chhatrapati Shivaji Maharaj. The procession was a visual representation of the legendary warrior king's valor and leadership.
- Lecture Session by Mr. Amol Chine:** A lecture session on Chhatrapati Shivaji Maharaj was conducted, with Mr. Kiran Kale as the esteemed speaker. Mr. Chine provided valuable insights into Shivaji Maharaj's life, the historical context of his reign, and his enduring impact on Indian history. He shared fascinating facts and figures from that era, captivating the audience's attention and sparking their curiosity.
- Powada Recitation:** Students enthusiastically recited *Powada* in Marathi, a traditional form of balladry, to narrate the heroic exploits and greatness of Shivaji Maharaj. This cultural performance not only entertained but also instilled a deep sense of respect for Shivaji Maharaj's legacy.
- Participation of Sapkal Knowledge Hub Institutes:** The active participation of all institutes within the Sapkal Knowledge Hub demonstrated unity and solidarity in celebrating this important day. It highlighted the collective commitment to preserving and honouring the heritage of Chhatrapati Shivaji Maharaj.

Conclusion:

The *Shivswarajya Din* celebration at KCT's Late G. N. Sapkal College of Engineering on June 6, 2022, was a resounding success. It served as a platform to educate and inspire students about the life and achievements of Chhatrapati Shivaji Maharaj. The event combined historical significance with cultural performances, providing a holistic learning experience.

We would like to express our gratitude to Principal Dr. S. B. Bagal, the guest speaker Mr. Amol Chine, and the counterparts from other institutes for their presence and support in making this event memorable. It was heartening to witness the enthusiastic participation of students and staff from all institutes, and we believe that this celebration will continue to inspire and educate future generations.

As the NSS Program Officer, I extend my appreciation to all those involved in the planning and execution of this event, and I look forward to more such initiatives that contribute to our students' holistic development and cultural awareness.

Respected Sir/Madam
Greetings from Shriram Super speciality eye clinic.

As a social responsibility and as a part of the patient awareness programme, we conduct free eye check-up camps at various places. We do the primary screening of patients to diagnose problems and educate them about eye related queries.

Each patient is given free family coupon (for 4 persons)

We offer following benefits to patients when they come from camp with coupons.
Validity of the coupon is 36 days

1. Free OPD consultation coupons for family
2. Special 20% discount on Spectacles
3. Discount on Advanced Phacoemulsification cataract surgery
4. Discount on LASIK Refractive surgery

I request you to please allow us to conduct camp dated 26th May 2023 on your campus

So as to provide benefits of our services to your students and employees.

I kindly request you to please coordinate with Mr. Hemant (see phone no 8605010600 regarding the camp date

Thank you

PROGRAM REPORT

Title of the Program: Eye Check-Up Camp

Date(s): From 26/05/2023 to 26/05/2023 **Duration:** 01 days

Venue: Electrical Engineering Department Building

Details of Participants: 107

Name of the Contact Person: Mr. Hemant Ise, Marketing Head, Shriram Eye Clinic, Nashik

Introduction:

The National Service Scheme (NSS) Department of Late G. N. Sapkal College of Engineering, Anjaneri, in collaboration with Shriram Eye Clinic, Nashik, conducted an Eye Checkup Camp on 26 May 2023. The camp aimed to promote eye health awareness and provide comprehensive eye care services to the students and staff members of Sapkal Knowledge Hub.

Event Highlights:

- Camp Setup:** The eye checkup camp was set up in a designated area within the Sapkal Knowledge Hub campus. It featured registration counters, waiting areas, examination rooms, and a counselling section for patients.
- Professional Team:** A team of experienced ophthalmologists and support staff from Shriram Eye Clinic, Nashik, volunteered their expertise for the camp. Notably, Shriram Eye Clinic used advanced Augmented Reality (AR) machines for eye examinations, enhancing the accuracy and efficiency of the diagnostic process.
- NSS Volunteers:** A group of dedicated NSS volunteers played a crucial role in the camp's success. They actively participated in camp preparations, handled registrations, guided participants, and provided valuable assistance to the medical team.
- Participants:** A total of 107 participants, including students and staff members, availed the services provided at the eye checkup camp.
- Comprehensive Eye Examinations:** Shriram Eye Clinic's AR machines were used to conduct comprehensive eye examinations. These included visual acuity tests, refraction tests, intraocular pressure measurement, and a detailed examination of the anterior and posterior segments of the eye, all with the assistance of cutting-edge AR technology.
- Prescription and Counselling:** Participants received prescriptions for eyeglasses, if needed. Those with more serious eye conditions were given appropriate guidance and counselling on further medical intervention.
- Health Education:** Alongside eye examinations, informative sessions were conducted to educate participants about eye health, common eye problems, and preventive measures.
- Distribution of Information Materials:** Brochures and pamphlets containing valuable information about eye care and Shriram Eye Clinic's services were distributed among the participants.

Benefits and Impact:

The Eye Checkup Camp at Sapkal Knowledge Hub, featuring the use of advanced AR machines by Shriram Eye Clinic, had several significant benefits and impacts:

1. **Cutting-edge Technology:** The use of AR machines enhanced the accuracy of eye examinations, ensuring that participants received the most precise diagnoses and recommendations.
2. **Early Detection:** Many participants were able to detect eye problems at an early stage, thanks to the advanced diagnostic capabilities of the AR machines, crucial for timely treatment and prevention of vision loss.
3. **Awareness:** The camp raised awareness about the importance of regular eye checkups and maintaining eye health among the students and staff members, with a focus on the advanced technology used.
4. **Access to Healthcare:** The event provided easy access to quality eye care services, ensuring that participants received necessary medical attention, with NSS volunteers facilitating the process.
5. **Community Engagement:** The NSS volunteers' active involvement in the camp fostered a sense of community engagement and social responsibility among the participants, emphasizing the NSS department's commitment to service.

Conclusion:

The Eye Checkup Camp conducted by the NSS Department of Late G. N. Sapkal College of Engineering, in association with Shriram Eye Clinic, Nashik, was a resounding success, made even more impactful by the use of advanced AR machines for eye examinations. It not only offered essential eye care services to the participants but also promoted eye health awareness in the campus community. The event showcased the commitment of Sapkal Knowledge Hub towards the well-being of its students and staff members.

We extend our gratitude to Shriram Eye Clinic for their valuable support and commend the exceptional dedication and service provided by the NSS volunteers. Their involvement played a pivotal role in making this camp a success, and we look forward to their continued contributions in future health awareness camps.

PROGRAM REPORT

Title of the Program: Mission Yuva Swasth Vaccination drive college campus for college and nearby villagers.

Date(s): From 29/10/2021 Duration: 01 day

Venue: KCT's Late G. N. Sapkal COE, Sapkal Knowledge Hub Campus, Anjaneri.

Details of Participants: 20

Introduction:

The NSS Volunteers of KCT's Late G. N. Sapkal College of Engineering actively participated in the Mission Yuva Swasth vaccination drive, a collaborative initiative by the government of Maharashtra. The event took place at the Sapkal Knowledge Hub campus, where our institute played a pivotal role as one of the organizers.

The mission aimed to promote youth health by facilitating easy access to COVID-19 vaccinations. Anjaneri Public Health Center doctors collaborated with our team to administer vaccine doses during the activity. The NSS Volunteers played a crucial role in supporting the vaccination team, ensuring the smooth execution of the campaign.

Collaboration and Organization:

Our institute, KCT's Late G. N. Sapkal College of Engineering, took pride in being an organizer for this significant health initiative. The collaborative efforts brought together students, nearby villagers, and healthcare professionals in a shared mission to enhance community health.

Volunteer Involvement:

The NSS Volunteers actively engaged in various aspects of the vaccination drive. Their roles included assisting the vaccination team, guiding participants, and providing logistical support to ensure the efficient flow of the activity. Their dedication and enthusiasm greatly contributed to the success of the event.

Beneficiary Impact:

The impact of the Mission Yuva Swasth activity was substantial, with a considerable number of students and villagers availing the opportunity to receive their COVID-19 vaccine doses. The event not only promoted individual well-being but also fostered a sense of community responsibility in the face of the ongoing pandemic.

Conclusion:

The Mission Yuva Swasth vaccination drive at KCT's Late G. N. Sapkal College of Engineering stands as a testament to the power of community collaboration in addressing public health challenges. Through the collective efforts of NSS Volunteers, organizers, and healthcare professionals, the event successfully contributed to the broader mission of achieving widespread vaccination coverage and fostering a healthier community.

PROGRAM REPORT

Title of the Program: National Voters Day celebration and awareness program.

Date(s): From 25/01/2021 to 25/01/2021 **Duration:** 1 Day

Venue: Amphitheatre, SKH College campus.

Details of Participants: 30

Name of the Contact Person: Mr. Kambale, Election Nayab Tehsildar, Trimbakeshwar.

Introduction -

On the occasion of National Voters Day, the NSS Unit of KCT's Late G. N. Sapkal College of Engineering organized a Voter Awareness Program in collaboration with the Trimbakeshwar Tehsil Office. The program, designed to promote voter education and awareness, took place at the open space of the amphitheater within the campus. In adherence to Covid-19 restrictions, necessary precautions were observed to ensure the safety of all participants.

The NSS Unit collaborated with the Trimbakeshwar Tehsil Office to enhance the impact and effectiveness of the Voter Awareness Program. This partnership facilitated the presence of Mr. Kambale, Election Nayab Tehsildar, Trimbakeshwar, as the key speaker and expert on matters related to elections and democracy.

The program was strategically held at the open space of the amphitheater to accommodate the audience while maintaining social distancing. All attendees were required to adhere to Covid-19 safety protocols, including the use of masks and hand sanitizing stations, ensuring a secure and responsible gathering.

Mr. Kambale, Election Nayab Tehsildar, Trimbakeshwar, delivered an enlightening address on the significance of democracy and the importance of active participation in the electoral process. He elucidated the rights and responsibilities of voters, shedding light on the democratic principles that form the foundation of our nation.

Voter Registration Process:

The program included a detailed explanation of the voter registration process. Mr. Kambale provided insights into the steps involved in obtaining a voter ID, updating voter information, and the significance of having a valid voter card for participating in the democratic process.

An interactive question-and-answer session allowed participants to seek clarifications and guidance on various aspects of the electoral system. Mr. Kambale's expertise and informative responses enriched the session, ensuring that attendees left with a comprehensive understanding of their role as responsible voters.

Pledge for Responsible Voting:

The program concluded with participants taking a pledge to exercise their voting rights responsibly and to encourage others to do the same. This symbolic gesture emphasized the collective commitment to upholding the principles of democracy.

The Voter Awareness Program organized by the NSS Unit of KCT's Late G. N. Sapkal College of Engineering in association with the Trimbakeshwar Tahsil Office proved to be an informative and empowering initiative. Through the expertise shared by Mr. Kambale, attendees gained valuable insights into the democratic process, contributing to a more informed and active citizenry. The program successfully navigated the challenges posed by the Covid-19 pandemic, providing a safe platform for education and engagement on the vital topic of responsible voting.

PROGRAM REPORT

Title of the Program: NSS Digital Awareness Campaign for COVID-19

Date(s): From 01/04/2020 to 15/04/2020

Duration: 15 Days

Venue: Online mode

Details of Participants: 100

Name of the Contact Person: Prof. K. W. Kale, NSS PO, KCT's Late G.N. Sapkal College of Engineering.

Introduction:

In the wake of the ongoing COVID-19 pandemic, it has become crucial for individuals and communities to take proactive measures to combat the virus's spread. Late G. N. Sapkal College of Engineering's NSS student volunteers recognized the need to contribute to this cause by organizing an online awareness campaign. The campaign aimed to educate and motivate people to follow safety guidelines and precautions to mitigate the spread of COVID-19.

Activities:

The NSS student volunteers organized and actively participated in the following activities during the campaign:

- 1. Digital Poster and Banner Creation:** NSS volunteers created eye-catching digital posters and banners containing essential COVID-19 awareness messages. These visuals were designed to convey important information about wearing masks, maintaining social distancing, hand hygiene, and vaccination.
- 2. Awareness Videos:** In addition to posters and banners, the volunteers also created informative and engaging awareness videos. These videos provided in-depth explanations of COVID-19 safety measures, showcased personal experiences, and featured expert advice.
- 3. Social Media Outreach:** The created posters, banners, and videos were widely shared on various social media platforms, including WhatsApp, Facebook, and others. The volunteers leveraged their personal networks and groups to ensure that the awareness messages reached a broad audience.

Impact:

The NSS awareness campaign, including the creation of awareness videos, had a profound impact:

- **Comprehensive Information:** The awareness videos provided detailed information on COVID-19 safety measures, enhancing viewers' understanding of the subject.
- **Broad Reach:** Videos, in particular, attracted a large audience on social media platforms, leading to increased awareness and engagement.

- **Personal Touch:** The combination of posters, banners, and videos, along with phone calls, allowed for a personalized and comprehensive approach to educating the community.

Challenges:

While the campaign was successful, some challenges were encountered:

- **Resistance to Change:** Some individuals remained resistant to following safety guidelines, despite the awareness efforts.
- **Limited Resources:** The campaign relied heavily on volunteers' personal resources for creating and sharing digital materials.

Conclusion:

The NSS student volunteers of Late G. N. Sapkal College of Engineering played a vital role in spreading awareness about COVID-19 through their online campaign, which included the creation of informative awareness videos. By utilizing digital posters, social media, personal phone calls, and videos, they were able to effectively reach and educate a broad audience. While challenges existed, the volunteers' dedication and efforts had a positive impact on their community.

This campaign serves as a shining example of the proactive role that students can play in raising awareness during challenging times. It reinforces the importance of collective responsibility in the fight against the COVID-19 pandemic.

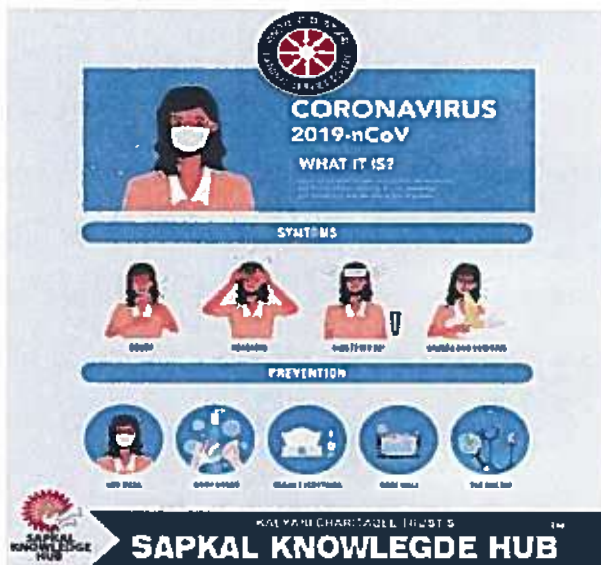

We extend our gratitude to all NSS volunteers who actively participated in this awareness campaign. Your commitment to the welfare of society is commendable, and your efforts have undoubtedly made a difference. We also thank the college administration for its support in organizing this campaign.

PROGRAM REPORT

Title of the Program: Ganpati Idols Collection and Nirmalya Collection Activity.

Date(s): 12/09/2019 **Duration:** 01 day

Venue: At Satpur, Someshwar and *Navshya* Ganpati temple locations, Tal. Nashik, Dist. Nashik.

Details of Participants: 80

Introduction

The NSS unit of KCT's Late G. N. Sapkal College of Engineering, in collaboration with Step Foundation Nashik, participated in the Ganpati Idols Collection and Nirmalya Collection activity on the auspicious day of Ganpati Visarjan. The primary objective of this activity was to promote environmental sustainability by collecting Ganpati idols and *nirmalya* (religious offerings) to prevent water pollution in the holy Godavari River during the immersion of Ganpati idols.

Activity Details:

Mobilization of Volunteers

On September 12, 2019, volunteers from the NSS unit gathered at the designated *visarjan* locations in Nashik, displaying a sense of responsibility and devotion towards the environment.

Collection of Ganpati Idols:

The NSS volunteers played a crucial role in the collection of Ganpati idols that were being immersed in the Godavari River. They encouraged devotees to hand over their idols for proper disposal instead of polluting the river. Special bins and collection points were set up for this purpose.

Nirmalya Collection:

In addition to collecting Ganpati idols, volunteers collected *nirmalya*, which includes flowers, coconuts, and other offerings, to prevent these non-biodegradable materials from causing water pollution. The *nirmalya* was segregated for responsible disposal.

Assisting Nashik Municipal Council:

The NSS volunteers worked in close coordination with the Nashik Municipal Council, providing support and assistance in managing the crowd and ensuring the efficient collection and transportation of the idols and *nirmalya* to the designated disposal sites.

Awareness Campaign:

Volunteers conducted an awareness campaign among the devotees, explaining the importance of eco-friendly Ganpati idols and responsible disposal practices. Information about the environmental impact of water pollution during *visarjan* was shared with the public.

Impact and Conclusion;

The Ganpati Idols Collection and Nirmalya Collection activity on the day of Ganpati Visarjan, organized by the NSS unit of KCT's Late G. N. Sapkal College of Engineering in collaboration with

Step Foundation Nashik, made a substantial impact. The activity not only prevented water pollution but also raised awareness about the importance of eco-friendly practices during religious celebrations.

The NSS unit of KCT's Late G. N. Sapkal College of Engineering remains dedicated to organizing similar activities in the future to contribute to a cleaner and more sustainable environment while upholding the values of the Swachh Bharat Abhiyan.

PROGRAM REPORT

Title of the Program: NSS Special Camp - Swami Vivekananda Birth Anniversary and National Youth Day celebration.

Date(s): From 11/01/2020 and 12/01/2020 **Duration:** 02 days

Venue: Kachurli Village, Tal. Trimbakeshwar, Dist. Nashik

Details of Participants: 51

Name of the Contact Person: Mr.S. S. Dhum, Gramsevak, Kachurli Village, Tal. Trimbakeshwar, Dist. Nashik.

Introduction

The NSS Unit of KCT's Late G. N. Sapkal College of Engineering conducted a special camp in Village Kachurli, Tal. Trimbakeshwar. Swami Vivekananda's birth anniversary and National Youth Day on January 11th and 12th were celebrated in the camp. The camp aimed to educate and motivate both NSS volunteers and the school children of Kachurli Ashram School, with a special session conducted by Mr. Amol Ahire, Coordinator of Swami Vivekananda Center, Nashik on 11th January. and Prof. Namdeo Beldar from Nashik on 12th January 2020.

Activity Details:

Guest Speaker Session:

Mr. Amol Ahire and his team conducted a thought-provoking session focusing on the life and teachings of Swami Vivekananda. The session also emphasized youth motivation, encouraging the attendees to harness their potential.

Prof. Namdeo Beldar motivated the students by describing the life of Swamiji.

Interactive Discussion:

Following the lecture session, an interactive discussion was encouraged to enable participants to ask questions, share their thoughts, and engage with the concepts presented. The aim was to instill the values and principles advocated by Swami Vivekananda.

Youth Empowerment and Self-Development:

The session highlighted the importance of youth empowerment and self-development. Attendees were inspired to have confidence in themselves and contribute positively to their communities and the nation.

Activities for NSS Volunteers and School Children:

Various activities were organized to promote engagement and motivation among both NSS volunteers and school children from Kachurli Ashram School. These activities included:

Games: Fun and engaging games were conducted to foster team spirit, cooperation, and a sense of camaraderie among the participants.

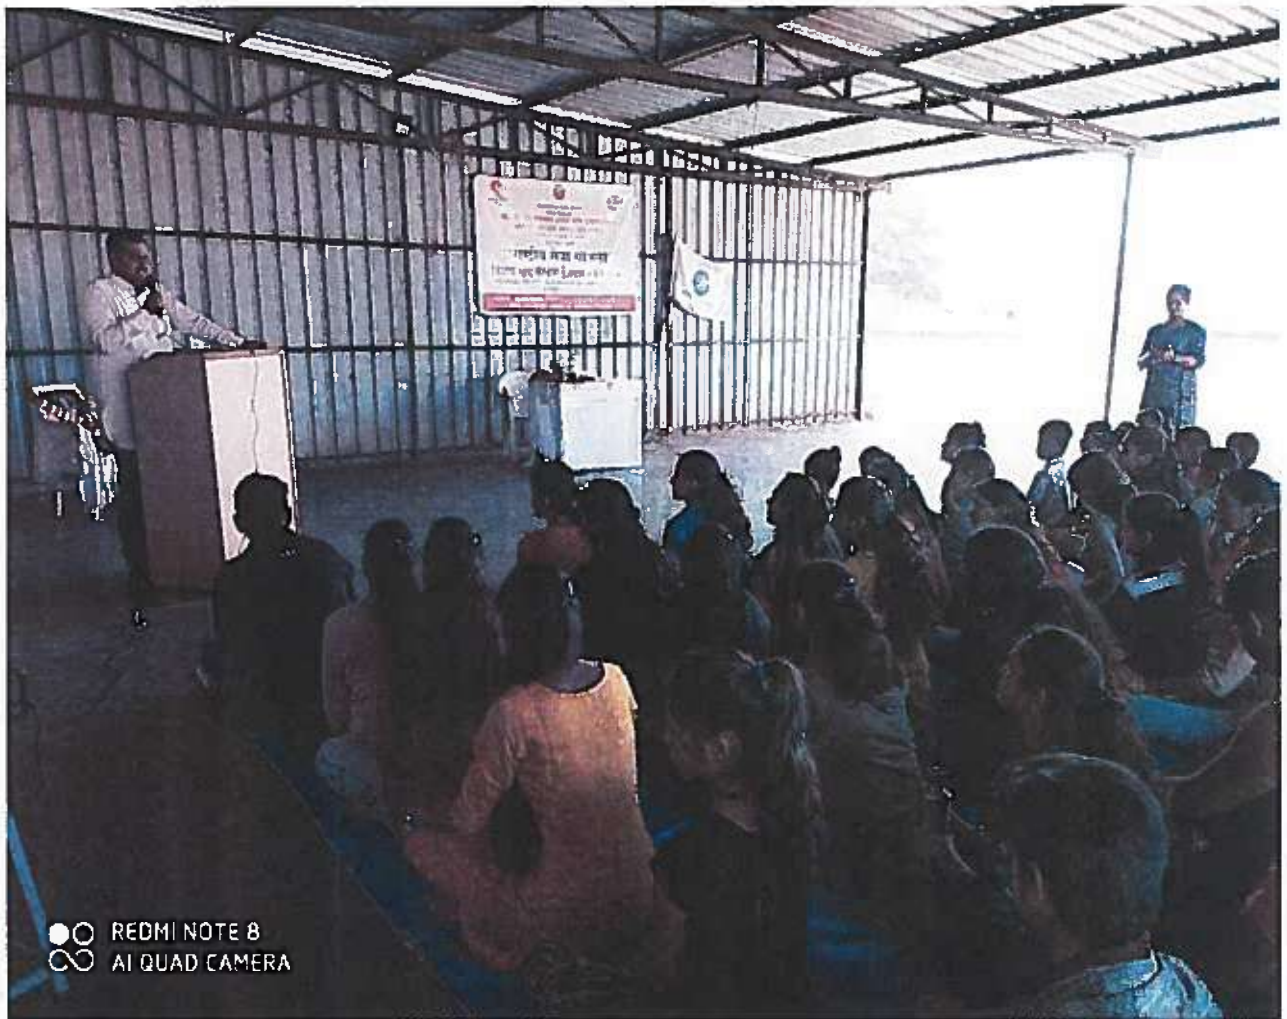

Brainstorming Sessions: Brainstorming sessions were organized to stimulate creative thinking, problem-solving, and idea generation. These activities aimed to develop critical thinking skills.

Impact and Conclusion:

The session led by Mr. Amol Ahire, Prof. Namdeo Beldar and his team, which focused on the life and teachings of Swami Vivekananda, served to motivate and educate both NSS volunteers and the school children from Kachurli Ashram School.

The NSS Unit of KCT's Late G. N. Sapkal College of Engineering organized a *Shivjayanti* Celebration at the college hostel to commemorate the birth anniversary of the legendary warrior and Maratha king, Chhatrapati Shivaji Maharaj. The primary objective of this event was to pay tribute to the great leader and educate the hostel students about his life and significant contributions to Indian history.

Activity Details:

Planning and Coordination:

The NSS volunteers and organizers planned the *Shivjayanti* celebration well in advance, coordinating with other hostel students to ensure their active participation.

Speeches on Chhatrapati Shivaji Maharaj:

The NSS volunteers, along with other students, delivered speeches on the life, achievements, and legacy of Chhatrapati Shivaji Maharaj. These speeches provided insights into his remarkable leadership, military prowess, and his vision for a just and prosperous kingdom.

Interactive Sessions:

The event included interactive sessions where students and volunteers could ask questions, discuss the significance of Chhatrapati Shivaji's principles, and share their thoughts and insights.

Decoration and Ambiance:

The venue was decorated with historical artifacts, posters, and images of Chhatrapati Shivaji, creating an immersive atmosphere to transport the attendees to the historical context of his era.

Impact and Conclusion:

The *Shivjayanti* Celebration at KCT's Late G. N. Sapkal College of Engineering was a meaningful and educational event that allowed students to pay homage to one of India's greatest leaders, Chhatrapati Shivaji Maharaj. The speeches, cultural performances, and interactive sessions served to educate the audience about the life and legacy of this iconic figure.

The event instilled a sense of pride in Marathi culture and history, fostering a deeper appreciation for the values of bravery, justice, and leadership that Chhatrapati Shivaji epitomized. It also provided an opportunity for students to come together, celebrate their heritage, and learn from the past. such celebrations not only honor the great leaders of the past but also serve as a source of inspiration for the youth to carry forward their legacies in the present and the future.

PROGRAM REPORT

Title of the Program: Voter Awareness Session

Date(s): 25/07/2018

Duration: 01 day

Venue: Amphitheatre, SKH Campus, Tal. Trimbakeshwar, Dist. Nashik

Details of Participants: 60

Introduction

The NSS unit of KCT's Late G. N. Sapkal College of Engineering organized a Voter Awareness Program within the college campus to promote the importance of voter registration and participation in the democratic process. The program was conducted with the collaboration of Mr. Mahendra Pawar, the Tahsildar of Trimbakeshwar, and his team from the Election Department.

Objective:

The primary objective of the Voter Awareness Program was to motivate and educate students about the significance of being a responsible voter in a democratic country like India. The program aimed to encourage students to register as voters and actively participate in the electoral process.

Mr. Mahendra Pawar, the chief guest, interacted with the students, where students could ask questions and clarify their doubts regarding the voter registration process and the election system.

At the end of the program, all the attendees, including students and faculty, took a pledge to fulfill their responsibilities as voters, to vote conscientiously, and to encourage others to do the same.

Pamphlets, brochures, and other informational materials related to the electoral process, voter rights, and responsibilities were distributed to the students.

Conclusion:

The Voter Awareness Program at Late G. N. Sapkal College of Engineering, in collaboration with Trimbakeshwar Tahsildar Mr. Mahendra Pawar and his Election Department team, was a successful and informative event. It served its purpose by educating students about the significance of being active and responsible voters in the world's largest democracy. The program motivated students to register as voters and actively participate in the electoral process, ensuring the continued growth and strength of Indian democracy. This event was a significant step towards building an informed and responsible citizenry.

Introduction

Voter Awareness and Registration Drive organized by the National Service Scheme (NSS) unit of KCT's Late G. N. Sapkal College of Engineering. The primary aim of this activity was to raise awareness about the importance of voter registration and to facilitate the process for students in our college. We were honoured to have Mr. Kambale Sir, Election Nayab Tahsildar from Trimbakeshwar as a guest to guide and assist our students in this endeavour.

Objectives of the Activity:

1. To promote awareness about the significance of voter registration and participation in the electoral process.
2. To facilitate the voter registration process for students by distributing the necessary forms and providing guidance.
3. To engage NSS volunteers in a civic-minded activity that encourages active participation in the democratic process.

Activities:

1. **Guest Speaker Presentation:** The activity began with a presentation by the Election Nayab Tahsildar from Trimbakeshwar. They provided valuable insights into the importance of voter registration and participation in elections. The presentation covered the electoral process, the rights and responsibilities of voters, and the significance of making one's voice heard.
2. **Distribution of Voter Registration Forms:** NSS volunteers distributed voter registration forms to the students of our college. They explained the required information and documentation for the registration process and answered any questions students had.
3. **Guidance and Assistance:** NSS volunteers and the Election Nayab Tahsildar provided guidance and assistance to students who needed help filling out the voter registration forms. This support ensured that the registration process was smooth and efficient.
4. **Collection of Completed Forms:** After students filled out the forms, NSS volunteers collected them and ensured that all required information was correctly provided. The collected forms were then submitted to the officials for processing.
5. **Q&A Session:** A question and answer session was held after the presentation to address any doubts or concerns students had regarding the voter registration process and the upcoming elections.

Beneficiaries: The primary beneficiaries of this activity were the students of KCT's Late G. N. Sapkal College of Engineering who were provided with the opportunity to register as voters.

Achievements:

1. The presence of the Election Nayab Tehsildar Mr. Kambale sir and the informative presentation helped students recognize the significance of their role in the democratic process.
2. Many students took advantage of the opportunity to register as voters and participated in the registration process with enthusiasm.
3. The activity generated increased awareness about voter registration and civic participation, which will have a positive impact on the upcoming elections.

In conclusion, the NSS Voter Awareness and Registration Drive at KCT's Late G. N. Sapkal College of Engineering was a meaningful effort to encourage students' active participation in the electoral process. The guidance of Mr. Kambale, the dedication of NSS volunteers, and the enthusiasm of the students contributed to the success of this initiative.

PROGRAM REPORT

Date: 29/09/2018

Title of the Program: "SURGICAL STRIKE DAY"

Program Objectives:

- To make students aware the bravery of our National Heroes
- Motivating students to opt for Indian Army

Nature of Program-: Motivation and Unity of the Nation

Resource Person Details-: Prof. Ishwar J. Bhatte, Civil Engineering Department, Late G. N. Sapkal College of Engineering, Anjaneri.

Summary:

To celebrate this day our principal Dr. S. B. Bagal, The Security Head of our Institute made his valuable presence in the program.

The program started with the valuable speech of Retd. Subhedar Mejar Mr. Lalata Prasad, of our campus. Prof. Bhatte has explained the plot of surgical strike and importance of its need.

Prof. Bhatte also gave valuable guidance related to army and how one can join army in various ways of academics and non-academics.

He shared his knowledge and guided our students as to how to enter the Indian Army, the preparation required for it.

Students gave their great response which made the program a great success.
