PROGRAM REPORT

Title of the Program: Dindi Seva Activity by NSS Unit at Late G. N. Sapkal College of Engineering.

Date(s): 03/06/2023 **Duration of the activity** – 1 Day

Venue: Beze Phata, Anjaneri, Taluka Trimbakeshwar, Dist. Nashik.

Details of Participants: 80

Name of the Contact Person: Prof. K. W. Kale, NSS Program officer, Late G.N. Sapkal College of engineering, Anjaneri.

Introduction:

The NSS Unit of Late G. N. Sapkal College of Engineering at KCT once again demonstrated its commitment to community service through the annual Dindi Seva Activity. This event, a longstanding tradition, involves providing essential support to the pilgrims participating in the Dindi procession of Saint Nivrutti Nath Maharaj from Trimbakeshwar to Pandharpur.

The primary focus of the activity was to offer food and water to the pilgrims, ensuring their well-being during the arduous journey. The NSS volunteers, driven by the spirit of selfless service, dedicated their time and effort to cater to the needs of the pilgrims, embodying the ethos of care and share.

In addition to providing sustenance, the NSS volunteers took the opportunity to raise awareness about *swachh bharat* and environmental conservation. With the theme of "Clean Dindi Procession," the volunteers educated pilgrims about the harmful effects of single-use plastics and urged them to refrain from littering along the path of the Dindi procession. This dual approach not only addressed the immediate needs of the pilgrims but also contributed to the broader goal of fostering a sense of responsibility towards the environment.

The initiative aimed to instill values of care, compassion, and environmental consciousness among the participating students. By actively engaging in the Dindi Seva Activity, the NSS Unit sought to promote the habit of cleanliness, especially in the context of religious events where large gatherings often lead to environmental challenges.

The success of the event was evident not only in the smiles on the faces of the pilgrims who received support but also in the positive impact it had on the volunteers. Through this meaningful endeavor, the NSS Unit at Late G. N. Sapkal College of Engineering reinforced its commitment to social responsibility and community welfare.

In conclusion, the Dindi Seva Activity stands as a testament to the NSS Unit's dedication to making a positive difference in the lives of others while imparting valuable life lessons to the participating students. The event not only nourished the bodies of the pilgrims but also nurtured a sense of

responsibility towards the environment, contributing to the holistic development of the community and its future leaders.
