(Affiliated to University of Pune Approved by AICTE, New Delhi, and Govt. Of Maharashtra)

Date: 25/11/2023

**Notice**

**National Service Scheme**

All students and Staff of KCT's Late G. N. Sapkal College of Engineering are hereby informed that the NSS department is organizing a blood donation camp in association with the Divya Marathi media group at the Sapkal Knowledge Hub campus.

The aim of this activity is to help those in need by donating blood. All eligible volunteers are encouraged to visit the venue to donate blood and support this noble cause.

For any queries or further details, please contact your respective NSS department coordinators.

**Venue: Electrical Engineering Department, SKH.**

**Date: 30/11/2023.**

**Time: 10:00AM onwards**

**Prof. Kale K. W.**

**NSS Program Officer**

**Dr. S. B. Bagal**

**Principal**

### **PROGRAM REPORT**

**Title of the Program:** Blood Donation Camp in association with Divya Marathi Media Group

**Date(s):** From 30/11/2023 to 30/11/2023

**Duration:** 01 day

**Venue:** Electrical Engineering Hall, Sapkal Knowledge Hub Campus, Anjaneri.

**Details of Participants:** 52

**Name of the Contact Person:** Mr. Shrikant Deore, Co-ordinator, Divya Marathi, 9922727700.

#### **Introduction:**

On the occasion of the birth anniversary of Late Mr. Rameshji Agrawal, the founder chairman of the Dainik Bhaskar Group, KCT's Late G. N. Sapkal College of Engineering participated in a blood donation drive. This noble event aimed to honor Mr. Agrawal's legacy by contributing to the community's health and well-being. The blood donation drive was conducted in collaboration with Jankalyan Blood Center, Nashik, ensuring professional medical supervision and efficient handling of the donated blood.

The preparation for the blood donation drive involved meticulous planning and coordination between the college administration, student volunteers, and the Jankalyan Blood Center. Key steps in the planning phase included promoting the event through posters, social media, and announcements within the college to encourage participation. Coordination with Jankalyan Blood Center ensured that all necessary medical equipment, staff, and post-donation care arrangements were in place. Additionally, student volunteers received training to assist with registration, manage the flow of donors, and provide necessary support during the event.

The blood donation drive was held at the college campus, with designated areas set up for registration, medical screening, and blood collection. Volunteers managed the registration desk, where donors filled out consent forms and provided necessary medical history. Each donor underwent a preliminary medical check-up, including blood pressure measurement and hemoglobin level assessment, to ensure they were fit to donate. Under the supervision of trained medical staff from Jankalyan Blood Center, donors proceeded to the blood collection area. The process was conducted with strict adherence to hygiene and safety protocols. After donating blood, each donor was monitored for a short period and provided with refreshments to aid in their recovery.

The event witnessed enthusiastic participation from students and volunteers, with a total of 52 individuals donating blood. The collective effort and spirit of giving were evident as donors lined up to contribute to this life-saving cause. The participation of students highlighted their sense of social responsibility and willingness to contribute to the well-being of the community.

The blood donation drive had a significant positive impact, both in terms of immediate health benefits and broader social awareness. The collected blood units will be used to save lives in medical emergencies, surgeries, and for patients with chronic illnesses. Additionally, the event raised awareness

about the importance of blood donation and encouraged a culture of regular blood donation among students and staff. The drive strengthened the relationship between the college and the community, demonstrating the college's commitment to social causes.

The success of the blood donation drive was made possible through the collaborative efforts of various stakeholders. Special thanks to Jankalyan Blood Center for providing medical expertise and ensuring the safe collection of blood, the student volunteers for their dedication and hard work in organizing and managing the event, and the donors for their generous contributions and willingness to support a noble cause.

The blood donation drive organized by KCT's Late G. N. Sapkal College of Engineering on the birth anniversary of Late Mr. Rameshji Agrawal was a remarkable success. With 52 units of blood donated, the event made a meaningful contribution to the health sector and highlighted the spirit of community service among students and staff. This initiative not only honored the legacy of Mr. Agrawal but also set a precedent for future philanthropic activities within the college.
