विषय :- "मिशन विघ्नहर्ता" गणेश विसर्जन २०२३ च्या अनुषंगाने स्वयंसेवी पुरविणेबाबत

महोदय,

उपरोक्त विषयान्वये नाशिक महानगर पालिकेतर्फे दरवर्षी पर्यावरणपूरक गणेशोत्सव साजरा करणेकामी " मिशन विघ्नहर्ता " हा उपक्रम राबवला जातो. सदर उपक्रमाच्या अनुषंगाने नदीचे प्रदूषण टाळण्यासाठी नागरिकांद्वारे गणेश मूर्तीचे नदीपात्रात विसर्जन न करता मनपाद्वारे गणेशमूर्तीचे संकलन करण्यात येते. हा उपक्रम शहरातील सर्व सहा विभागातील विसर्जन स्थळांवर राबविण्यात येत असल्याने याकामी मनपास मोठ्या प्रमाणावर स्वयंसेवकांची आवश्यकता असते.

सर्व आपल्या संस्थेतील स्वयंसेवक "गणेश विसर्जन २०२३" करिता विसर्जनाच्या दिवशी नाशिक महानगरपालिकेस उपलब्ध करून द्यावेत हि विनंती.

Notice
National Service Scheme

All the NSS volunteers and students of KCT's Late G. N. Sapkal College of Engineering are hereby informed that the NSS unit is participating in an activity named "*Mission Vignaharta 2023*" organized by Nashik Municipal Corporation, Nashik. This initiative is aimed to collect Ganapati Idols and other material (*Nirmalya*) which are harmful for the rivers and thus making aware the people about social responsibility and community service.

This activity is the part of *Swachh Bharat Abhiyan* and *Swachhta Hi Seva* Initiative. We encourage all students to join the activity and make the difference. Your involvement is crucial in sustaining this impactful initiative.

For any queries or further details, please contact your respective NSS department coordinators.

Venue: Someshwar Temple, Gangapur road, Nashik

Date: 28/09/2023

Time: 09:00AM to 05:00PM

PROGRAM REPORT

Title of the Program: Mission Vighnharta & Swachhta Hi Seva Activity

Date(s): From 28/09/2023 to 28/09/2023 **Duration:** 01 days

Venue: Someshwar Temple, Gangapur Road, Nashik

Details of Participants: 100

Name of the contact Person: Mr. Subhadh Adke, Coordinator, Mission Vighnharta 2023, NMC

Introduction:

The NSS Unit of Late G. N. Sapkal Engineering College, affiliated with the Savitribai Phule Pune University, actively participated in the "Mission Vighnharta 2023" Ganpati Idol and *Nirmalya* Collection Activity organized by the Nashik Municipal Corporation. This event was not only a crucial aspect of preserving our environment but also aligned with the "Swachhta Hi Seva" campaign promoted by the Government of Maharashtra. A total of 100 enthusiastic NSS student volunteers from our college joined hands to contribute to the success of this noble endeavour.

The primary objective of "Mission Vighnharta 2023" was to promote eco-friendly practices during the Ganpati festival and ensure the proper disposal of Ganpati idols and *nirmalya* (offerings) in a way that does not harm our environment. This initiative aimed to raise awareness among the citizens of Nashik regarding the importance of sustainable celebrations.

Activities and Participation:

Collection Points: The Nashik Municipal Corporation had set up collection points at various locations across the city for the convenience of citizens. Our NSS volunteers were assigned to one of these collection points at Someshwar Temple near *Godawari* river to assist citizens in depositing their Ganpati idols and *nirmalya*.

Awareness Campaign: Alongside the collection activities, our NSS volunteers engaged in an awareness campaign. They interacted with citizens, explaining the significance of eco-friendly celebrations and the environmental hazards associated with improper disposal.

Coordination with Nashik Municipal Corporations workforce: Our NSS volunteers were enthusiastically helping workers of Nashik Municipal Corporation for idols collection, segregation of *nirmalya*, transportation of idols to dedicated vehicles etc.

Segregation and Recycling: After collecting the idols and *nirmalya*, our volunteers helped segregate the materials. Idols made of clay were set aside for recycling, and organic materials from *nirmalya* were processed for composting. This not only reduced waste but also contributed to the sustainable management of resources.

Challenges Faced:

1. **Citizen Cooperation:** While a majority of citizens were cooperative and receptive to eco-friendly practices, some were hesitant to change their traditional ways of idol immersion.
2. **Logistical Issues:** Managing the collection and transportation of a large number of idols and *nirmalya* was challenging at times, but our volunteers worked diligently to overcome these obstacles.

Achievements:

1. **Massive Participation:** With 100 NSS student volunteers from our college, we had a strong presence at collection points throughout Nashik.
2. **Environmental Impact:** The collection and responsible disposal of idols and *nirmalya* significantly reduced the pollution in our water bodies and contributed to a cleaner environment.
3. **Awareness:** Through our awareness campaign, we educated thousands of citizens about the importance of eco-friendly celebrations and sustainable waste management also our participation in "Mission *Vighnharta* 2023" was aligned with the "Swachhta Hi Seva" campaign.

Conclusion: The NSS Unit of Late G. N. Sapkal Engineering College is proud to have actively participated in "Mission *Vighnharta* 2023". This initiative not only exemplified our commitment to community service but also promoted responsible environmental practices. We believe that such activities are instrumental in creating a cleaner and more sustainable future for Nashik and beyond.

We express our gratitude to the Nashik Municipal Corporation and the Government of Maharashtra for organizing and supporting this noble cause. We look forward to continuing our efforts in promoting eco-friendliness and community service in the future.
