Description / Explanation of the Program:

Kalyani Charitable Trust's LATE. G. N. SAPKAL COLLEGE OF ENGINEERING of Computer Engineering department in association with Technokraft training and solution, college road, Nashik. It gives platform for basic and advanced coding, web designing and development, cloud computing, cyber security and networking to explore future scope. Networking and programming careers are both part of the computer science field, but they focus on different functions of technology. If you're interested in working with computer systems or applications, you may consider choosing one of these career paths. Managing computer systems and developing computer software are both valuable practices that can help businesses reach their technology goals. In this article, we explain what computer networking and programming are and compare the differences between networking versus programming.

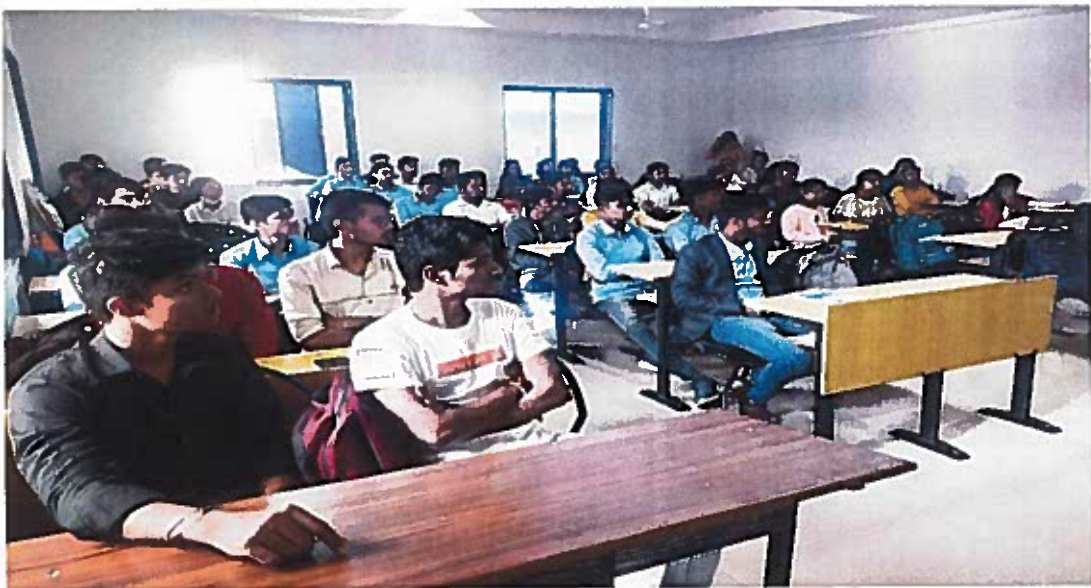

Outcome of the Talk / Event:

1. Students explore about software development and advanced programming
2. Students are aware about networking, cyber security and cloud computing

Description / Explanation of the Program:

Kalyani Charitable Trust's LATE. G. N. SAPKAL COLLEGE OF ENGINEERING, Computer Engineering department was organised an online webinar for the students of third year engineering to let them aware about the Internship programme. In this webinar Mrs Sonali Gorade introduced about different new technology of IT sector. This webinar had full of information such as Web designing, full stack development, python programming, data science and data analytics, hardware and networking, cyber security, project management, personality development, resume and interview preparation, team building and management.

Outcome of the Talk / Event:

1. Students came to know about latest Technologies.
2. Students are aware about the internship programme with the key features of Sumago infotech

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association Nashik, conducted Workshop on "Web3 Metaverse".

On behalf of our institute, we take this opportunity to express our appreciation to you for the Workshop under the subject of "Web3 Metaverse". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

Description / Explanation of the Program:

Department of Computer Engineering has organized **Workshop on “LaTeX”** conducted by **Dr. Prof. Khyati Nirmal**. Around __ students from Computer Engineering were present for the workshop. All the aspects of LaTeX including it's importance are covered in this workshop. Hands-on training with LaTeX was also conducted with the live demonstration. Few frequently used commands were demonstrated during the workshop.

Outcome of the Talk / Event:

1. Students will be able to develop a well-organized report and presentation by using LaTeX.
2. Students will be use LaTeX easily for their presentations in future.

Esteem Professor,

Greetings,

Best Accredited Student Branch Award

Congratulations!

On the recommendation of the CSI Awards Committee for the year 2019-2020 under the Chairmanship of Mr Sanjay Mohapatra and followed by the approval of ExecCom of CSI, it has been decided to confer on your Institution (**Late G N Sapkal College of Engineering, Nashik**) the prestigious award "**Best Accredited Student Branch**" under CSI Academic Award at the forthcoming CSI Annual Convention 2020.

As you are aware, the CSI-2020 Annual Convention is scheduled to be held during 16th through 18th January 2020 at KIIT University, Bhubaneswar on the theme "Digital Democracy – IT for Change".

This Award giving Ceremony will be held on **Saturday, the 18th January 2020** from 1.30 PM onwards. Please make it convenient to be present in person to receive the award.

Kindly make your travel & stay arrangements on your own along with Conference Registration to make yourself attend the conference and to receive the award. However, in case if you fail to register for the convention, one day complimentary registration for 18th January 2020 would be offered on your request latest by 31st December 2019 to admn.officer@csi-india.org.

We all along with our President Prof A K Nayak look forward for meeting you and welcoming at the convention and at the award giving ceremony.

Hearty Congratulations once again,

With best wishes and regards,

Yours Sincerely,

Dr Santosh Kumar Yadav

Dear Sir,

We belong to an Educational society of Kalyani Charitable Trust, Mumbai in Maharashtra State. Our institute is situated near Anjaneri, Nashik. We are imparting technical knowledge to the students in various branches. We are running undergraduate courses in Computer, Mechanical, Civil, Electrical and Electronics and Telecommunication Engineering and post graduate course in Computer, Mechanical, Civil and Electronics and Telecommunication Engineering. Our courses are recognized by AICTE and are affiliated to Savitribai Phule Pune University, Pune. The department consists of state of the art computer, computer peripherals and other equipment. Our students are exposed to latest software and development tools as per the need of the day.

Our students are very well versed with core subjects like Data Structure, Database Management System and Theory of computation and computer network. They also have skills in programming languages.

We would like to request you to permit our third year students for industrial visit to your company. The numbers of students are 70 along with 3 staff members. We assure that our students will maintain discipline.

Kindly let us know suitable date and time.

Thanking you,

Yours truly,

Expert Talk on Digital Electronics and Logic Design

Resource Person: Prof. S. V. Purkar Assistant Professor, K. K. W. I. E. E. R., Nashik	Date & Time: 18 th July, 2018 12:30 to 03:00 pm
Academic Year: 2018-19	Sem: I
Targeted Audience: SE Computer students	Duration: 2:30 hour
Organizing Body: ACES and CSI branch	Venue: SE Class Room

Objectives of Expert Talk:

The main objectives of the talk were :

- To inform students about the functionality and design of Combinational Circuits.
- To inform students about the functionality and design of Sequential Circuits.
- Realize and simplify Boolean Algebraic assignments for designing digital circuits using K-Maps.
- Design and implement Sequential and Combinational digital circuits as per the specifications.
- Apply the knowledge to select the logic families IC packages as per the design specifications.
- Develop minimum embedded system for simple real world application.

Briefs of Seminar:

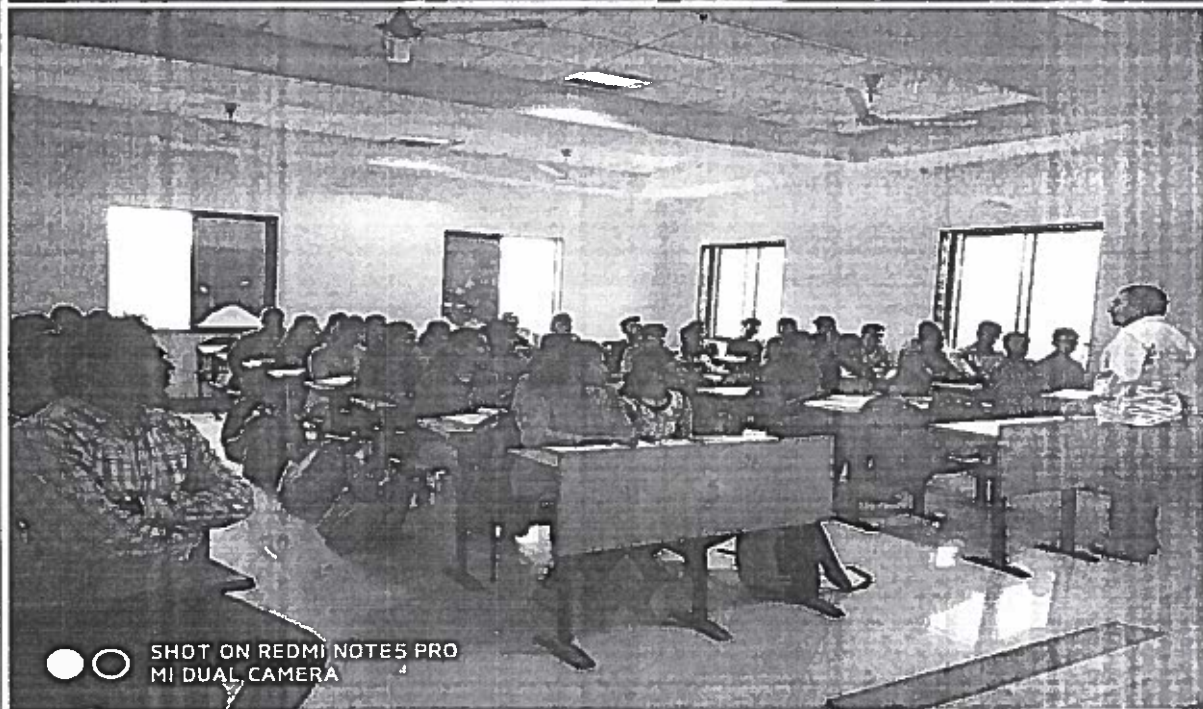

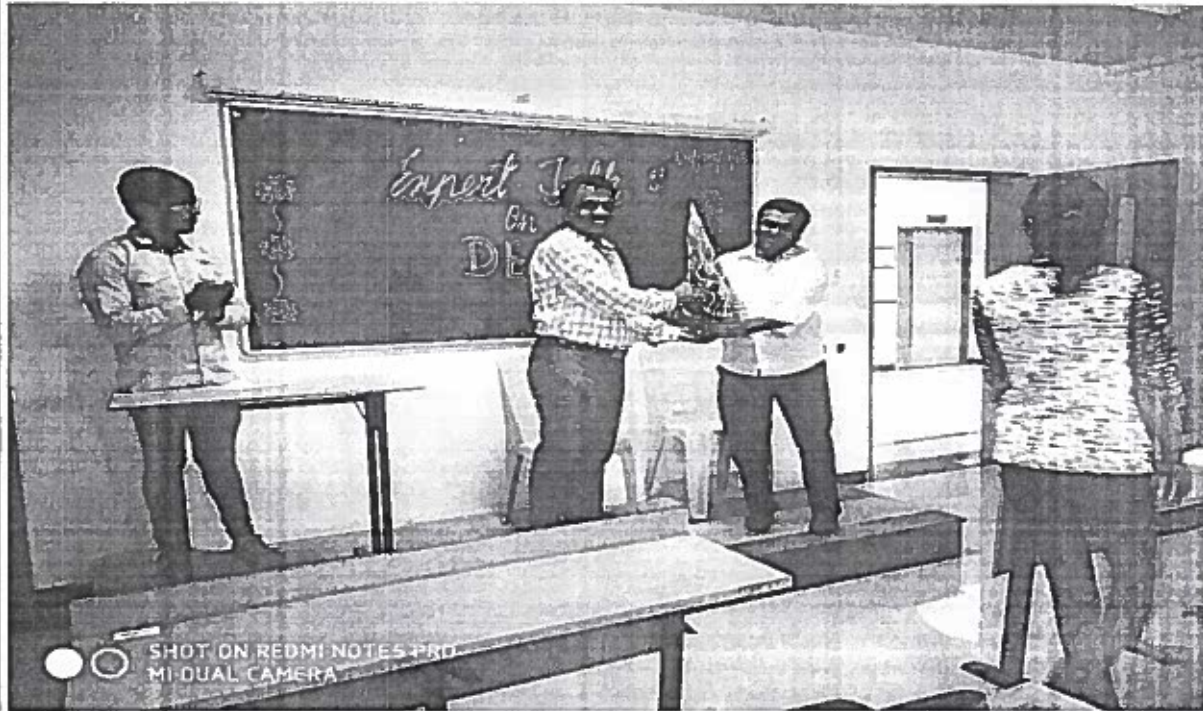

Department of Computer Engineering has organized Expert Talk on Digital Electronics and Logic Design conducted by Prof. S. V. Purkar (Assistant Professor) from K. K. W. E. E. R., Nashik. Around 50 students from SE computer were present for the Talk. Topics such as combinational circuits and sequential circuits are covered by expert person. Also shows the hand's on demonstration on implementation of logic circuits using Digital IC Trainer Kit.

Subject: Regarding conduction of Expert Talk

Respected Sir,

We glad to inform you that Department of Computer Engineering is organizing the Expert Talk on subject "Digital Electronics and Logic Design" on 18/07/2018.

It will be great honor for us if you can conduct the Expert Talk in our institute on topic "Combinational and Sequential Circuits".

Looking forward for your valuable guidance.

Thanks and Regards.

Sub: Appreciation of "Expert Talk on Digital Electronics and Logic Design"

Dear Sir,

We wish to place on record our gratitude for your excellent "Expert Talk on Digital Electronics and Logic Design" under the auspicious of our college on 18/07/2018 The Expert talk was live, engaging, thought-provoking and educative. It was enjoyed by one and all. for your deep erudition tempered by the sparkle of your wit. We hope to such opportunities frequently in future.

We wish you long and happy life.

Thanking you once again.

PROGRAM REPORT

Title of the Program: Seminar on "Introduction to Graphic Software"

Number of Day(s): 01 Day Dates(s) of Conduction:

From 24/07/2018 to 24/07/2018

Venue: .SE Class Room, Department of Computer Engineering

Number of Participants: Male: 18 Female: 16

Program Objectives:

1. Introduce Graphics Software
2. introduces few applications based on the computer programming's and art with mathematical formula.
3. Objective like LOGO which is known for gaming using codes.

Name & Contact Details of the Resource Person(s):

Dr.V.D.Barve

(Ex- Principal)

K. K. Wagh Institute of Engineering Education & Research,
Nashik

Description / Explanation of the Program:

- He introduces few applications based on the computer programming's and art with mathematical formula. Application like LOGO which is known for gaming using codes. He tell few basic codes to student.
- Another application i.e. geogeographic using this application we can easily prove many theorem of geometry, and we can implement in art and drawing.
- He also shows many toys which defines the science. Such as a toy which show the property of equilibrium.

Outcome of the Talk / Event:

1. Students can understand the importance of Graphics Software for logo design purpose.

Venue: Class Room

Number of Participants: 79

Male: 25

Female: 54

Program Objectives:

1. To describe the concepts of functional and non-functional requirements.
2. Case Study of “Mental Health Care Patient Management System”
3. Detail study of Requirement Engineering and its tasks.
4. Preparation of Software Requirement Specification document.

Name & Contact Details of the Resource Person(s):

1. Prof. Prashant M. Yawalkar

Mobile: 9423038573

Description / Explanation of the Program:

Expert Talk on “Software Requirement Specification” was organized by Department of Computer Engineering in association with CSI student chapter for third year engineering students. Program was started with the brief introduction and felicitation of resource person Prof. Prashant M. Yawalkar by Prof.(Dr.) N. R. Wankhade, Head of Computer Engineering Department.

Following Aspects were covered in the talk:

1. Structure of Software Requirement Specification document
2. Ways of writing a SRS
3. Structured and tabular SRS
4. Requirement Elicitation and analysis

Outcome of the Talk / Event:

1. Students are able to understand how to write SRS document for any project.
2. Students are able to write SRS for given problem statement.

Topic : Teacher's Day

Number of Participants : 9

3. Poster Competition

Students were asked to create a poster according to the topic given to them

Topic : Smart Engineer, Smart India

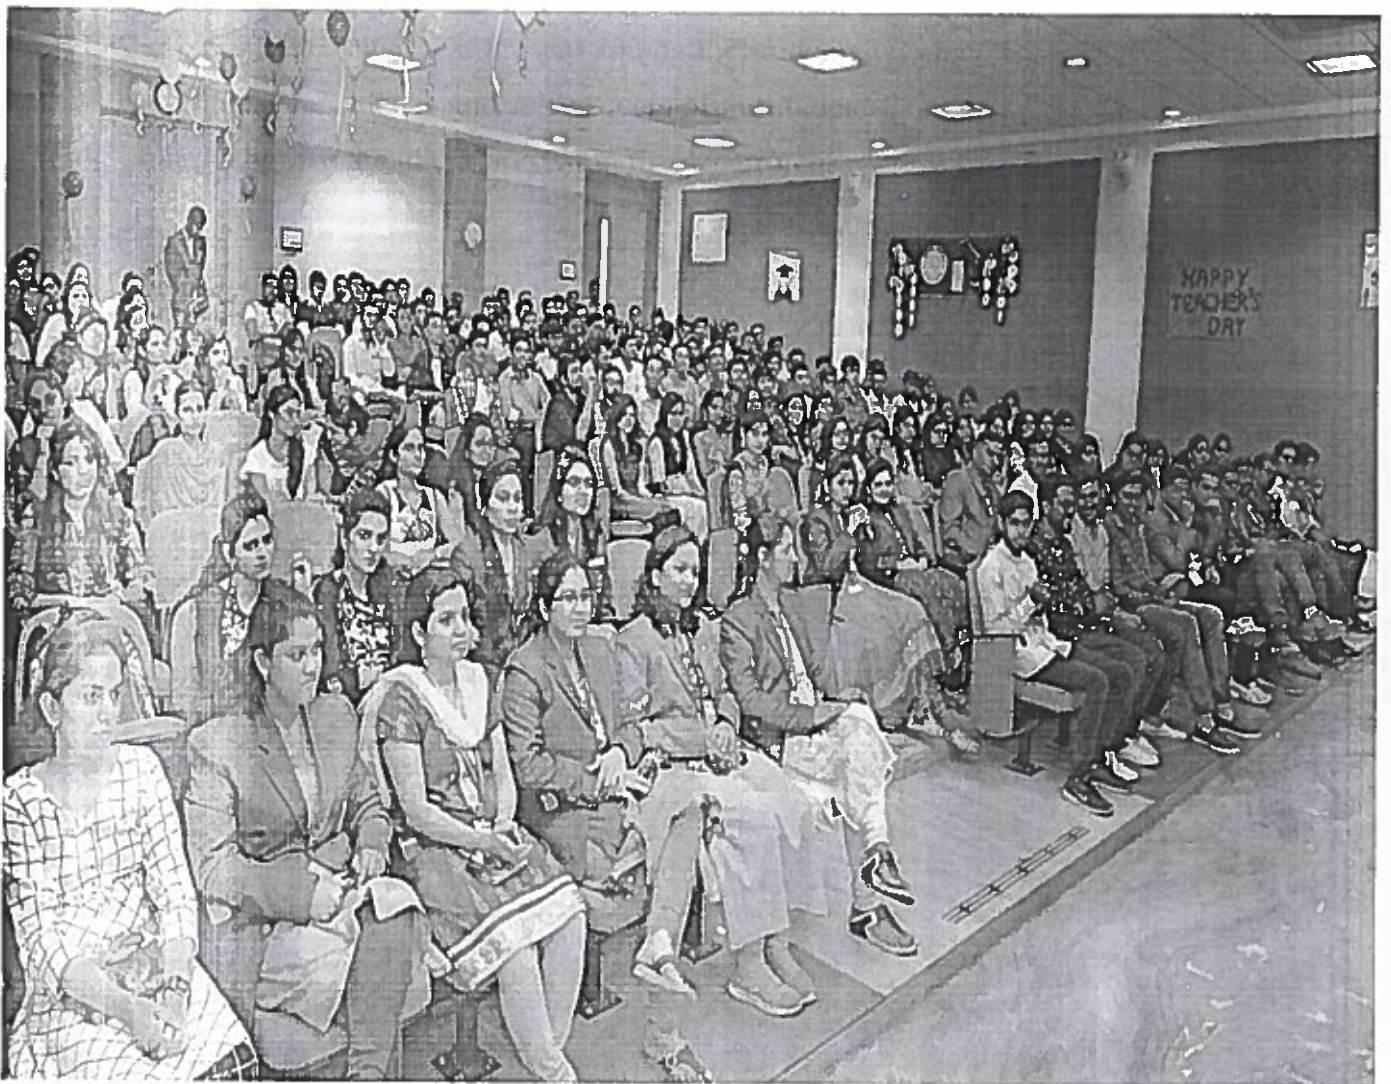

Number of Participants : 14

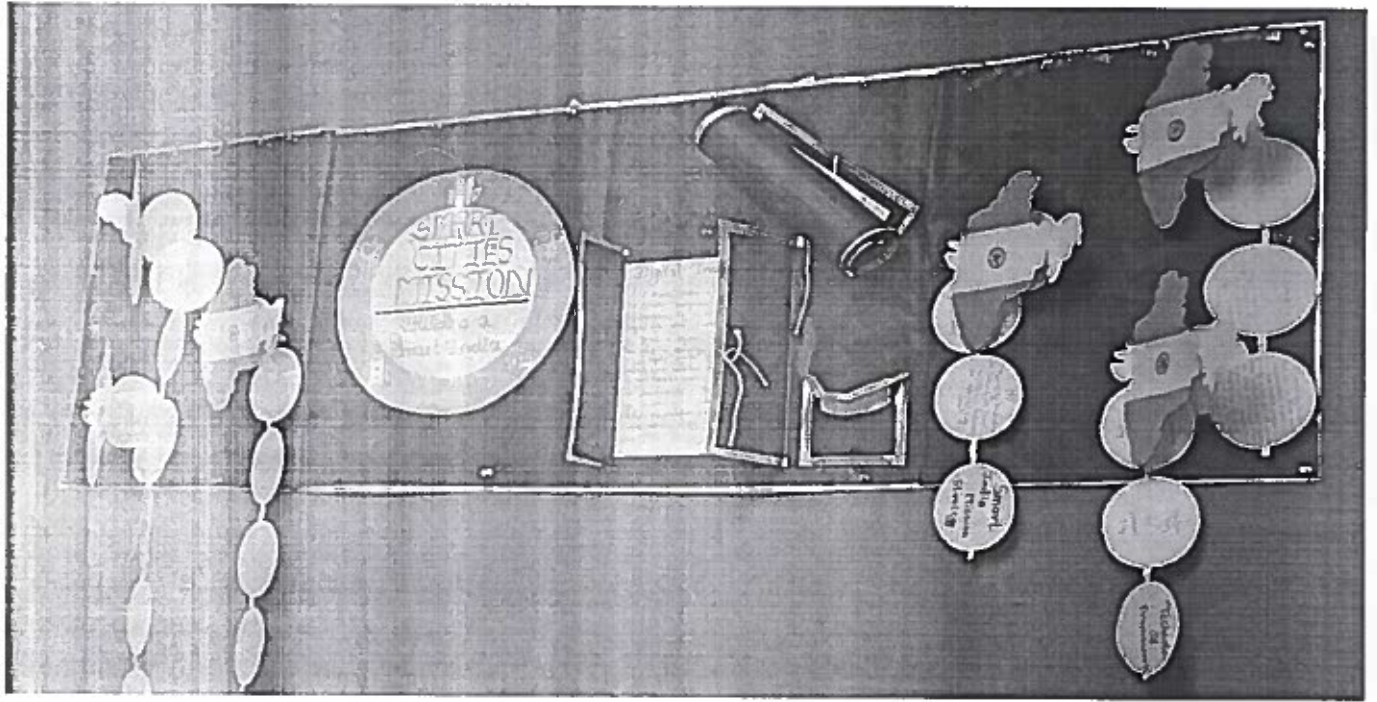

Outcome of the Event:

1. To eliminate stage fear present among the students
2. To boost confidence and self- esteem of the students
3. To recognize the talent present in the department

PROGRAM REPORT TEMPLATE

Title of the Program: Expert Talk on "Time Complexity and searching and sorting Techniques"

Number of Day(s): 01 Day

Dates(s) of Conduction:

From 04/10/2018 to 04/10/2018

Venue: SE Class room

Number of Participants: 85

Male:

Female:

Program Objectives:

1. To Understand Knowledge of Sorting and searching techniques used to solve real time problem.
2. How to use these techniques in advanced technology to get easily understand new users.

Name & Contact Details of the Resource Person(s):

Ms. Alpana Borase

Assistant Professor

Matoshri college of Engineering and Research Centre, Nasik

Mobile: 8830956588

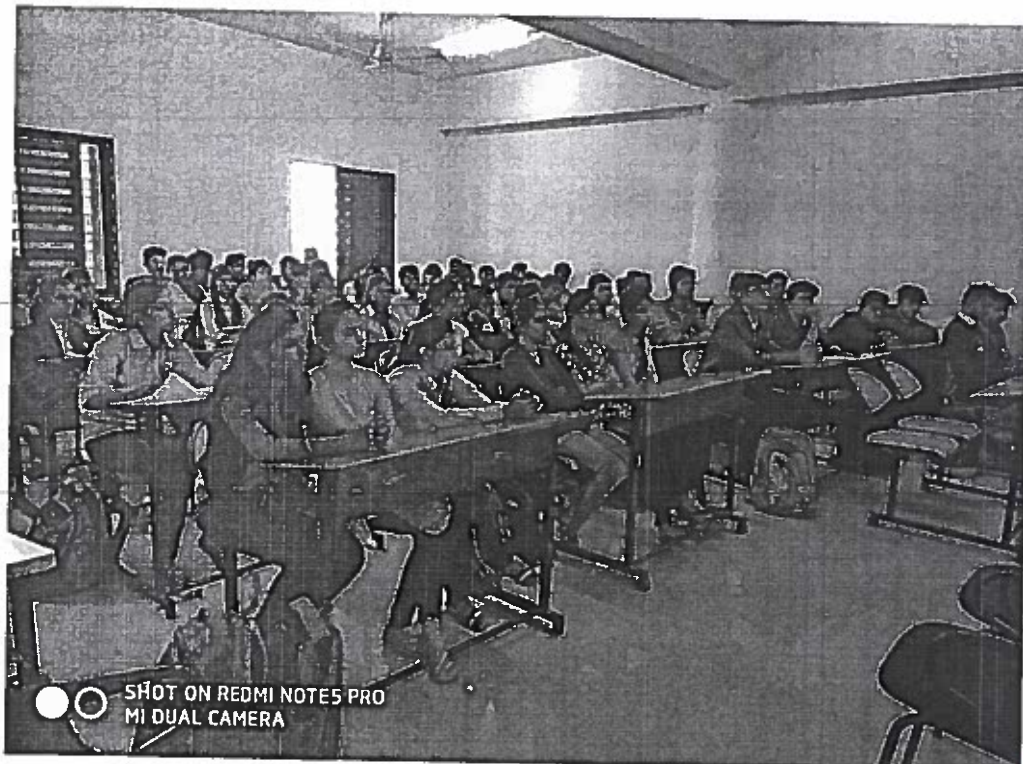

Description / Explanation of the Program:

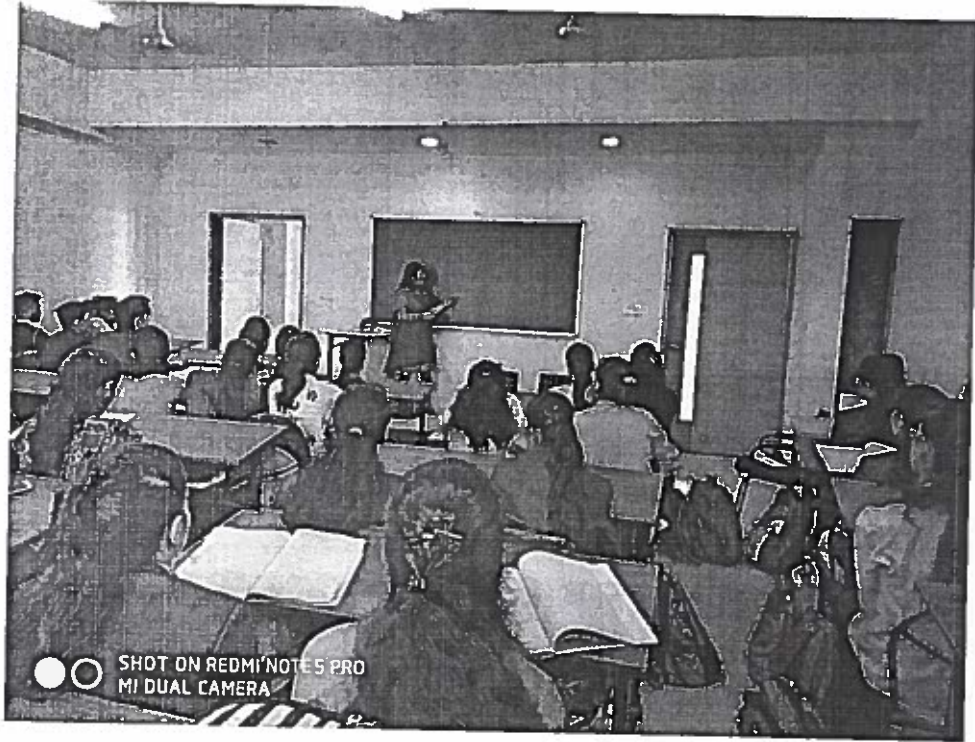

Department of Computer Engineering has organized Seminar on "Time Complexity for searching and sorting Techniques" conducted by Ms. Alpana Borse (Assistant Professor) From Matoshri college of Engineering, Nashik. Around 85 students from Computer Engineering were present for the Talk. Topics such as searching and sorting Techniques with time complexity are covered by expert person.

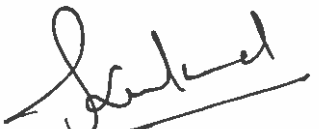

Outcome of the Talk / Event:

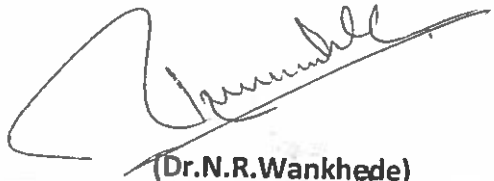

1. Students will develop an in-depth understanding of top-of-mind searching and sorting Techniques with knowledge of Recurrence relation how to calculate time complexity.
2. Solve Real Time Problem.

Respected Madam,

We glad to inform you that Department of Computer Engineering is organizing the Expert Talk on subject "Data Structures and Algorithm" on 04/10/2018.

It will be great honor for us if you can conduct the Expert Talk in our institute on topic "Time and space complexity of searching and sorting methods".

Looking forward for your valuable guidance.

Thanks and Regards.

Dear Sir,

We wish to place on record our gratitude for your excellent "Expert Talk Time and space complexity of searching and sorting methods" under the auspicious of our college on 04/10/2018. The Expert talk was live, engaging, thought-provoking and educative. It was enjoyed by one and all, for your deep erudition tempered by the sparkle of your wit. We hope to such opportunities frequently in future.

We wish you long and happy life.

Thanking you once again.

PROGRAM REPORT

Title of the Program: "SKH Project e-Competition -2020"

Date(s): 25/05/2020 to 10/07/2020

Duration: App. 02 Months

Venue: Online through Google Meet

Details of Participants:	1. Diploma Group:	Female = 124	Male = 66	Total = 190
	2. Degree Group:	Female = 103	Male = 89	Total = 192

About Program Objectives:

The project competition provides an excellent opportunity to the students to showcase their talent, research orientation and untapped potential. The goal of this competition is to prepare the future Generation of engineers not only problem solvers but to be innovative leaders and responsible citizens. The student deserves recognition of the amount of hard work done for the project. This year Department of Computer Engineering, Late G. N. Sapkal College of Engineering, Nashik has taken up the responsibility for hosting **SKH Project e-Competition -2020** at National Level as a part of Department.

Preamble:

Project enables students and faculty to transform their learning into knowledge, knowledge into action, action into practice. Technical project competition allows students to practice soft skills while reinforcing their engineering knowledge. The contest helps students to consolidate their knowledge and professional skills. They have the opportunity to improve soft skills such as communication, presentation, teamwork and problem-solving and technical abilities beyond boundaries. The project contest gives students a lot of knowledge and inspired them to try and improve academic activities to enhance knowledge and skills, prepare them for industry readiness. This may results to turn engineering projects into prize winning entries and may transform project into commercial product. In order to promote and encourage young entrepreneurs, it is absolutely necessary to inform them about self-employment opportunities and to convert "job-seekers" into "job-generators". Entrepreneurship, Innovation session would help to foster entrepreneurial culture among students, how to bridge the gap between education and industry, establish better linkages with industries, R&D institutions, financial Institutions and other related organizations engaged in promoting small & medium enterprises.

Objectives Project Competition:

- ❖ To stimulate students to work on exciting project
- ❖ To understand best practices and demonstration of diverse project, new innovations, etc.
- ❖ To provide networking opportunity with industries that can help create breakthroughs
- ❖ To relate the functioning of industry while working on project and understand how does industry function? Challenges and opportunities
- ❖ To understand how to become entrepreneur? And understand challenges in entrepreneurship
- ❖ To build the capacity to exhibit entrepreneurial behavior for business success
- ❖ How to start and run new industries and improve on existing ones
- ❖ How to improve interpersonal competence

Summary of Program:

KCT's Late G. N. Sapkal Engineering College, Nashik organizes various educational project presentation competitions every year to enhance the skills and development of the students. Due to the spread of Covid-19 infection this year, competitions were organized at the institute through "Online". Under the guidance of Hon. Ravindra Sapkal, the SKH Project e-Competition -2020 was organized by the Computer Department of KCT's Late G. N. Sapkal Engineering College, Nashik for undergraduate and graduate students under 'E-Learning Project' from 25th May to 10th July 2020. Total 192 Project groups from UG level & 190 Project groups from Diploma colleges from all over Maharashtra participated in this competition. The results of this competition have been announced on 17th July 2020.

Winners from Diploma :

Winner	Student Name	College Name
1	Sakshi Babu Pawar, Kshitija Chandrakant Malode Aditi Vilas Kale Shalini Sandip Jadhav	K.K.Wagh Polytechnic, Nashik
2	Veer Satyen Mehta	Shri HHJB Polytechnic Chandwad
3	Shrutika Shriram Ambre Shreya Pandharinath Paithankar Vaishnavi Narsinh Gaikwad Sakshi Changdeo Kadale	Pimpri Chinchwad Polytechnic

Winner from Under Graduate

Winner	Student Name	College Name
1	Abhijit Laxman Pawar Vaibhavi Nitin Phalle Alpriya Hamid Mulla Nikita Nivad Patil	Dr.Daulatrao Aher COE,Karad
2	Priyanka Sutar Yash Patil Pranjali Dusane Pooja Rao	Late G.N.Sapkal College of Engineering,Nashik
3	Rutuja Khankari Ruchira Khankari Nikita Bhaviskar Nikita Bidve	NDMVP KBT COE, Nashik

The winners of the Diploma and Degree categories will be awarded Rs. Twenty one hundred, Fifteen hundred and Eleven hundred cash and e-certificates were given to all the participating contestants.

The student response to this first-ever online competition was overwhelming. It is through such competitions that the skills and development of the students are enhanced. For this, continuity is required. Best wishes by Hons. Chairman Dr. Ravindra Sapkal. Principal Prof. (Dr.) S.B Bagal, Head of Department Prof. N.R.Wankhade, Prof.J.V.Shinde, Prof. D.D.Sharma, Prof.S.S.Shinde tried their best to make this competition a success.
