Department of Artificial Intelligence and Data Science

Notice

Date-31/07/24

All the students of Late G. N. Sapkal College of Engineering are hereby informed that Department of AI & DS has organized a for **"Blog Making"** competition on the occasion of **'World Wide Web Day'** on **1 August 2024.** Submit your Blog link, upto **3rd August 2024**, along with Login Credential to mail ID- **aidsdepartment2024@gmail.com**

There will be reward for the winners of the competition.

Details for the blog are as follows-

1. Blog Content- Students can create their own blog to share their thoughts, ideas and experiences. This not only enhances the writing skills but also allows them to express themselves and connect with others.
   Students can write about topics they are passionate about such as hobbies, School/College life, study material or current events
2. Students have to mention their name, department and college name within the blog.
3. Students can include photos and pictures preferably educational and related.
4. Create elegant content.

Invitation Letter

To,
Prof. Dr. Sunetra Jain,
Associate Professor,
K. R. Sapkal College of Management Studies,
Nashik.

Subject: Invitation as Judge of "**Blog Writing**" competition.

Dear Madam,

On the occasion of **World Wide Web Day (01/08/2024)**, a "**Blog Writing**" competition was organized for the students of Late G. N. Sapkal College of Engineering, under **A**rtificial Intelligence and **D**ata Science **S**tudents **A**ssociation (**ADSA**) in association with IQAC.

It gives me immense pleasure to invite you as a Judge for "**Blog Writing**" competition, which was conducted by online mode. We firmly believe that your judgement, experience and expertise would enable a flawless judgement.
Kindly communicate your acceptance and convey your suitable time for judgement.

Thank you.

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	"Blog Writing" Online Competition
Activity level	College
Title	College Level "Blog Writing" Online Competition for World Wide Web day (www) celebration
Organized by	Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC
Venue	Data Structure Lab-AIDS
Date	01/08/24 to 03/08/24
Time	NA
Objectives of the activity	1.To make students conversant with the online writing-technological competition. 2.To celebrate World Wide Web day through an online activity. 3.To boost thinking and writing ability of students.
Outcomes of activity	1. Student can develop the thinking and writing ability 2. WWW day was celebrated
Targeted Participants	All college students
Total no. of Participants & % of students	72
Speaker / Resource Person	1. Name: Prof. Dr. Sunetra Jain *(for Judgement)* 2. Designation & Organization: Assistant Professor, K. R. Sapkal College of Management Studies, Nashik. 3. Mobile No.: 9890852345
Content of the activity	Blog writing on any topic
Relevance to POs	PO5, PO9, PO10

G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Relevance to PSOs	PSO1, PSO2
Methodology used	Online mode in which students' blogs were invited to the e-mail id aidsdepartment2024@gmail.com from 01/08/24 to 03/08/24.
Brief Description of the activity	A competition on "Blog Writing" was organized on 01/08/2024 by Department of AIDS Engineering under Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC for all students of Late G. N. Sapkal College of Engineering on the occasion of "World Wide Web" Day. The competition was conducted in online mode in which students' blogs were invited to the e-mail id aidsdepartment2024@gmail.com from 01/08/24 to 03/08/24. Total 72 entries were received. The judgment was done on 21/08/24 by Prof. Dr. Sunetra Jain, Assistant Professor, K. R. Sapkal College of Management Studies, Nashik. She is esteemed faculty at K. R. Sapkal College of Management Studies and has extensive 16 plus years of experience in teaching field from various institutes of Nashik. Around 72 students had participated in the competition. Judgement was based on certain criterion like Originality, Writing Style, Ideas and concepts, Creativity, Descriptive language. One winner and two runner ups are decided. The competition winners are as follows- 1. Bhavesh Patil 2. Pritesh Chavan 3. Akshada Ubale

Letter of Appreciation

To,
Prof. Dr. Sunetra Jain,
Associate Professor,
K. R. Sapkal College of Management Studies,
Nashik.

Subject: - Appreciation for the Judgement of "**Blog Writing**" competition.

Dear Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. On the occasion of **World Wide Web Day (01/08/2024)**, a "**Blog Writing**" competition was organized for the students of Late G. N. Sapkal College of Engineering, under **A**rtificial Intelligence and **D**ata Science **S**tudents **A**ssociation (**ADSA**).

On behalf of our institute, we take this opportunity to express our appreciation for the judgement of the event. We would like to thank for spending valuable time with your expertise in the theme and support.

Thanking You.

With warm regards,

Prof. S. R. Baji

RESOURCE PERSON's FEEDBACK FORM

1. **Name and Address of the Resource Person (With e-mail address & Mob. No.):**
   Dr. Sunetra Jain
   - K R Sapkal College of Management Studies
   Anjaneri Nashik Sunetrajain@gmail.com
   - 91-9890852345

2. **Comments about the Infrastructural capacity of the organizing Institute/Department:**
   Excellent

3. **Comments on the boarding and lodging facilities made available:**
   -

4. **Resource Person views on the program:**
   Nice concept and Idea

5. **Comments about the interaction with the participating students:**

6. **Suggestions to further improvement in the program:**
   Some topic / list should be provided.

7. **Overall impact of the program:**
   Very good and nice team spirit among staff.
   Overall program is based upon the creativity & easy platform for information Exchange.

Feedback Analysis

Title : Competition Feedback - World Wide Web Day
Academic Year : 2024-25
Class : Third Semester [Artificial Intelligence and Data Science Engineering]
Details : Activity

Total number of response(s) : 75 / 75

Question	Overall Organization of the Competition?			
Answer	Value	No. of response(s)	Response value	Response %
Low	1	1	1	0.44
Medium	2	22	44	19.56
High	3	52	156	69.33
Performance				89.33
Final Attainment				2.68

Question	The Rules and guidelines are clearly communicated?			
Answer	Value	No. of response(s)	Response value	Response %
Low	1	2	2	0.89
Medium	2	24	48	21.33
High	3	49	147	65.33
Performance				87.56
Final Attainment				2.63

Question	Scheduling and Management of the event?			
Answer	Value	No. of response(s)	Response value	Response %
Low	1	1	1	0.44
Medium	2	22	44	19.56
High	3	52	156	69.33
Performance				89.33
Final Attainment				2.68

Question	The fairness and evaluation process of the competition?			
Answer	Value	No. of response(s)	Response value	Response %
Low	1	3	3	1.33
Medium	2	21	42	18.67
High	3	51	153	68.00
Performance				88.00
Final Attainment				2.64

Question	The Learning and Technical Contents of the events?			
Answer	Value	No. of response(s)	Response value	Response %
Low	1	1	1	0.44
Medium	2	20	40	17.78
High	3	54	162	72.00
Performance				90.22
Final Attainment				2.71

NOTE:

- Response Value = (Value * Total Number of Responses)
- Response % = (Response Value / (Max Value * Total Number of Responses))

Questionwise Attainment	
Activity Number	Attainment
1	2.68
2	2.63
3	2.68
4	2.64
5	2.71

Program outcome and question mapping

Sub: Invitation as Resource Person for a Workshop on "**Fundamentals of Data Structure and Hands-on Python Programming**".

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to address our Artificial Intelligence and Data Science Students on **"Fundamentals of Data Structure and Hands-on Python Programming"**. The Proposed Date for this is **"09/08/2024"** from **12:30pm** onwards. We firmly believe that your thoughts, experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the workshop.

Thank you.

With Regards,

Prof. S. R. Baji
Head of Department, AIDS

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	One day workshop
Activity level	Department
Title	Fundamentals of Data Structure and Hands-on Python Programming
Organized by	Artificial Intelligence and Data Science Department in Association with IQAC
Venue	AIDS Department classroom, Data Structures Laboratory
Date	09/08/2024
Time	12.30pm onwards
Objectives of the activity	• To understand the standard and abstract data representation methods. • To analyze and understand the structural constraints and advantages of data usage, as well as the various data structures, operations performed on them, and their memory requirements. • To investigate the complexities associated with various data structures and their applications in solving complex problems.
Outcomes of activity	• Students are able to articulate the differences between various data representation techniques and select appropriate methods for specific applications. • Students are able to implement various data structures, perform operations on them, and analyze their memory requirements, allowing them to make informed decisions in system design. • Students can apply analytical skills to identify and investigate complex problems, proposing data structure solutions that optimize performance and efficiency.
Targeted Participants	65
Total no. of Participants &	65 100%

Particulars	Description
% of students	
Speaker / Resource Person	1. Name: Prof. Anand N. Gharu 2. Designation & Organization: Assistant Professor, MET's Institute of Engineering 3. Mobile No.: 8087777708
Content of the activity	Standard and abstract data representation methods, Structural constraints and advantages, Data structures, Operations on it and the memory requirements, Python programming programs, syntax, compilation and execution of Python applications, Design the algorithms to solve the programming problems, Algorithmic strategy for specific application, Time and space complexity, Array and Linked lists.
Relevance to POs	PO1, PO2, PO3, PO4
Relevance to PSOs	PSO1, PSO2
Methodology used	1. Hands-on Practice 2. Presentation with notes and comments. 3. Discussion
Brief Description of the activity	Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized a one day workshop on "Fundamentals of Data Structure and Hands-on Python Programming" The resource person was Prof. Anand N. Gharu, Assistant Professor, MET's Institute of Engineering. The session began with a brief introduction of guest and welcoming the expert of workshop Prof. Anand N. Gharu with importance of the topic with the current subject Fundamentals of Data Structures of the second year syllabus. In a presentation, Prof. Anand N. Gharu highlighted the importance of syntax of the Python programming language. Students acquired knowledge on a wide range of topics, including FDS subject details, fundamental Python programming programs, and syntax. He also covered the compilation and execution of Python applications. Students had the opportunity to ask questions and get clarification on the FDS and Python language during an interactive Q & A session. Queries related to Fundamentals of Data Structures and Python

Particulars	Description
	Language were addressed by the expert. After this educational discussion and practical exercise, the students were incredibly satisfied and enthusiastic. Prof. S. D. Bagade, Program Coordinator and Assistant Professor in the AI&DS Engineering Department, offered the vote of gratitude. The function ended with the National Anthem.

Subject: - Appreciation for the conduction of Workshop on "**Fundamentals of Data Structure and Hands-on Python Programming**".

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of U.G & P.G courses. It aims of conducting high standards of education in the field of engineering. With this reference Department of AIDS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a Workshop on "**Fundamentals of Data Structure and Hands-on Python Programming**".

On behalf of our institute we take this opportunity to express our appreciation to you for the Workshop on under the subject of "**Fundamentals of Data Structures**". It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Workshop
Activity level	Department
Title	One day "LaTeX: Hands-on Workshop"
Organized by	Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC
Venue	DSL lab, AI & DS
Date	21/08/2024
Time	9.30 am - 1pm
Objectives of the activity	1. To make students familiar with LaTex. 2. To guide students to make small presentations with LaTex.
Outcomes of activity	1. Students will be able to develop a well-organized report and presentation by using LaTex. 2. Students will be use LaTex easily for their presentations in future. 3. Students can write precise briefs or reports and technical documents.
Targeted Participants	SE AI & DS students
Total no. of Participants & % of students	63 96.92%
Speaker / Resource Person	1. Name: Prof. Shweta Wankhede 2. Designation & Organization: Asst. Professor (E & TC)- K. K. Wagh IEER 3. Mobile No.: 9850254663
Content of the activity	LaTex basics
Relevance to POs	PO5, PO9, PO10, PO11, PO12

Particulars	Description
Relevance to PSOs	PSO1, PSO3
Methodology used	1. Power point presentation. 2. Presentation with notes and comments. 3. Discussion
Brief Description of the activity	"LaTeX: Hands-on Workshop" by Prof. Shweta Wankhede was organized on 21/08/2024 by Department of AIDS Engineering under Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC for the students of SE (AI & DS). Prof. Shweta Wankhede is currently working as Asst. Professor in E & TC department of K. K. Wagh IEER. LaTeX is a software system for typesetting documents LaTeX offers extremely good control over the formatting of documents. LaTeX is widely used in academia for the communication and publication of scientific documents and technical note-taking in many fields, owing partially to its support for complex mathematical notation. It also has a prominent role in the preparation and publication of books and articles that contain complex multilingual materials, such as Arabic and Greek. Around 60 students from AI & DS Engineering were present for the workshop. All the aspects of LaTex including its importance are covered with hands-on training and live demonstration. Few frequently used commands were demonstrated during the workshop. In summary, the workshop aimed to empower students with a powerful tool for report writing and different presentations.

Letter of Appreciation

To,
Prof. Shweta Wankhede,
Assistant Professor (E & TC),
KKWIEER,
Nashik.

Subject: - Appreciation for the conduction of **"LaTeX: Hands-on Workshop"**

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AIDS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted a **"LaTeX: Hands-on Workshop"** on **"21/08/2024"** for our SE (AI & DS) students under **A**rtificial Intelligence and **D**ata Science **S**tudents **A**ssociation (**ADSA**).

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of workshop. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You.

With warm regards,

Sub: Invitation as Resource Person for a **"Hands on Generative AI Workshop"**.

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to address our Artificial Intelligence and Data Science Students on **"Hands on Generative AI Workshop"**. The Proposed Date for this is **"29/07/2024"** from 01:00pm onwards. We firmly believe that your thoughts, experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the Workshop.

Thank you.

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Workshop
Activity level	Department
Title	"Hands-on Generative AI Workshop"
Organized by	ADSA in association with IQAC
Venue	LGNSCOE, AIDS Department, Classroom-I
Date	29/07/2024
Time	01:00 PM onwards
Objectives of the activity	• To Provide students with a comprehensive understanding of the current state and future potential of generative AI technologies. • To Examine the investment trends and opportunities within the generative AI sector. • Equip students with hands-on experience in building, testing, and deploying generative AI models. • To analyze current trends influencing the development and adoption of generative AI technologies.
Outcomes of activity	• Students will be able to articulate the key players, technologies, and trends shaping the generative AI landscape. • Students will gain insights into potential business applications and be able to identify viable investment opportunities. • Students will create a simple generative AI model, understand testing methods, and learn deployment strategies. • Students will be able to identify and discuss key trends that impact the future of AI.
Targeted Participants	65

Particulars	Description
Total no. of Participants & % of students	63 97%
Speaker / Resource Person	Name: Mr. Trivikrama Designation & Organization: AI Master and IIT Delhi Alumnus, NxtWave
Content of the activity	Generative AI Landscape, Understand Opportunities and Investments, Discover Applications and Demonstrations, Dive into Architecture and Building Blocks, Gain High-Level Understanding of AI, Develop, Test, and Deploy your Model, Build your AI Avatar from scratch, AI current trends, job market demands and opportunities in AI.
Relevance to POs	PO1, PO2, PO3, PO5, PO9, PO12

Methodology used	1. Online Mode 2. Power point presentation. 3. Presentation with notes and comments. 4. Discussion
Brief Description of the activity	Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized a one day workshop on "Hands-on Generative AI Workshop" The resource person was Mr. Trivikrama, AI Master and IIT Delhi Alumnus, NxtWave. Prof. S. R. Baji Head of AIDS department welcomed the guests. The session began with a brief introduction of guest, welcoming all students and emphasizing the currently importance of AI. A presentation highlighted and Mr. Trivikrama Discussed how Artificial Intelligence impacts career opportunities and personal growth. The session covered and Students learned Many points such as Explore the Generative AI Landscape, Understand Opportunities and Investments, Discover Applications and Demonstrations, Dive into Architecture and Building Blocks, Gain High-Level Understanding of AI, Develop, Test, and Deploy your Model, Build your AI Avatar from scratch. He also discussed AI

Particulars	Description
	current trends, job market demands and opportunities in AI. He taught students how to build Generative AI Model within 2 hours and the students even made their own Models. An interactive Q&A session allowed students to ask questions and seek clarification of model building. Queries related to Artificial Intelligence and Models were addressed. At the end of this informative talk and hands-on practice, the Students were really satisfied and enthused. The vote of thanks was delivered by Prof. S. D. Bagade, Program Coordinator, Assistant Professor, AI&DS Engineering Department. The function ended with the National Anthem.

Notice

All students of Second Year are hereby informed that, Five days Add-on Certificate Program on **"C++ Programming Language"** is organized by Artificial Intelligence and Data Science engineering department in association with IQAC at our College. All should attend compulsory and get benefitted for the same.

Session speaker: Prof. Shweta D. Bagade

Date: 30/09/2024 to 05/10/2024

Time : 09.30am onwards

Conduction Mode: Offline

Subject- Approval to the Curriculum of Add on Course

Respected Sir,

With reference to the above subject, Department of Artificial Intelligence & Data Science has planned to organized Add on course on **'C++ Programming Language'** for **SE of AI & DS** students during **30th September 2024 to 05th October 2024.**

The program's syllabus was created by the faculty coordinator and other department faculty members while taking into account the most recent developments in the chosen field.

You are request to approve the contents of the program.

Thanking You.

Invitation Letter

Date: 26/09/2024

To,
Prof. Shweta D. Bagade,
Assistant Professor,
Late G. N. Sapkal College of Engineering,
Nashik – 422213.

Sub: Invitation as Resource Person for a Five Days Add-on Certificate Program on **"C++ Programming Languages"**.

Respected Madam,

It gives me immense pleasure to invite you as a Resource Person to address our Artificial Intelligence and Data Science Students on **"C++ Programming Languages"**. The Proposed Date for this is from **30/09/2024 to 05/10/2024, 09:30am** onwards. We firmly believe that your thoughts, experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the talk.

Thank you.

With Regards,

Prof. S. R. Baji
Head of Department, AIDS

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Five Days Add-on Program
Activity level	Department
Title	Certificate Program on "C++ Programming Language"
Organized by	AIDS Department in Association with IQAC
Venue	AIDS Department, Classroom-I and Data Structures Lab
Date	30/09/2024 to 05/10/2024
Time	9:30 AM to 03:30 PM
Objectives of the activity	• To introduce students to C++ and its foundational concepts. • To provide knowledge of data types, operators, and control structures in C++. • To familiarize students with arrays, pointers, functions and strings in C++.
Outcomes of activity	• Students will demonstrate an understanding of C++ syntax and structure by writing basic programs and articulating the role of C++ in software development. • Students will effectively utilize various data types and operators and implement decision-making and looping constructs, enabling them to develop interactive and dynamic applications. • Students will successfully declare, initialize, and manipulate arrays, pointers, functions and strings, allowing for the effective storage and processing of collections of data.
Targeted Participants	75
Total no. of Participants & % of students	73 97%

Particulars	Description
Speaker / Resource Person	Name: Prof. Shweta Dnyaneshwar Bagade Designation & Organization: Assistant Professor, LGNSCOE Contact Number: 9021502066
Content of the activity	Introduction to C++ and its basics - Datatypes, Operators, Control Structures: decision making and looping statements, Basics of Arrays, Strings, Pointers, Functions and Sorting, Slightly advanced concepts of Structures, Pointers and File handling using C++.
Relevance to POs	PO1, PO2, PO3, PO9, PO12
Relevance to PSOs	PSO1, PSO2
Methodology used	1. PowerPoint Presentation 2. Hands-On Coding Sessions 3. Individual and Group Projects 4. Discussion
Brief Description of the activity	Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized Five days Add-On Certificate Program on "C++ Programming Language". The resource person was Prof. Shweta D. Bagade, Assistant Professor, LGNSCOE. The session began with a brief introduction of guest and welcoming the expert of Add-on program Prof. Shweta Bagade with importance of the topic with the C++ Programming Language of the second year syllabus. During the Five-Day Add-On Certificate Program on "C++ Programming Language," Students engaged in a comprehensive and interactive learning experience. The program began with an introduction to C++, covering its history, significance, and fundamental syntax, allowing students to write their first simple programs. As the week progressed, attendees delved into essential programming concepts such as data types, operators, and control structures, where they practiced implementing decision-making logic and looping constructs through hands-on exercises. The curriculum also included practical sessions on arrays and strings, enabling students to declare, manipulate, and perform operations on these data structures. Furthermore, participants explored pointers and functions, gaining insights into memory management and modular coding practices. The program culminated in advanced topics, including structures and file handling, where

Particulars	Description
	students learned to read from and write to files, enhancing their understanding of data persistence. Throughout the program, students worked on individual and group projects that reinforced their learning, culminating in a final assessment that showcased their newly acquired skills in C++ programming. After this educational discussion and practical exercise, the students were incredibly satisfied and enthusiastic. Prof. M. N. Jadhav Assistant Professor in the AI&DS Engineering Department, offered the vote of gratitude. The function ended with the National Anthem.

Program Schedule Module and Outcome

30 Hours Add-on Program on C++ Programming Language

Sr. No.	Module	Syllabus
1	Module 1	**Basics of C++**
2	Module 2	**Control Structures & Functions**
3	Module 3	**Arrays, Strings & Pointers**
4	Module 4	**Object-Oriented Programming (OOP) Concepts**
5	Module 5	**Advanced Concepts & File Handling**

Sr. No.	Module	Timing	Contents Covered	Outcome
1	Module 1	Session 1 2 Hours	• Introduction to C++ • Structure of a C++ program	• Understand the structure of a C++ program • Use variables, constants & data types • Apply basic arithmetic & operators
		Session 2 2 Hours	• Data types, Variables, Constants • Input/Output (cin, cout)	
		Session 3 2 Hours	• Basic Operators • Comments in C++	
2	Module 2	Session 4 2 Hours	• Conditional Statements (if, else if, switch) • Loops (for, while, do-while)	• Write programs using decision-making and loops • Break problems into functions
		Session 5 2 Hours	• Break and Continue	

			• Functions: Declaration, Definition, Calling	
		Session 6 2 Hours	• Parameter passing methods • Recursion Basics	
3	Module 3	Session 7 2 Hours	• Arrays: 1D & 2D • String Handling (char arrays, string class)	• Handle arrays and perform operations • Manipulate strings efficiently • Understand pointers & their role in memory
		Session 8 2 Hours	• Pointers: Declaration, Initialization, Dereferencing	
		Session 9 2 Hours	• Pointer Arithmetic • Relationship between Arrays and Pointers	
4	Module 4	Session 10 2 Hours	• Classes and Objects • Access Specifiers (public, private, protected)	• Understand and apply OOP principles • Define and use classes and objects • Apply inheritance concepts
		Session 11 2 Hours	• Constructors and Destructors • this Pointer	
		Session 12 2 Hours	• Static Members	

5	Module 5	Session 13 2 Hours	• Polymorphism (Function Overloading, Operator Overloading) • Virtual Functions	• Apply polymorphism in programs • Handle files (read/write) • Use exception handling for error management
		Session 14 2 Hours	• Abstract Classes	
		Session 15 2 Hours	• File Handling (ifstream, ofstream) • Exception Handling (try, catch, throw)

Sub: Invitation as Resource Person for a Seven Days Add-on Certificate Program on **"Python Programming Languages"**.

Respected Madam,

It gives me immense pleasure to invite you as a Resource Person to address our Artificial Intelligence and Data Science Students on **"Python Programming Languages"**. The Proposed Date for this is from **07/10/2024 to 15/10/2024, 12pm** onwards. We firmly believe that your thoughts, experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the talk.

Thank you.

With Regards,

Prof. S. R. Baji
Head of Department, AIDS

Subject- Approval to the Curriculum of Add on Course

Respected Sir,

With reference to the above subject, Department of Artificial Intelligence & Data Science has planned to organized Add on course on **'Python Programming Language'** for **SE of AI & DS** students during **07th October 2024 to 15th October 2024.**

The program's syllabus was created by the faculty coordinator and other department faculty members while taking into account the most recent developments in the chosen field.

You are request to approve the contents of the program.

Thanking You.

Prof. Yogesh Laandge
Program Coordinator

Prof. S. R. Baji

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Seven Days Add-on Program
Activity level	Department
Title	Certificate Program on "Python Programming Language"
Organized by	AIDS Department in Association with IQAC
Venue	AIDS Department, Classroom-I and Data Structures Lab
Date	07/10/2024 to 15/10/2024
Time	12:00 PM to 04:00 PM
Objectives of the activity	To equip participants with a solid understanding of Python programming concepts, enabling them to write efficient and effective code.
Outcomes of activity	• Participants gained hands-on experience with Python programming. • Developed problem-solving skills through coding challenges. • Built a strong foundation for further exploration of advanced topics.
Targeted Participants	74
Total no. of Participants & % of students	63 85%
Speaker / Resource Person	Name: Prof. Y.S. Laandge Designation & Organization: Assistant Professor, LGNSCOE Contact Number: 6232972765
Content of the activity	Introduction to Python and its basics - Datatypes, Variables, Operators, Control Structures: decision making and looping statements, Basics of List, Tuple, Dictionary, Classes, Objects, Inheritance, Polymorphism and Files, slightly advanced concepts of Regular Expressions, Decorators and Generators using Python.

Particulars	Description
Relevance to POs	PO1, PO2, PO3, PO9, PO12
Relevance to PSOs	PSO1, PSO2
Methodology used	1. PowerPoint Presentation 2. Hands-On Coding Sessions 3. Individual and Group Projects 4. Discussion
Brief Description of the activity	Artificial Intelligence and Data Science Department of Late. G. N. Sapkal College of Engineering, Nashik has organized Seven days Add-On Certificate Program on "Python Programming Language". The resource person was Prof. Y.S. Laandge, Assistant Professor, LGNSCOE. The session began with a brief introduction of guest and welcoming the expert of Add-on program Prof. Yogesh Laandge with importance of the topic with the Python Programming Language of the second-year syllabus. During the Seven-Day Add-On Certificate Program on "Python Programming Language," Students engaged in a comprehensive and interactive learning experience. The program began with an introduction to Python, covering its history, significance, and fundamental syntax, allowing students to write their first simple programs. As the week progressed, attendees delved into essential programming concepts such as data types, variables, operators, and control structures, where they practiced implementing decision-making logic and looping constructs through hands-on exercises. The curriculum also included practical sessions on functions and Modules, enabling students to create their own modules and functions. Furthermore, participants explored, gaining insights into object-oriented coding practices. The program culminated in advanced topics, including Regular expression, decorators, generators and lambda functions where students learned to write concise and efficient code. Throughout the program, students worked on individual and group projects that reinforced their learning, culminating in a final assessment that showcased their newly acquired skills in Python programming. After this educational discussion and practical exercise, the students were incredibly satisfied and enthusiastic. Prof. M. N. Jadhav Assistant Professor in the AI&DS Engineering Department, offered the vote of gratitude. The function ended with the National Anthem.

Program Schedule Module and Outcome

30 Hours Add-on Program on Python Programming Language

Sr. No.	Module	Syllabus
1	Module 1	**Introduction to Python**
2	Module 2	**Conditional Statements**
3	Module 3	**Lists, Tuples, Sets, Dictionaries**
4	Module 4	**Object-Oriented Programming (OOP) Concepts**
5	Module 5	**File Handling (read/write)**

Sr. No.	Module	Timing	Contents Covered	Outcome
1	Module 1	Session 1 2 Hours	• Introduction to Python	• Understand Python syntax and structure • Use variables and basic data types • Handle user input/output • Apply arithmetic and logical operators
		Session 2 2 Hours	• Basic Syntax, Variables • Data Types (int, float, str, bool)	
		Session 3 2 Hours	• Input/Output • Operators	
2	Module 2	Session 4 2 Hours	• Conditional Statements (if, elif, else) • Loops (for, while, do-while)	• Apply decision-making in Python programs • Use loops for repetitive tasks • Write and call functions
		Session 5 2 Hours	• Loops (for, while)	
		Session 6 2 Hours	• Range function • Basic Functions	

G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

3	Module 3	Session 7 2 Hours	• Lists, Tuples, Sets, Dictionaries	• Manipulate various data structures • Perform string operations • Efficiently process collections
		Session 8 2 Hours	• String Manipulation	
		Session 9 2 Hours	• List Comprehensions	
4	Module 4	Session 10 2 Hours	• Object-Oriented Programming (OOP) Concepts	• Understand and implement OOP principles • Create and use classes and objects • Apply inheritance and polymorphism
		Session 11 2 Hours	• Classes and Objects	
		Session 12 2 Hours	• Constructors (__init__) • Inheritance & Polymorphism	
5	Module 5	Session 13 2 Hours	• File Handling (read/write)	• Read and write data to files • Manage errors using exceptions • Use Python libraries for tasks
		Session 14 2 Hours	• Exception Handling	
		Session 15 2 Hours	• Modules and Packages • Introduction to Libraries (math, random)

Assistant Professor,
Late G. N. Sapkal College of Engineering,
Nashik – 422213.

Subject: - Appreciation for the conduction of **"30 Hours Add-on Program on Python Programming Language".**

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG&PG courses. It aims of conducting high standards of education in the field of engineering. With this reference Department of AIDS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a Seven Days Add-on Certificate Program on **"Python Programming Languages".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Add-on Program on Python under the subject of **"Computer Graphics".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

Yours faithfully

Notice

Date-01/02/2025

All the students of Artificial Intelligence and Data Science Engineering are hereby informed that Department of AI & DS has organized an Expert Talk **on "Smart Infrastructure Revolution: The Role of AI & IoT"** under Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC on **05/02/2025.**

Details information of the program is as follows-

Resource Person:- : Mr. Parikshit Balte
Designation & Organization: Senior Director of IT at Siemens AG in Zug, Switzerland

Time:- 10.00 am- 11.00 am.

Venue: - AI & DS Classroom

Prof. M. N. Jadhav
Staff Coordinator

Prof. S. R. Baji

Invitation Letter

To,
Mr. Parikshit Balte,
Director of Digital Business Transformation,
Siemens AG, Zug, Zurich, Switzerland.

Sub: Invitation as Resource Person for an Expert Talk on **"Smart Infrastructure Revolution: The Role of AI and IoT"**.

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to conduct an Expert Talk on **"Smart Infrastructure Revolution: The Role of AI and IoT"** for our SE (AI & DS) students. The Proposed Date for this is **"05/02/2025"** from **10:00AM** onwards. We firmly believe that your experience and expertise would enable our students to gain valuable knowledge.

Received Pujate

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the Works.

Thank you.

With Regards,

Prof. S. R. Baji

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Expert Talk
Activity level	Department
Title	"Smart Infrastructure Revolution: The Role of AI & IoT"
Organized by	Department of Artificial Intelligence & Data Science
Venue	AI & DS Classroom
Date	05/02/2025
Time	10a.m.-11a.m.
Objectives of the activity	1. To emphasize the role of IoT in Infrastructure 2. To give idea about rapid urbanization and the need for sustainable, smart cities
Outcomes of activity	1. Students became aware of the various IoT angles with respect to the infrastructure industry. 2. Students got brief idea about smart grid and sustainable future terms
Targeted Participants	AI & DS department students
Total no. of Participants & % of students	69 94%
Speaker / Resource Person	Name: Mr. Parikshit Balte Designation & Organization: Senior Director of IT at Siemens AG in Zug, Switzerland Mobile No.: +41 79 876 21 83
Content of the activity	Discussion about various upcoming changes in infrastructure and integration of AI and IoT in it in brief
Relevance to POs	PO5, PO6, PO9, PO12
Relevance to PSOs	PSO1, PSO3,

Late G. N. Sapkal College of Engineering

Particulars	Description
Methodology used	Power point presentation. Discussion
Brief Description of the activity	An expert talk on "Smart Infrastructure Revolution: The Role of AI & IoT" by Mr. Parikshit Balte was organized on 05/02/2025 by Department of AI&DS for students. Mr. Parikshit Balte is the Senior Director of IT at Siemens AG in Zug, Switzerland. He is currently leading a large-scale digital transformation program at Siemens. Parikshit has over 20 years of experience in IT, Data Analytics and business process management in India, US and Switzerland. He is a graduate in Industrial Engineering from Government College of Engineering Pune and has a Master's degree in Industrial and Systems Engineering from Virginia Tech university in the USA. The lecture was related to use of AI & IoT in infrastructure thus making it smart. From IoT-powered lighting systems to AI-driven energy management smart infrastructure integrates advanced technologies to optimise operations. How smart grids are capable of providing real time information and enables the nearby quick balancing of supply and demand thus facilitating smart control and digital communication was covered in brief. Soon there will be transform in sectors like healthcare, transportation, and agriculture all these points were discussed. Also, the concept of Digital Twin was introduced to students. A digital twin is a virtual representation of an object or system designed to reflect a physical object accurately. It spans the object's lifecycle, is updated from real-time data and uses simulation, machine learning and reasoning to help make decisions. These were very useful concepts introduced and emphasized by the guest to imbibe the fact about the in-depth actual use of AI and IoT in the real world.

Letter of Appreciation

To,
Mr. Parikshit Balte,
Director of Digital Business Transformation,
Siemens AG, Zug, Zurich, Switzerland.

Subject: - Appreciation for the conduction of an Expert Talk on **"Smart Infrastructure Revolution: The Role of AI and IoT"**.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AI&DS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted an Expert Talk on **"Smart Infrastructure Revolution: The Role of AI and IoT"** on **"05/02/2025"** for our SE (AI & DS) students.

Received 12/2/25 Balte

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of an Expert Talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You.

With warm regards,

Prof. S. R. Baji
Head of AI&DS Department

Notice

Date-01/02/2025

All the students of Artificial Intelligence and Data Science Engineering are hereby informed that Department of AI & DS has organized an Expert Talk on **"AI in e-commerce and Fintech"** under Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC on **05/02/2025.**

Details information of the program is as follows-

Resource Person:- : Mr. Kailas Mote,
Designation & Organization: Senior VP, Product Management, Kotak Mahindra Bank, BKC, Bandra, Mumbai

Time:- 11.00 am- 12.00 noon.

Venue: - AI & DS Classroom

Invitation Letter

To,
Mr. Kailas Mote,
Senior VP, Product Management,
Kotak Mahindra bank, BKC complex, Mumbai.

Sub: Invitation as Resource Person for an Expert Talk on **"AI in e-commerce and Fintech".**

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to conduct an Expert Talk on **"AI in e-commerce and Fintech"** for our SE (AI & DS) students. The Proposed Date for this is **"05/02/2025"** from **11:00AM** onwards. We firmly believe that your experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the Works.

Thank you.

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Expert Talk
Activity level	Department
Title	"AI in e-commerce and Fintech"
Organized by	Department of Artificial Intelligence & Data Science
Venue	AI & DS Classroom
Date	05/02/2025
Time	11a.m.-12noon
Objectives of the activity	1. To emphasize the role of AI in finance 2. Understand how Finance industry is becoming Fintech
Outcomes of activity	1. Students became aware of the various IoT angles with respect to the Finance industry. 2. Students got brief idea about Data Mining, Fraud Detection, Risk management, etc.
Targeted Participants	AI & DS department students
Total no. of Participants & % of students	69 94%
Speaker / Resource Person	Name: Mr. Kailas Mote Designation & Organization: Senior VP, Product Management, Kotak Mahindra Bank, BKC, Bandra Mumbai Mobile No.: 9823231828
Content of the activity	Discussion about various upcoming changes in infrastructure and integration of AI and IoT in it in brief
Relevance to POs	PO5, PO6, PO8, PO9, PO11
Relevance to PSOs	PSO1, PSO3

Particulars	Description
Methodology used	Power point presentation. Discussion
Brief Description of the activity	An expert talk on "AI in e-commerce and Fintech" by Mr. Kailas Mote was organized on 05/02/2025 by Department of AI&DS for students. Mr. Kailas Mote is the senior VP of Product management at Kotak Mahindra Bank. Currently, he leads mobile and net banking product division. Kailas has overall 20+ years of experience in 4 different industries- Financial Technology, e-commerce, Consulting and Automotive. Prior to Kotak, Kailas worked in USA with Amazon for 6 years, and in consulting for 5 years. Mr. Kailas graduated in Industrial Engineering from College of Engineering Pune (COEP) in 2002, and completed MBA from Hult International School of Business, Boston in 2011. The lecture was related to use of AI, Artificial Intelligence in Finance industry. Artificial Intelligence is transforming the finance industry by increasing the speed, accuracy, and efficiency of financial services. AI technologies are being used to create innovative solutions that improve customer experiences, lower costs, and drive growth. It is capable of providing excellent customer service and improving customer experiences. Machine learning are capable of analysing massive amounts of data in real time, also machine learning algorithms can identify potential risks and opportunities in real-time detecting fraudulent transactions and preventing financial losses. Improved Lending decisions as AI can help financial institutions make better lending decisions by using data to assess a borrower's creditworthiness. AI can automatically track regulatory requirements and ensure compliance at all times. AI-powered products such as Robo advice platforms, virtual bank tellers, chatbots, and smart advisors are expected to disrupt the traditional banking sector over the next few years. From chatbots and digital assistants to fraud detection and risk management, AI is streamlining various processes and making them more efficient.

Letter of Appreciation

To,
Mr. Kailas Mote,
Senior VP, Product Management,
Kotak Mahindra bank, BKC complex, Mumbai.

Subject:- Appreciation for the conduction of an Expert Talk on **"AI in e-commerce and Fintech"**.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With the reference to above subject, AI&DS Department of Late G. N. Sapkal College of Engineering, Nashik, has conducted an Expert Talk on **"AI in e-commerce and Fintech"** on **"05/02/2025"** for our SE (AI & DS) students.

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of an Expert Talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank you personally for taking time to provide us your expertise and experience in the subject and support.

Thank You.

With warm regards,

Notice

Date-04/04/2025

All the students of Second Year are hereby informed that ADSA in association with IQAC has organized One Day expert talks on

1) Basics of Web 1.0 and 2.0
2) Web 3.0 WTF (Where the Future) Lies

All should attend it compulsory and get benefitted from the same.

Session Speakers: 1) Mr. Rohaan Khan, Co-Founder, Blocwave, Dubai, UAE.
2) Mr. Harsh Sachdev, Founder, Stealth, Dubai, UAE.

Day and Date: Monday, 07/04/2025

Time: 10.00am onwards

Conduction Mode: Offline

Venue: MBA Seminar Hall

Subject: Invitation as Resource Person for a One Day expert talk on "Basics of Web 1.0 and 2.0".

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to conduct a One Day expert talk on "Basics of Web 1.0 and 2.0" for our Artificial Intelligence and Data Science Students. The proposed date for this is "07/04/2025" from 10:00 am onwards. We firmly believe that your experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the workshop.

Thanks and Regards.

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Expert Talk
Activity level	Department
Title	"Basics of Web 1.0 and 2.0"
Organized by	Department of Artificial Intelligence & Data Science students association ADSA in association with IQAC
Venue	MBA Seminar Hall
Date	07/04/2025
Time	10a.m.-11a.m.
Objectives of the activity	1. To make students conversant about changes in web technology 2. To give idea about the career opportunity requirements in web designing field
Outcomes of activity	1. Students became aware of the various changes in web technology 2. Students got brief idea about career opportunity requirements in web designing field
Targeted Participants	AI & DS, Computer, E &TC department students
Total no. of Participants & % of students	115 93%
Speaker / Resource Person	Name: Mr. Rohaan Khan Designation & Organization: Co-Founder, Blocwave, Dubai, UAE Mobile No.: 9130351237
Content of the activity	Discussion about changes in web technology and generated career opportunities in that field in brief
Relevance to POs	PO5, PO9, PO12
Relevance to PSOs	PSO1, PSO3,

Late G. N. Sapkal College of Engineering
Anjaneri

Particulars	Description
Methodology used	Power point presentation, Discussion
Brief Description of the activity	An expert talk on "Basics of Web 1.0 and 2.0" by Mr. Rohaan Khan was organized on 07/04/2025 by Department of Artificial Intelligence & Data Science students association ADSA in association with IQAC for students. Mr. Rohaan Khan is the Co-Founder, Blocwave, Dubai, UAE. He is currently a leading Web 3.0 design and marketing studio, helps in innovative Web 3.0 projects to become standout brands. The Blocwave is a bridge for the gap filling between the projects and impactful branding by offering essential services tailored for the Web 3.0 ecosystem, including brand strategy, community-building, creative design, UI/UX design, and digital marketing. The lecture was related to Basics of Web 1.0 and 2.0 such as Web 1.0 was the first iteration of the internet, characterized by static, read-only content, while Web 2.0 introduced interactivity, user-generated content, and social networking. Also, Blockchain technology, a decentralized and secure ledger, is a key component of Web 3.0, which envisions a more open and user-centric internet. Blockchain careers include developers, engineers, and consultants, as well as roles in security, data analysis, and more. These were very useful concepts introduced and emphasized by the guest to imbibe the fact about the in-depth actual use of blockchain for web 3.0 and the careers involved.

Subject: Appreciation for the conduction as Resource Person of One Day expert talk on "Basics of Web 1.0 and 2.0".

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference department of AI&DS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a One Day expert talk on "Basics of Web 1.0 and 2.0".

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of expert talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with your expertise in the subject and support.

With warm regards,

Notice

Date-04/04/2025

All the students of Second Year are hereby informed that ADSA in association with IQAC has organized One Day expert talks on

1) Basics of Web 1.0 and 2.0
2) Web 3.0 WTF (Where the Future) Lies

All should attend it compulsory and get benefitted from the same.

Session Speakers: 1) Mr. Rohaan Khan, Co-Founder, Blocwave, Dubai, UAE.
2) Mr. Harsh Sachdev, Founder, Stealth, Dubai, UAE.

Day and Date: Monday, 07/04/2025

Time: 10.00am onwards

Conduction Mode: Offline

Venue: MBA Seminar Hall

Subject: Invitation as Resource Person for a One Day expert talk on "Web 3.0 WTF (Where the Future) Lies".

Respected Sir,

It gives me immense pleasure to invite you as a Resource Person to conduct a One Day expert talk on "Web 3.0 WTF (Where the Future) Lies" for our Artificial Intelligence and Data Science Students. The proposed date for this is "07/04/2025" from 11:00 am onwards. We firmly believe that your experience and expertise would enable our students to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the workshop.

Thanks and Regards.

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	Expert Talk
Activity level	Department Level
Title	Expert Talk on "Web 3.0 WTF (Where the Future) Lies"
Organized by	Department of Artificial Intelligence and Data Science
Venue	LGNSCOE, AI&DS Department, Classroom-I
Date	07/04/2025
Time	11:00 am onwards
Objectives of the activity	1. To introduce students to the concepts and applications of Web 3.0. 2. To explore future trends and career opportunities in decentralized web technologies. 3. To provide students with a foundational understanding of Web 3.0 and its significance.
Outcomes of activity	1. Students will be able to demonstrate an understanding of the core concepts and practical applications of Web 3.0 technologies. 2. Students will be able to analyze emerging trends and evaluate potential career opportunities in decentralized web technologies. 3. Students will be able to explain the foundational principles of Web 3.0 and articulate its significance in the evolution of the internet.
Targeted Participants	SE AI&DS, Computer, E&TC Students
Total no. of Participants & % of students	115 Students 90%
Speaker / Resource Person	Mr. Harsh Sachdev (Contact No.: 9021502066) Founder, Stealth, Dubai, UAE

Kalyani Charitable Trust's
Late G. N. Sapkal College of Engineering
Kalyani Hills, Anjaneri, Trimbakeshwar Road, Nashik – 422 213

Content of the activity	The session covered the evolution of the internet from Web 1.0 to Web 3.0, key concepts like blockchain, NFTs, smart contracts, and DAOs. The speaker discussed real-world applications, security implications, and the potential future of Web 3.0 in various industries.
Relevance to POs	PO5, PO9, PO12
Relevance to PSOs	PSO1, PSO2
Methodology used	Power point presentation. Discussion
Brief Description of the activity	The Department of Artificial Intelligence and Data Science organized an expert session titled "Web 3.0 WTF (Where the Future Lies)" to provide students with a foundational understanding of the next generation of internet technologies. The session aimed to familiarize students with the evolution from Web 1.0 and 2.0 to Web 3.0, highlighting the shift toward decentralization, user empowerment, and enhanced data security. The expert speaker delivered engaging insights into how Web 3.0 technologies such as blockchain, NFTs, smart contracts, and decentralized applications are revolutionizing modern industries. Real-world use cases and future career opportunities in these domains were discussed, sparking interest among students. The event concluded with an interactive Q&A session, allowing participants to clarify concepts and engage directly with the expert.

Subject: Appreciation for the conduction as Resource Person of One Day expert talk on "Web 3.0 WTF (Where the Future) Lies"

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference department of AI&DS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted a One Day expert talk on "Web 3.0 WTF (Where the Future) Lies"
On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of expert talk. It was extremely informative and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with your expertise in the subject and support.

With warm regards,

Harsh Sachdev.

Sub: Invitation of five days Workshop on"Python+Django full stack Development".

Respected Sir,

We glad to inform you that Department of Computer Engineering and ACES students is organizing the five days workshop on **Python+Django full stack Development** from 23/09/2024 to 27/09/2024.

It will be great honor for us if you can conduct the workshop in our institute.

Looking forward for your valuable guidance.

Thanks and Regards.

Prof.(Dr.) N.R.Wankhade

Nashik – 422 213

Department of Computer Engineering

Program Module and Outcome
5 days Certificate Course/Add-on Course on
"Python + Django full stack Development".

Sr. No.	Module	Syllabus
1	Module 1	**Introduction to Python:** Learning about Python's syntax, which is similar to pseudo code, and how it's easy to learn. Learning about Python functions. Learning about Python's object-oriented programming style .
2	Module 2	**Client-side technologies:** Learning about client-side technologies like HTML, CSS, and JavaScript.
3	Module 3	**Web design:** Learning about the visual elements and user interface of websites, including layout, aesthetics, and look and feel.
4	Module 4	**Django:** Learning about Django, a framework that helps with web app development, including database-driven websites.
5	Module 5	**Frontend and Backend Frameworks:** Learning about frontend frameworks like Flask or Django. Learning about backend databases like MySQL or MongoDB.

Sr. No.	Module	Outcome
1	Module 1	Students learn about data structures, control statements, and object-oriented concepts.
2	Module 2	Using HTML students are able to create different web pages with different effect of HTML.
3	Module 3	Using CSS3 students are able to create responsive designs with selectors, animations, and media queries for web page styling.
4	Module 4	Learn about Django's MVT architecture, models, views, templates, and form handling. Use Django's user management system to integrate authentication and authorization into online applications
5	Module 5	Learn to build dynamic and interactive web applications from scratch. Learn how to create scalable websites and implement robust data models.

Nashik – 422 213

Title of the Add-on Program: Five day Workshop on "Python + Django full Stack Development".

Number of Day(s): 05 Day

Dates(s) of Conduction:
From 23/09/2024 to 27/09/2024

Venue: Engineering Seminar Hall

Number of Participants:110 **Male: 60** **Female: 50**

Program Objectives:

1. Learn the basics of Python programming, such as data structures, control statements, and object-oriented concepts.
2. Learn how to use HTML and CSS3 to style web pages, and how to use selectors, animations, and media queries to create responsive designs.
3. Learn about Django's architecture, models, views, templates, and form handling.
4. Learn how to build dynamic and interactive web applications from scratch, covering both front-end and back-end development.

Name & Contact Details of the Resource Person(s):

Mr. Manoj Kumavat
Chief Executive Officer
Passion Software Solution Pvt. Ltd, Jalgaon
Mobile: 7841855078

Description / Explanation of the Program:

Department of Computer Engineering has organized an Add-on program of **"Five day Workshop on Python + Django full stack Development"** for the students of Second Year Computer Engineering From **Late G.N. Sapkal college of Engineering, Nashik.**

Outcomes of the Event:

1. Students clear basic concepts of Python and update their knowledge.
2. Students liked Python because of the increased productivity it provides.
3. Learn how to use HTML.
4. Use CSS to create beautiful designs.
5. Learn how to use Bootstrap to quickly design.

RESOURCE PERSON's FEEDBACK FORM

1. **Name and Address of the Resource Person (With e-mail address & Mob. No.):**
   Manoj Ashok Kumavat
   Kumavatmanoj7777@gmail.com
   Passion Software Solution, Jalgaon Near Gokul Hospital, Gandhi Nagar Jalgaon

2. **Comments about the Infrastructural capacity of the organizing Institute/Department:**
   Excellent

3. **Comments on the boarding and lodging facilities made available:**
   It's very Comfortable

4. **Resource Person views on the program:**
   It is very important to take programe like thi

5. **Comments about the interaction with the participating students:**
   Student having good behaviour and they are co-oprati

6. **Suggestions to further improvement in the program:**
   It is necessary to plan these Programe.

7. **Overall impact of the program:**
   Overall programe is good

To,

Mr.Manoj Kumavat

Chief Executive Officer

Passion Software Solution Pvt. Ltd, Jalgaon

Sub: Appreciation of "five days Workshop on Python+Django full stack Development".

Dear Sir,

We wish to place on record our gratitude for your excellent **"five days' Workshop on Python+Django full stack Development"** under the auspicious of our college from 23/09/2024 to 27/09/2024. The Seminar was live ,engaging, thought-provoking and educative. It was enjoyed by one and all, for your deep erudition tempered by the sparkle of your wit. We hope to such opportunities frequently in future.

We wish you long and happy life.

Thanking you once again.

With Regards,

Prof.(Dr.) N. R. Wankhade
HoD

Subject: - Invitation letter to deliver an Expert talk on **Exploring the world of Operating Systems**.

Respected Sir,

We are pleased to invite you to deliver an lecture on Expert talk **"Exploring the world of Operating Systems"** organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable expert talk.

The tentative day, date and time for this program is Thursday, 11th Jul, 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert talk
Activity level	College
Title	Expert talk Exploring the world of Operating Systems
Organized by	Department of Computer Engineering in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri,
Venue	Computer Department NIS Lab.
Date	11/07/2024
Time	11:00 A.M to 2:00 P.M
Objectives of the activity	• To provide a fundamental understanding of Operating Systems. • To explore latest trends, challanges and advancements in Operating Systems, including virtualization, cloud OS, and mobile operating systems. • To offer insights into real-world applications and how they impact various domains.
Outcomes of activity	• The clarity and depth of the concepts discussed. • Insightful examples of real-world applications. • Practical challenges and innovations.
Targeted Participants	71 (T.E Computer Engineering students)
Total no. of Participants & % of students	50 (70%)
Speaker / Resource Person	1. Name: Priyanka Akash Avhad. 2. Designation & Organization: Lecturer K.K.Wagh Polytechnic,Nashik 3. Mobile No.: 7350577046
Content of the activity	Fundamentals of OS, Kernel, Process Management, Memory Management, File Systems virtualization, cloud OS, and mobile operating systems.

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Relevance to POs	PO1, PO2, PO5, PO9, PO12
Relevance to PSOs	PSO1, PSO2.
Methodology used	1. Notes. 2. Discussion. 3. Practical Implementation
Brief Description of the activity	She began by introducing herself and engaging with students on various aspects of operating systems, setting a friendly and interactive tone for the talk. The focus was on bridging the gap between theoretical concepts and practical applications in the field of operating systems. She began with the basics, providing a clear overview of fundamental concepts such as the Kernel, Process Management, Memory Management, and File Systems. This foundational knowledge was crucial in understanding the subsequent, more complex topics. Next, she delved into the evolution of operating systems, tracing their development from legacy systems to the modern-day cloud and mobile OS. This historical perspective helped attendees appreciate the progression and technological advancements in OS design. She also emphasized practical challenges and innovations in the field, such as virtualization, containerization, and real-time systems, highlighting their significance in contemporary OS design. These topics were presented with real-world examples, which made the concepts relatable and easier to grasp. Looking ahead, she touched upon future trends in operating systems, including AI-driven OS and cybersecurity-enhanced platforms, sparking discussions on the potential and challenges these innovations may bring. The expert talk was praised for its engaging and informative content, and it successfully met its objectives by enhancing attendees' understanding of operating systems and their central role in the technology landscape. Positive feedback from participants reflected the session's impact in enriching their knowledge and practical awareness of the subject.

Subject: - Thanks giving letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted an Expert Talk on **"Exploring the world of Operating Systems.".**

On behalf of our institute we take this opportunity to express our appreciation to you for the Conduction of Expert talk on **"Exploring the world of Operating Systems.".** It was extremely useful and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Workshop
Activity level	College
Title	Workshop on Overview of C++
Organized by	Department of Computer Engineering in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri,
Venue	Computer Department DS Lab.
Date	15/07/2024
Time	10:00 A.M to 4:00 P.M
Objectives of the activity	• Fundamental concepts of C++. • Practical examples of how C++ contributes in modern software development. • guidance on leveraging C++ skills in IT industry.
Outcomes of activity	• A deeper understanding of C++ concepts and their practical implementations. Insightful examples of real-world applications. • Improved problem-solving skills and coding techniques. • Insights into industry applications of C++.
Targeted Participants	143. (S.E Computer Engineering students)
Total no. of Participants & % of students	101 (70%)
Speaker / Resource Person	1. Name: Ashwini Vijay Sonawane. 2. Designation & Organization: Lecturer, Matoshree College,Nashik 3. Mobile No.: 7083706867
Content of the activity	Syntax and structure of C++, OOP, Memory Management, advanced features like Templates, Common programming pitfalls
Relevance to POs	PO1, PO2, PO3, PO6.
Relevance to PSOs	PSO1, PSO2, PSO3.
Methodology used	1. Practical implementation with notes 2. Discussion.

Late G.N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Brief Description of the activity	She introduced herself and gave an overview of her work. She gave A brief history of C++ and its impact on modern programming languages. She then gave a quick overview on Syntax and structure of C++. She also gave a comprehensive understanding on Object-Oriented Programming that include Classes, objects, inheritance, polymorphism. On day 2 she covered topics like Memory Management that include Pointers, dynamic allocation, and the role of destructors. Also advanced features like Templates, STL (Standard Template Library were covered in the workshop. She also introduced the students to Common programming pitfalls and gave debugging tips for overcoming the pitfalls. She gave practical demonstration of coding techniques to solve real-world problems. She also emphasized the relevance of C++ in modern programming. The students actively participated, posing insightful questions about challenges faced in programming, tips for mastering C++, and its applications in the industry. The program provided an enriching learning experience, equipping participants with valuable knowledge and skills in C++. The event underscored the importance of programming expertise in today's technology-driven world and motivated attendees to further hone their skills in the language.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted a 1-day Workshop on **"Overview on C++".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of the workshop on **"Overview on C++".** It was extremely useful and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Subject: - Invitation letter to deliver a workshop on Machine Learning and Data Science Application in Industry.

Respected Madam,

We are pleased to invite you to deliver a workshop on "Machine Learning and Data Science Application in Industry" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable workshop.

The tentative day, date and time for this program is Thursday, 25th July, 2024 at 11 AM
Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Workshop
Activity level	College
Title	One-day workshop on **"Machine Learning and Data Science Application in Industry"**
Organized By	Department of Computer Engineering
Venue	PGR Laboratory
Date	25/07/2024
Time	11:00 am
Objectives of the activity	1. To familiarize students with the concepts and applications of machine learning and data science in industry. 2. To provide an understanding of the tools, frameworks, and techniques used in real-world data analysis and predictive modelling. 3. To highlight career opportunities and skills required in machine learning and data science domains.
Outcomes of activity	1. Students gained familiarity with the concepts and real-world applications of machine learning and data science in various industries. 2. Acquired hands-on understanding of tools, frameworks, and techniques used for data analysis and predictive modeling in professional environments. 3. Explored career opportunities, identified key roles, and learned about essential skills and certifications required in machine learning and data science domains.
Targeted Participants	69
Total no. of Participants & % of students	Total no. of Participants present is 65 Total 94 % Present out of 69 students.

Subject: - Invitation letter to deliver an Expert Talk on **"Object-Oriented Programming and Standard Template Library"**

Respected Sir,

We are pleased to invite you to deliver an expert talk on **"Object-Oriented Programming and Standard Template Library"** organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable expert talk.

The tentative day, date and time for this program is Friday, 23th August, 2024 at 10:30 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Prof. J. S. Pawar	Prof. Dr. V. A. Kolhe	Prof. (Dr.) N. R. Wankhade	Prof. (Dr.) S. B. Bagal

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College
Title	Expert Talk on "Object-Oriented Programming and Standard Template Library"
Organized By	Department of Computer Engineering
Venue	PGR Laboratory
Date	23/08/2024
Time	10:30 am
Objectives of the activity	1. Students will gain a comprehensive understanding of Object-Oriented Programming (OOP) ideas and concepts. 2. To provide insights into the Standard Template Library (STL) and its application in modern programming. 3. To enhance practical coding skills and problem-solving abilities through hands-on exercises and real-world examples.
Outcomes of activity	1. Students gained a comprehensive understanding of Object-Oriented Programming (OOP) principles and their practical applications. 2. Developed proficiency in using the Standard Template Library (STL) for modern programming tasks. 3. Improved practical coding skills and problem-solving abilities through hands-on exercises and real-world programming examples.
Targeted Participants	143
Total no. of Participants & % of students	Total no. of Participants present is 116 Total 81 % Present out of 143 students

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted expert talk on **"Object-Oriented Programming and Standard Template Library".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of expert talk on **"Object-Oriented Programming and Standard Template Library".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

RESOURCE PERSON's FEEDBACK FORM

Date: 23/8/24

1. Name of the Host Department:
Comment: Computer.

2. Date and Duration of the program :
Comment: 23|8|2024

3. Name and Address of the Resource Person (With e-mail address &Mob. No.):
Comment: Ms. Archana Subhash Kolhe
archanakolhe59@gmail.com (8766582038)
A/P. Chandori, Tal- Niphad, Dist- Nashik.

4. Date of Participation in the program :
Comment: 23|8|2024

5. Comments about the Infrastructural capacity of the organizing Institute/Department :
Comment: Excellent

6. Comments on the boarding and lodging facilities made available :
Comment: Good.

7. Resource Person views on the program :
Comment: Very Good.

8. Comments about the interaction with the participating students :
Comment: —

9. Suggestions to further improvement in the program :
Comment: No Suggestion

10. Overall impact of the program :
Comment: Excellent.

Subject: - Invitation letter to deliver an Expert Talk on **"Database Management Systems (DBMS)"**

Respected Madam,

We are pleased to invite you to deliver an expert talk on "Database Management Systems (DBMS)" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable expert talk.

The tentative day, date and time for this program is Monday, 2 Sept 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Late G. N. Sapkal College of Engineering ★ KCT's ★ Anjaneri Nashik 422 212

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College
Title	Expert Talk on **"Database Management Systems (DBMS)"**
Organized By	Department of Computer Engineering
Venue	PGR Laboratory
Date	02/09/2024
Time	11:00 am
Objectives of the activity	1. To provide students with a foundational understanding of Database Management Systems (DBMS) and their importance in modern applications. 2. To introduce various database models and explain their applications in real-world scenarios. 3. To highlight industry best practices for database design, optimization, and management.
Outcomes of activity	1. Students gained a foundational understanding of Database Management Systems (DBMS) and their importance in modern applications. 2. Developed familiarity with various database models and their applications in real-world scenarios. 3. Acquired knowledge of industry best practices for database design, optimization, and management.
Targeted Participants	75
Total no. of Participants & % of students	Total no. of Participants present is 70 Total 93 % Present out of 75 students.

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Expert Talk on **"Database Management Systems (DBMS)".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Expert Talk on **"Database Management Systems (DBMS)".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Subject: - Invitation letter to deliver a workshop on Web Technology

Respected Madam,

We are pleased to invite you to deliver a workshop on "Web Technology" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable seminar.

The tentative day, date and time for this program is Monday, 9th Sep, 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212 KCT's

Thanking You,

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	One day Workshop on "Web Technology"
Activity level	College
Title	Workshop on Web Technology
Organized by	Computer Department
Venue	Computer Department DSL Lab
Date	09/09/2024
Time	11.00AM
Objectives of the activity	1. To equip participants with foundational and advanced knowledge of web technologies, including front-end and back-end development. 2. To Provide a fundamental understanding concepts, frameworks, and tools, enabling them to design, develop, and deploy modern, responsive, and interactive websites or web applications.
Outcomes of activity	1. Students gained advanced knowledge of web technologies, including front-end and back-end development. 2. Students are able to design, develop, and deploy modern, responsive, and interactive websites or web applications.
Targeted Participants	71
Total no. of Participants & % of students	(67) 93%

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Speaker / Resource Person	Name: **Ms. Pratiksha Jadhav** Lecturer in Motoshri Asarabai Polytechnic Nashik. Mobile No.: **7387014999**
Content of the activity	1.Industry-standard methodologies and practices for designing secure Website and applications 2. Uses of frameworks, tools, enabling them to design secure Website. 3. Case studies of website development, illustrating the importance of designing of website
Relevance to POs	PO1, PO3,PO5
Relevance to PSOs	PSO1,PSO2
Methodology used	1. Discussion 2. Practical Demonstration 3. Notes
Brief Description of the activity	she shared industry-standard methodologies and practices for designing secure Website and applications, including the use of frameworks, tools, enabling them to design secure Website. She also provides opportunities for hands-on experience with website development through demonstration to enhance practical skills alongside theoretical knowledge. She shared real-world examples and case studies of website development, illustrating the importance of designing of website

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Seminar
Activity level	College
Title	Seminar on "Computer Graphics"
Organized by	Computer Department
Venue	Computer Department DSL Lab
Date	19/09/2024
Time	11.00AM
Objectives of the activity	1. The primary objective of this seminar is to provide participants with an in-depth understanding of computer graphics. 2. To provide practical knowledge of tools and techniques used in computer graphics, such as 3D design software, rendering engines, and visualization platforms
Outcomes of activity	1. Students gained a in depth understanding of the principles of computer graphics 2. Students able to understand practical knowledge of tools and techniques used in computer graphics, such as 3D design software, rendering engines, and visualization platforms.
Targeted Participants	143 (SE Computer)
Total no. of Participants & % of students	(115) & 80%

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Speaker / Resource Person	Name: **Ms. Prinyaka Mandlik** Lecturer in Motoshri Asarabai Polytechnic Nashik. Mobile No.: **9284298232**
Content of the activity	1. Understanding of the fundamental principles of computer graphics, including rendering, modelling, and animation. 2. Acquire practical knowledge of tools and techniques used in computer graphics, such as 3D design software, rendering engines, and visualization platforms. 3. latest developments in computer graphics, such as AI integration, real-time rendering, and augmented/virtual reality.
Relevance to POs	PO1,PO2,PO3,PO5
Relevance to PSOs	PSO1,PSO2
Methodology used	1. Discussion 2. Practical Demonstration
Brief Description of the activity	She Explore the theoretical and practically foundations of computer graphics, such as rasterization, ray tracing, and rendering techniques. Discuss the practical applications of computer graphics in industries such as gaming, film production, architecture, and simulation. Highlight the advancements in fields like 3D modelling, animation, and virtual/augmented reality.

With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Seminar on **"Computer Graphics".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Seminar on **"Computer Graphics".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

RESOURCE PERSON's FEEDBACK FORM

Date: 19/9/24

1. Name of the Host Department:
Comment: Computer.

2. Date and Duration of the program :
Comment: 19/9/24. - 1 day.

3. Name and Address of the Resource Person (With e-mail address &Mob. No.):
Comment: Priyanka Mandlik - 9284298232
(Matashree Polytechnic)

4. Date of Participation in the program :
Comment: 19/9/24.

5. Comments about the Infrastructural capacity of the organizing Institute/Department :
Comment: Nice

6. Comments on the boarding and lodging facilities made available :
Comment: Good

7. Resource Person views on the program :
Comment: Excellent

8. Comments about the interaction with the participating students :
Comment: Excellent.

9. Suggestions to further improvement in the program :
Comment: None.

10. Overall impact of the program :
Comment: Good.

Subject: - Invitation letter to deliver a Seminar on Digital Electronics and logic Design

Respected Madam,

We are pleased to invite you to deliver a Seminar on "Digital Electronics and Logic Design" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for valuable seminar.

The tentative day, date and time for this program is , 27th Sep, 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

KCT's Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Thanking You,
With warm regards.

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Seminar
Activity level	College
Title	Seminar on "Digital Electronics and Logic Design"
Organized by	Computer Department
Venue	Computer Department DSL Lab
Date	27/09/2024
Time	11.00AM
Objectives of the activity	1. The seminar *on* ***"Digital Electronics and Logic Design"*** aims to provide participants with a comprehensive understanding of the fundamental concepts and practical applications of digital electronics and logic circuits. 2. To introduce participants to the core principles of digital systems, including binary logic, number systems, and Boolean algebra.
Outcomes of activity	1. Students are gained a clear understanding of fundamental concepts and practical applications of digital electronics and logic circuits. 2. Acquire skills in to the core principles of digital systems, including binary logic, number systems, and Boolean algebra.
Targeted Participants	143
Total no. of Participants & % of students	(110) & 77%
Speaker / Resource Person	Name: **Ms. Priyanka Rumane** Lecturer in Motoshri Asarabai Polytechnic Nashik Mobile No.: **9881145152**

G.N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Content of the activity	1. Understanding of digital systems, number systems, Boolean algebra, and the principles of logic circuit design. 2.Acquire skills in using modern tools and technologies such as logic analyzers, circuit simulators, and hardware description languages (HDLs) for digital system design.
Relevance to POs	PO1,PO2,PO3,PO4,PO5
Relevance to PSOs	PSO1,PSO2
Methodology used	1.Discussion 2.Practical Demonstration
Brief Description of the activity	She shared to equip attendees with the skills to design and analyse combinational and sequential circuits such as adders, multiplexers, flip-flops, and counters. To highlight real-world applications of digital electronics in computing, embedded systems, and communication technologies.

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Seminar on **"Digital Electronics and Logic Design".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Seminar on **"Digital Electronics and Logic Design".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

Subject: - Invitation letter to deliver a workshop on MongoDB

Respected Madam,

We are pleased to invite you to deliver a workshop on "MongoDB" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for Workshop.

The tentative day, date and time for this program is Monday, 30th Sep, 2024 at 10:30 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212 KCT's

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	One – Day Workshop
Activity level	College Level
Title	One-Day workshop on **"MongoDB"**
Organized by	Computer Department
Venue	PG Lab, Computer Department
Date	30/09/2024
Time	10.30am
Objectives of the activity	1. To describe the core features and architecture of MongoDB. 2. To detail the structure of MongoDB's data model, including documents, collections, and databases. 3. To explain how MongoDB handles indexing and querying.
Outcomes of activity	1. Students will be able to understand the core features and architecture of MongoDB, including its document-oriented structure and scalability. 2. Students will be learn the structure of MongoDB's data model, focusing on documents, collections, and databases. 3. Students will be able to understand how MongoDB handles indexing and querying to efficiently retrieve and manage data.
Targeted Participants	71
Total no. of Participants & % of students	60(84%)
Speaker / Resource Person	Mrs. M. P. Chavanke Freelance ASP.net developer Pathfinder Pvt Ltd, Nashik

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212 KCT's

Scanned with OKEN Scanner

Particulars	Description
	9403950723
Content of the activity	1. Installation and Setup: 2. Working with Databases and Collections: 3. Querying Documents: 4. Creating and Using Indexes: 5. Building a Simple Application with MongoDB:
Relevance to POs	PO1, PO2, PO3, PO5, PO9, PO12
Relevance to PSOs	PSO1, PSO2.
Methodology used	1. Presentation with notes and comments. 2. Discussion
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organised one-day workshop on **"MongoDB"**. Prof. (Dr.) N.R. Wankhade HOD of Computer Engineering department felicitated **Mrs. M. P. Chavanke** from Freelance ASP.net developer Pathfinder Pvt Ltd, Nashik. She introduced himself and interacting with students on various aspect. She shared industry-standard methodologies and practices for designing Database and applications, including the use of ACID transactions and its consistency models.. She also provides opportunities for hands-on experience with Database developer and Data Administrator through demonstration to enhance practical skills alongside theoretical knowledge. She shared real-world examples and case studies of Touch upon emerging trends in the database industry, such as integration with machine learning, support for hybrid cloud environments, and further advancements in database automation. Around 60 students & staff members from Department of Computer Engineering were present for the seminar.

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering.The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Workshop on **"MongoDB".**

On behalf of our institute we take this opportunity to express our appreciation to you for the Conduction of Workshop on **"MongoDB".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Subject: - Invitation letter to deliver a Expert Talk on Data Structure

Respected Sir,

We are pleased to invite you to deliver a expert talk on "Data Structure" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for expert talk.

The tentative day, date and time for this program is Thursday, 03th Oct, 2024 at 10:30 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College Level
Title	Data Structure
Organized by	Computer Department
Venue	DS Lab, Computer Department
Date	03/10/2024
Time	10:30am
Objectives of the activity	1. To introduce the basic concept of data structures and their importance in computer science. 2. To categorize and explain the various types of data structures. 3. To describe the various operations that can be performed on different data structures.
Outcomes of activity	1. Students will be able to understand the fundamental concept of data structures and their essential role in organizing and managing data efficiently in computer science. 2. Students will be able to learn classify and describe the different types of data structures, such as arrays, linked lists, stacks, queues, trees, and graphs. 3. Students will be able to understand and explain the various operations, such as insertion, deletion, and traversal, that can be performed on different data structures.
Targeted Participants	143

Scanned with OKEN Scanner

Particulars	Description
Total no. of Participants & % of students	110(77%)
Speaker / Resource Person	Mr. Hemant Mankar M. S. Gosavi Polytechnic, Nashik 9881608253
Content of the activity	1. Icebreaker and Polling 2. Interactive Presentation 3. Live Coding – Implementing an Array 4. Live Coding – Implementing a Linked List
Relevance to POs	PO1, PO2, PO3, PO5, PO9, PO12.
Relevance to PSOs	PSO1, PSO2.
Methodology used	1 Practical with notes and comments. 2 Discussion
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organised Expert Talk on **"Data Structure".** Prof. (Dr.) N.R. Wankhade HOD of Computer Engineering department felicitated **Mr. Hemant Mankar** from M. S. Gosavi Polytechnic, Nashik. He introduced himself and interacting with students on various aspect. He shared industry-standard methodologies and practices for Data structures are foundational for many algorithms and systems, and each structure is suited for different types of applications practices. He also provides opportunities for hands-on experience with **persistent data structures**, **parallel data structures** through demonstration to enhance practical skills alongside theoretical knowledge. He shared real-world examples and case studies of **parallel data structures** for multi-core processing, and **distributed data structures** used in cloud computing and successful security implementations, illustrating the importance of proactive security measures. Around 110 students & staff members from Department of Computer Engineering were present for the expert talk.

Subject: - Thanks giving letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering.The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Expert Talk on **"Data Structure".**

On behalf of our institute we take this opportunity to express our appreciation to you for the Conduction of Expert Talk on **"Data Structure".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Subject: - Invitation letter to deliver a Expert Talk on Computer Network and Security.

Respected Sir,

We are pleased to invite you to deliver a Expert Talk on "Computer Network and Security" organized by Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of computer department of our college. Kindly provide convenient date for expert talk.

The tentative day, date and time for this program is Monday, 07th Octo, 2024 at 10:30 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

KCT's Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College Level
Title	Computer Network and Security
Organized by	Computer Engineering
Venue	NIS Lab, Computer Department
Date	07/10/2024
Time	10:30 AM
Objectives of the activity	1. To introduce the fundamental concepts of computer networks, including types of networks, components, and protocols. 2. To explain the role of network protocols in enabling communication between devices over a network. 3. To provide an understanding of the basic principles of network security, its importance, and its role in safeguarding communication and data.
Outcomes of activity	1. Students will be able to understand the basic of computer network, components, and protocols. 2. Students will be able to understand how network protocols define the rules and standards that enable devices to communicate effectively over a network. 3. Students will be able to understanding principles of network security and its critical role in protecting data and communication from thr

Speaker / Resource Person	Ms. Aishwarya Sanap Matoshree Asarabai Polytechnic College, Nashik 9172319011
Content of the activity	1. Introduction to Computer Networks 2. Basic Networking Concepts 3. Network Security Principles 4. Securing Network Infrastructure
Relevance to POs	PO1, PO2, PO3,PO5, PO9,PO12.
Relevance to PSOs	PSO1.
Methodology used	1. Discussion 2. Practical with notes and comments.
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organised Expert Talk on **"Computer Network and Security".** Prof. (Dr.) N.R. Wankhade HOD of Computer Engineering department felicitated **Ms. Aishwarya Sanap** from Matoshree Asarabai Polytechnic College, Nashik. She introduced himself and interacting with students on various aspect. She also provides opportunities for hands-on experience with Network Administrator and security tools through demonstration to enhance practical skills alongside theoretical knowledge. She shared real-world examples and case studies of importance of computer networks and security in maintaining the confidentiality, integrity, and availability of data of proactive security measures. Around 59 students & staff members from Department of Computer Engineering were present for the expert talk.

Subject: - Thanks giving letter.

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted Expert Talk on **"Computer Network and Security".**

On behalf of our institute we take this opportunity to express our appreciation to you for the Conduction of Expert Talk on **"Computer Network and Security".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,
With warm regards.

Subject: - Invitation letter to deliver an Expert Talk on Software Testing and Quality Assurance.

Respected Sir,

We are pleased to invite you to deliver an Expert Talk on "Software Testing and Quality Assurance" organized by the Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We want to take this opportunity to invite you to speak at our college's computer department. It would be our privilege if you could accept our earnest request and share your knowledge with our college's audience. Kindly provide a convenient date for the valuable seminar.

The tentative day, date, and time for this program is Thursday, 10th October 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212 KCT's

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College
Title	Expert Talk on **"Software Testing and Quality Assurance"**
Organized by	Computer Department
Venue	Computer Engineering Department
Date	10/10/2024
Time	11:00 AM
Objectives of the activity	1. To provide participants with an in-depth understanding of software testing methodologies. 2. To highlight the critical role of quality assurance in the software development lifecycle (SDLC). 3. To explore advanced industry tools and techniques for enhancing software quality.
Outcomes of activity	1. Participants gained a foundational knowledge of software testing methodologies and practices. 2. They were introduced to industry-standard tools like Selenium and JUnit, enhancing their technical skill set. 3. Students can explore advanced industry tools and techniques for enhancing software quality.
Targeted Participants	69
Total no. of Participants & % of students	64 (93%)
Speaker / Resource Person	1. Name: Ms. Vidya Kale 2. Designation & Organization: Lecturer, Matoshri Aasarabai Polytechnic, Eklahare, Nashik 3. Mobile No.: 9067975852

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
Content of the activity	Topics covered: 1. Software Testing fundamentals: Unit, Integration, System, and Acceptance Testing. 2. Automation Testing: Tools like Selenium, JMeter, and TestNG. 3. Agile and DevOps methodologies in QA. 4. Industry best practices for QA.
Relevance to POs	PO1, PO2, PO5, PO9, PO12
Relevance to PSOs	PSO1
Methodology used	1. PowerPoint presentation. 2. Interactive discussion. 3. Real-world case study examples.
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organized an Expert Talk on "**Software Testing and Quality Assurance**". Prof. (Dr.) N.R. Wankhade HOD of the Computer Engineering department felicitated Ms. Vidya Kale from Matoshri Aasarabai Polytechnic, Eklahare, Nashik. The expert talk on Software Testing and Quality Assurance was conducted to enhance students' understanding of the importance of software testing in ensuring the quality and reliability of software products. The speaker provided detailed insights into the various types of testing, including manual and automation testing. Participants were introduced to tools like Selenium and JIRA and learned about Agile and DevOps integration in QA. The session also covered career opportunities, certifications, and future trends in the domain. The interactive session at the end allowed participants to ask questions, making it an enriching and engaging experience. Around 75 students & staff members from the Department of Computer Engineering were present for the seminar.

Subject: - Thanks giving letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides a wide range of B.E. courses. It aims to conduct high standards of education in the field of engineering. The college conducts courses in various engineering streams, at the undergraduate level & postgraduate level, which are conducted strictly per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted an Expert Talk on **"Software Testing and Quality Assurance".**

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Expert Talk on **"Software Testing and Quality Assurance".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking the time to provide us with the full information.

Thanking You,
With warm regards.

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College
Title	Expert Talk on **"Cyber Security"**
Organized by	Computer Department
Venue	Computer Engineering Department
Date	11/10/2024
Time	11:00 AM
Objectives of the activity	1. To raise awareness about the latest challenges and threats in Cyber Security. 2. To provide insights into tools, techniques, and frameworks for mitigating cyber threats. 3. To enhance students' understanding of ethical hacking and its importance in securing IT infrastructure.
Outcomes of activity	1. Participants gained a fundamental understanding of cyber threats and vulnerabilities. 2. They learned about industry-standard tools like Wireshark, Kali Linux, and Metasploit. 3. Students were inspired to pursue careers in Cyber Security and explore certification opportunities like CEH and CISSP.
Targeted Participants	139

Particulars	Description
Content of the activity	Topics Covered: 1. Overview of Cyber Security: Definitions, principles, and significance. 2. Common Cyber Threats: Phishing, ransomware, malware, and social engineering attacks. 3. Tools and Techniques: Ethical hacking, penetration testing, and security audits. 4. Preventive Measures: Firewalls, encryption, multi-factor authentication, and regular updates. 5. Career Prospects in Cyber Security: Skills, certifications (e.g., CEH, CISSP), and job opportunities.
Relevance to POs	PO1, PO2, PO6, PO12
Relevance to PSOs	PSO1
Methodology used	1. PowerPoint Presentation 2. Live demonstration of cyber security tools 3. Discussion and Q&A session
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organized an Expert Talk **"Cyber Security"**". Prof. (Dr.) N.R. Wankhade HOD of the Computer Engineering department felicitated Ms. Ashwini Gaikwad from Matoshri Aasarabai Polytechnic, Eklahare, Nashik. The expert talk on Cyber Security was conducted to enhance awareness about the growing significance of cyber security. The session began with an introduction to the basics of cyber security and its relevance in safeguarding digital information. The speaker provided insights into various types of cyber threats and demonstrated live examples of phishing and malware attacks. Participants were introduced to tools like Kali Linux, Wireshark, and Metasploit for ethical hacking and penetration testing. The talk concluded with a discussion on career opportunities in cyber security and the certifications required to excel in this field. The session was highly interactive and provided practical knowledge to students and faculty.

Subject: - Thanks giving letter.

Respected Sir,

Late G. N. Sapkal College of Engineering provides a wide range of T.E. & B.E. courses. It aims to conduct high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Computer Engineering of Late G. N. Sapkal College of Engineering in association with IQAC, Nashik, conducted an Expert Talk on **"Cyber Security"**.

On behalf of our institute, we take this opportunity to express our appreciation to you for the Conduction of Expert talk on **"Cyber Security"**. It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking the time to provide us with the full information.

Thanking You,

With warm regards.

Respected Sir,

We are pleased to invite you to deliver an Expert Talk on "Internet of Things" organized by the Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We want to take this opportunity to invite you to speak at our college's computer department. It would be our privilege if you could accept our earnest request and share your knowledge with the audience. Kindly provide a convenient date for the valuable seminar. The tentative day, date, and time for this program is Tuesday, 15th Oct 2024 at 11 AM

Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Expert Talk
Activity level	College
Title	Expert Talk on **"Internet of Things (IoT)"**
Organized by	Computer Department
Venue	Computer Engineering Department
Date	15/10/2024
Time	11:00 AM
Objectives of the activity	1. To introduce the concept and fundamentals of IoT. 2. To explain the architecture and components of IoT systems. 3. To discuss applications and case studies of IoT in real-world scenarios. 4. To explore career opportunities and industry trends in IoT.
Outcomes of activity	1. Participants understood the basics of IoT, including its architecture and key components. 2. They gained knowledge of real-world IoT applications in industries such as agriculture, healthcare, and smart cities. 3. Students were made aware of IoT tools and platforms like Arduino, Raspberry Pi, and ThingSpeak. 4. Participants explored emerging career opportunities and certifications in IoT.
Targeted Participants	71
Total no. of Participants & % of students	69 (97%)
Speaker / Resource Person	1. Name: Ms. Pragati Ghayvate 2. Designation & Organization: Lecturer, Matoshri Aaearabai Polytechnic, Eklahare, Nashik 3. Mobile No.: 7038399839

G.N. Sapkal College of Engineering Anjaneri Nashik 422 212

Kalyani Charitable Trust's

Late G. N. Sapkal College of Engineering

Kalyani Hills, Anjaneri, Trimbakeshwar Road, Nashik – 422 213

Particulars	Description
Content of the activity	The expert talk covered the following topics: 1. Introduction to IoT: Definition, concept, and scope of IoT. 2. IoT Architecture: Perception layer, network layer, and application layer. 3. Applications of IoT: Smart homes, healthcare, industrial IoT, and smart cities. 4. Challenges in IoT: Scalability, security, and data privacy. 5. Future Trends in IoT: Integration with AI, blockchain, and edge computing.
Relevance to POs	PO1, PO2, PO5, PO9, PO12
Relevance to PSOs	PSO1
Methodology used	1. PowerPoint presentation with visuals and case studies. 2. Interactive discussions and Q&A sessions. 3. Examples of IoT implementations using videos and live demonstrations
Brief Description of the activity	Computer Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212 organized an Expert Talk on "**Internet of Things**". Prof. (Dr.) N.R. Wankhade HOD of the Computer Engineering department felicitated Ms. Pragati Ghayvate from Matoshri Aasarabai Polytechnic, Eklahare, Nashik. The expert talk was conducted to familiarize participants with the fundamentals of IoT. The speaker began by introducing the IoT ecosystem, including its architecture and components. Real-world applications such as smart homes, healthcare monitoring, and industrial IoT were discussed. The challenges of implementing IoT, including security and scalability, were also addressed. The session concluded with insights into emerging trends such as AI-powered IoT and blockchain for secure data exchange. The talk was highly interactive, with students engaging in discussions and posing questions to the experts. Around 72 students & staff members from the Department of Computer Engineering were present for the seminar.

NOTICE

(Online Webinar)

All Civil Engineering Students, please be informed that the Civil Engineering Department in association with IQAC of LGNSCOE will be hosting an online webinar on Friday, February 07, 2025. This is a valuable opportunity to learn from industry experts and gain insights into the latest developments in the field of civil engineering.

Date: Friday, February 07, 2025.

Time: 12:30 PM to 01:30 PM

Venue: Online mode

We encourage all students to attend this informative event.

We look forward to your active participation in this enriching and informative program.

Thank you for your attention and participation.

Subject: Request to Organize Webinar on Civil Engineering Software for students.

Respected Sir,

With reference to the aforementioned subject, Civil Engineering Student Association (CESA) of Civil Engineering in association with IQAC of Late G. N. Sapkal College of Engineering would like to organize a Webinar on Civil Engineering Software by Er. Rohit Pawooskar for SE, TE and BE the students of civil engineering.

We hereby request you to kindly give permission for the same.

Thanking you.

Yours faithfully,

Activity Report

Particulars	Description
Department	Civil Engineering
Activity	Webinar
Activity level	College level
Title	Webinar on Civil Engineering Softwares
Organized by	Department of Civil Engineering and Civil Engineering Students Association (CESA) in association with IQAC of LGNSCOE.
Venue	Online
Date	February 07, 2025
Time	12:30 PM to 01:30 PM
Objectives of the activity	1. **To introduce** civil engineering students to the significance and application of software in the field. 2. **To provide** an overview of commonly used civil engineering software's, with a specific focus on STAAD.Pro and ETABS. 3. **To explain** the fundamental concepts and functionalities of STAAD.Pro for structural analysis and design. 4. **To illustrate** the capabilities of ETABS for the analysis and design of building structures.
Outcomes of activity	1. Enhanced Awareness: Students gained a clear understanding of the crucial role of civil engineering softwares in the industry. 2. Software Introduction: They were effectively introduced to the fundamental concepts and applications of STAAD.Pro and ETABS. 3. Practical Insights: The real-world examples shared by Er. Pawooskar provided valuable practical context and motivation for learning these tools. 4. Conceptual Clarity: The demonstrations and explanations helped students grasp the basic workflows and functionalities of the featured softwares.
Targeted Participants	60
Total no. of	48 (80.00 %)

Particulars	Description
Participants & % of students	
Speaker / Resource Person	Er. Rohit Pawooskar (Structural Engineer)
Content of the activity	Webinar on Civil Engineering Softwares
Relevance to POs	PO 01, PO 05 and PO 08
Relevance to PSOs	PSO 01 Analyze and design various civil engineering structures and roads.
Methodology used	1. Power point presentation. 2. Presentation with notes and comments. 3. Discussion
Brief Description of the activity	The Department of Civil Engineering at Late G. N. Sapkal College of Engineering, Nashik, organized an insightful online webinar on "Civil Softwares" for its civil engineering students. Hod of Civil Engineering Prof. Dr. K. A. Salunke welcomed the guest, program coordinator Prof. K. M. Deore introduced guest. The session was expertly led by Er. Rohit Pawooskar, a practicing Structural Engineer with significant experience in utilizing these software in real-world projects. The online platform facilitated seamless participation from students across different semesters. The webinar on "Civil Softwares," conducted by Er. Rohit Pawooskar, was a successful and enriching learning experience for the civil engineering students of Late G. N. Sapkal College of Engineering, Nashik. The session effectively met its objectives by providing a comprehensive introduction to STAAD.Pro and ETABS, highlighting their practical applications, and motivating students to acquire proficiency in these essential tools. The positive feedback received from the participants indicates the relevance and impact of this initiative. The Department of Civil Engineering intends to organize more such informative sessions in the future to bridge the gap between academic learning and industry requirements, ultimately preparing well-equipped and industry-ready civil engineers.

NOTICE

Dear Faculty Members, it is inform you that, on the occasion of Engineers Day 2024, our Civil Engineering Department will be hosting an Expert Lecture on September 14, 2024. This event aims to celebrate the contributions of engineers and provide valuable insights from an esteemed professional in the field.

To ensure the smooth and successful conduction of the program, responsibilities have been assigned to faculty members as follows:

Sr. No.	Responsibility/ties	Name of Faculty
1.	Event Coordinator	Prof. Dr. K. A. Salunke and Prof. K. M. Deore
2.	Venue and Setup	Mr. Navnath Mahale and Mr. Sachin Patil
3.	Guest Invitation & Appreciation	Prof. S. U. Pagar
4.	Publicity and Communication	All Class Coordinators a) Prof. S. H. Tanpure (SE) b) Prof. D. D. Shelke (TE) c) Prof. T. R. Shinde (BE)
5.	Geotagged Photos & Without Geotagged Photos	Prof. A. U. Mankar and Ms Priyanka Ahire
6.	Refreshments and Catering	Prof. D. D. Shelake
7.	Collection of Poster	Prof. T. R. Shinde
8.	Felicitation of Guest, faculties and CESA committee	Prof. R. R. Kuwar
9.	Attendance of Staff & Students	Prof. N. B. Gawali
10.	Students and resource persons feedback	Prof. N. R. Nimse and Ms Priyanka Ahire
11.	Anchoring & Vote of Thanks	Prof. S. H. Tanpure
12.	Documentation and Follow-Up	Prof. K. M. Deore

Please ensure that all preparations are completed in advance and that any issues are communicated promptly. Your cooperation is essential for the success of this event.

Thank you for your attention and cooperation.

Activity Report

Particulars	Description
Department	Civil Engineering
Activity	Expert Talk
Activity level	College level
Title	Steel building construction and detailing
Organized by	Department of Civil Engineering and Civil Engineering Students Association (CESA) in association with IQAC of LGNSCOE.
Venue	C-F03 (Classroom)
Date	September 14, 2024
Time	12:30 PM to 01:30 PM
Objectives of the activity	1. To Educate Students on Steel Construction: Provide in-depth knowledge about the principles and practices of steel building construction. 2. To Highlight the Importance of Detailing: Emphasize the significance of precise detailing in ensuring structural integrity and safety. 3. To Bridge Theory and Practice: Connect theoretical knowledge from the classroom with real-world applications in the engineering industry. 4. To Foster Professional Development: Encourage students to engage with industry practices and trends, enhancing their readiness for future careers.
Outcomes of activity	1. Increased Knowledge and Awareness: Students gained a comprehensive understanding of steel building construction and the critical role of detailing in ensuring structural integrity. 2. Enhanced Engagement: The interactive nature of the session encouraged students to actively participate, fostering a deeper interest in the subject. 3. Practical Insights: Students received practical knowledge that can be directly applied to their academic projects and future careers, bridging the gap between classroom learning and real-world applications.

Particulars	Description
	4. Professional Development: The talk motivated students to explore advancements in engineering technology and trends, preparing them for future challenges in the industry.
Targeted Participants	60
Total no. of Participants & % of students	47 (78.33 %)
Speaker / Resource Person	1. Name: Er. Parth Bhavsar 2. Designation & Organization: CEO, Sai Vatsal Structural Consultant, Nashik. 3. Mobile No.: 9766289698
Content of the activity	Steel building construction and detailing
Relevance to POs	PO 07 Understand the impact of the civil engineering solutions in societal and environmental contexts. PO 08 Apply ethical principles and commit to professional ethics, responsibilities and norms of the civil engineering practice. PO 09 Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings. PO 10 Communicate effectively on civil engineering activities with the engineering community and with society at large. PO 11 Demonstrate knowledge and understanding of management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments. PO 12 Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.
Relevance to PSOs	PSO 02 Understand rate analysis, quantity survey, field survey, project management tools, project cost estimation preparation and project planning.
Methodology used	1. Power point presentation. 2. Presentation with notes and comments. 3. Discussion
Brief Description of the activity	Expert Speaker The expert talk was delivered by Mr. Parth Bhavsar, a renowned

G. N. Sapkal College of Engineering Anjaneri Nashik 422 212 NCTE

Particulars	Description
	expert in the field of steel construction. Mr. Bhavsar's extensive experience and expertise in the industry made him an ideal speaker for this event. Key Topics Covered The expert talk covered a wide range of topics related to steel building construction and detailing, including: Design principles: The fundamental principles and methodologies used in the design of steel structures. Construction techniques: The various construction techniques employed in the erection and assembly of steel buildings. Detailing requirements: The importance of accurate and precise detailing in steel construction. Material selection: The selection of appropriate steel materials and their properties. Code compliance: Adherence to relevant building codes and standards. Case studies: Real-world examples of steel building projects to illustrate design and construction concepts.

Subject: - Invitation letter to conduct Expert Talk on "Trends in Drone Technology"

Respected Sir,

We are pleased to invite you as a resource person for the Expert Talk on "Trends in Drone Technology" organized by Electronics & Telecommunication Engineering Department on the date 05/07/2024 in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212.

We will be grateful if you could share your valuable expertise on the topic aforementioned. We hope that the students will be benefitted by attending the expert talk with the topic of current edge technology.

We look forward to your presence in the campus.

Thanking You,
With warm regards.

Yours Faithfully,

Prof S.B.Borse
HOD ,E&TC Engg.

Activity Report

Particulars	Description
Department	Electronics and Telecommunication
Activity	Expert Talk
Activity level	College
Title	Trends in Drone Technology
Organized by	E&TC Department ASSET in association with IQAC.
Venue	Electronics and Telecommunication department (Basic Electronics lab)
Date	5-7-2024
Time	1:00 PM to 3:00 PM
Objectives of the activity	• To explore the basic concept of drone technology. • To understand the benefit of drone technology that will be helpful for their professional life • To aware the students about the opportunities in the drone industry. • To get Motivation and inspiration from Alumni to current students through Alumni Talk.
Outcomes of activity	• Understood drone components • Got familiar about drone Applications across different industries. • Got aware about emerging trends, innovation and opportunities in drone technology
Targeted Participants	TE Students
Total no. of Participants & % of students	56 & 78.87%
Speaker / Resource Person	Name: Mr. Dhananjay Khairnar Designation & Organization: Project Manager, PDRL, Nashik Mobile No.:9766616206

Particulars	Description
Content of the activity	• Basic concepts and definition of drones and components of Drone • Drone Technology Trends • Applications of Drone • Introduction to designing of Drones
Relevance to POs	PO1, PO2, PO5, PO12
Relevance to PSOs	PSO1, PSO2, PSO3
Methodology used	1. Power point presentation. 2. Discussion
Brief Description of the activity	The expert lecture started with the welcome and introduction of resource person followed by felicitation of resource persons Mr. Dhananjay Khairnar (Alumni of E&TC dept) by, Prof M.S. Borse. The resource person started the session with the interaction with the students about drone technology , he explained, What is Drone Technology? The word "drone" is taken straight from the sci-fi world. Another name for drones is Unmanned Aerial Vehicle (UAV). A drone is an unmanned aircraft. Drones are used for filming, military surveillance, and recreational activities and drones work at the intersection of aerospace, robotics, and mechatronics. He explained the working principle and wide applications of drone such as surveillance and aerial photography in different sectors like military, agriculture, factory, media and entertainment etc. He insisted on research in mechanical, electronics, control system and embedded programming for becoming a successful drone expert. He provided detailed information about designing, programming and controlling different parameters like type of the drone, rotor blades, speed of rotor, battery, gyroscope etc with the help of drone mapping and simulation software He guided the students related to what industry expects from them apart from curriculum knowledge. He motivated the students for taking start-up initiative and become a successful entrepreneur. The Programed ended with formal vote of thanks by Prof. M.S.Borse.

Subject: Letter of Appreciation

Reference: Trends in Drone Technology.

Respected Sir,

We would like to take this opportunity to thank you for delivering expert Talk and Motivational Speech by Alumni , organized in Late G. N. Sapkal College of Engineering on 5th July 2024. The Expert Talk was a successful and was appreciated by the participating students and faculty members.

During the Expert Talk students were actively interacting with you, which will surely help them in future.

The participants were significantly benefited by the Expert Talk. The Department and College appreciate your time, dedicated effort for conducting the expert talk, and contribution in improving the well being of the participants.

Yours Sincerely,

Prof. S. B. Borse

Subject: - Invitation letter to deliver a One day Seminar on **"LaTeX: Hands- on Workshop"**

Respected Sir,

We are pleased to invite you to deliver a One day Seminar on **"LaTeX: Hands- on Workshop"** organized by Electrical Engineering Department in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik 422212

We take this opportunity to invite you as a guest speaker. It would indeed be our privilege, if you could accept our earnest request in this regard and share your knowledge with audience of all departments of our college. Kindly provide convenient date for valuable webinar. The tentative day, date and time for this program is Wednesday, 21th August, 2024 at 11:45 AM for Please make it convenient to visit our campus and oblige.

Thanking You,
With warm regards.

Yours Sincerely,

Received
Shweta

Activity Report

Particulars	Description
Department	Electrical Engineering
Activity	Expert Talk
Activity level	Department
Title	"One day "LaTeX: Hands-on Workshop"
Organized by	Electrical Department
Venue	Electrical Computer Lab.
Date	21/08/2024
Time	01.00 PM
Objectives of the activity	1. Students will be able to use various report writing tools and emphasize on LaTeX.
Outcomes of activity	1. Students will be able to develop a well-organized report and presentation by using LaTex. 2. Students will be use LaTex easily for their presentations in future.
Targeted Participants	TE & BE Electrical Engineering Students.
Total no. of Participants & % of students	47 100%
Speaker / Resource Person	1. Name: Prof. Shweta Wankhede, 2. Designation & Organization: Assi. Professor., K. K. Wagh Institute of Engineering Education & Research, Nashik 3. Mobile No.: 9404080267
Content of the activity	1. Concept of Latex 2. Necessary Commands of Latex 3. Online Tools For Latex 4. Latex Journal Templets.

Particulars	Description
Relevance to POs	**PO-1** **PO-5** **PO-8**
Relevance to PSOs	1. Apply knowledge of mathematics, science and electrical engineering fundamentals to solve complex problems in energy and power sector.
Methodology used	1. Power point presentation. 2. Discussion. 3. Practice
Brief Description of the activity	1. One day "LaTeX: Hands-on Workshop" by Prof. Shweta Wankhede was organized on 21/08/2024 by Department of Electrical Engineering under Electrical Engineering Students Association (EESA) in association with IQAC for the students of SE & TE (Electrical Engineering). Prof. Shweta Wankhede is currently working as Asst. Professor in E & TC department of K. K. Wagh IEER. She has extensive 8 years of experience in teaching field from various institutes of Nashik. 2. LaTeX is a software system for typesetting documents LaTeX offers extremely good control over the formatting of documents. Latex is widely used in academia for the communication and publication of scientific documents and technical note-taking in many fields, owing partially to its support for complex mathematical notation. It also has a prominent role in the preparation and publication of books and articles that contain complex multilingual materials, such as Arabic and Greek. 3. Around 47 students from Electrical Engineering were present for the workshop. All the aspects of LaTex including its importance are covered with hands-on training and live demonstration. Few frequently used commands were demonstrated during the workshop. In summary, the workshop aimed to empower students with a powerful tool for report writing and different presentations.

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of B.E. & M.E. courses. It aims of conducting high standards of education in the field of engineering. The college conducts courses in various streams of engineering, at the undergraduate level & postgraduate level, which are conducted strictly as per the rules and regulations of AICTE. With this reference Department of Electrical Engineering of Late G. N. Sapkal College of Engineering in association with IQAC cell, Nashik, conducted One day Seminar on **"LaTeX: Hands- on Workshop".**

On behalf of our institute we take this opportunity to express our appreciation to you for the One day Seminar on **"LaTeX: Hands- on Workshop".** It was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.

Thanking You,

With warm regards.

To,

The Principal,

Late G.N. Sapkal College of Engineering,

Nashik (Maharashtra), 422213.

Subject: Requesting permission for conducting add-on program

Sir,

I, Ms. S. A. Shinde, a faculty member of your esteemed institution, humbly request your permission on behalf of our Computer department to plan a Value Added /Add-on program in association with IQAC aimed at enhancing students' knowledge of the subjects. The program's objective is to foster industrial awareness among the students and improve their educational experience.

This program has been planned and implemented by a committed group of professionals, who have made sure that it is in line with both our educational objectives and institutional principles. We have a thorough schedule of events, a participation list, and the materials needed.

Kindly grant us permission to proceed with organization of this program. Your support and guidance will undoubtedly boost the confidence and enthusiasm of our students. We look forward to your positive response and approval for the same.

Thanking you in anticipation.

Yours sincerely,

Ms. S. A. Shinde
Program Coordinator

Syllabus:

1. Advanced Java Language Features	**5. Java Frameworks (Spring and Spring Boot)**
2. Concurrency and Multithreading	**6. Spring Framework**
3. Java Design Patterns	**7. Spring Data JPA**
4. Java Persistence with JDBC and JPA	**8. Spring Security**

Permitted

Prof.(Dr.) N.R. Wankhade

Head of Computer Department

Activity Report

Particulars	Description
Department	Computer Engineering
Activity	Five Days (30 hours) Add-On Program on "**Advanced Java (Hibernate / Spring Boot)**"
Activity level	Department Level
Title	Five Days (30 Hours) Add-On Program on "**Advanced Java (Hibernate / Spring Boot)**"
Organized by	Department of Computer Engineering in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri, Nashik
Venue	Engineering Seminar Hall.
Date	Form 03/04/2025 To 08/04/2025
Time	09:30 A.M to 4:00P.M
Objectives of the activity	• To Understand the concept of Object-Relational Mapping and how Hibernate simplifies database interactions with Java applications. • To Learn to develop production-ready applications using Spring Boot, focusing on its auto-configuration and micro service capabilities. • To Dive into advanced features of Hibernate like caching, lazy loading, and transaction management, and explore Spring Boot's security, testing, and deployment capabilities.
Outcomes of activity	• Participants will be able to implement Object-Relational Mapping in Java applications efficiently, enabling seamless database interaction with minimal code. • Participants will gain the ability to quickly develop production-ready applications using Spring Boot. They will be comfortable with Spring Boot's conventions, configurations, and its auto-configuration mechanism to create micro services and backend applications. • Participants will have the ability to implement advanced Hibernate concepts such as caching, lazy loading, and transaction

Late G. N. Sapkal College of Engineering Anjaneri Nashik 422 212

Particulars	Description
	management. Additionally, they will understand how to integrate security, testing, and deployment features in Spring Boot applications, ensuring their applications are robust and secure.
Targeted Participants	S. E & T.E Computer Engineering students
Total no. of Participants & % of students	198(92%)
Speaker / Resource Person	1. Name: Mr. Aniruddha More 2. Designation & Organization: Director of Sabedor Software India. 3. Mobile No.: 9922420135
Content of the activity	Advanced Java and Hibernate ORM, Spring Boot, Microservices and Deployment Servlets, JSP,
Relevance to POs	PO1, PO3, PO5, PO9, PO11, PO12.
Relevance to PSOs	PSO1, PSO3.
Methodology used	1. Presentation with notes and comments. 2. Project-Based Learning (PBL) 3. Discussion.
Brief Description of the activity	**Day 1:** **Prof.(Dr.) N.R. Wankhade (HOD, Computer Science)** welcomed the **resource person**, and **Principal Sir** & felicitated the resource person. **Ms. S. A. Shinde** briefly introduced the resource person, after which **Mr. Aniruddha More** provided an overview of his work related to **Sabedor Software India, Nashik**. He discussed the history of Java and its profound impact on modern programming languages. An introduction to Java's syntax and basic concepts was provided, laying the foundation for the rest of the course. A comprehensive introduction to Object-Oriented Programming (OOP) was covered, explaining core concepts like classes, objects, inheritance, and polymorphism.

Particulars	Description
	Day 2: Focus shifted to exploring deeper aspects of Java, including data structures and algorithms. The resource person demonstrated how Java handles collections, arrays, and other key data structures. Java's Collections Framework provides a set of interfaces, implementations, and algorithms that allow developers to work with data structures like lists, sets, queues, maps, and more. Topics like Understanding how to use these data structures efficiently is critical to writing scalable and maintainable code, exception handling and working with Java's core libraries were introduced, along with practical coding examples. **Day 3:** The session delved into more advanced OOP concepts and the application of design patterns. The students explored practical use cases, like implementing Singleton and Factory patterns in Java. Discussion also covered Java's memory management and garbage collection. **Day 4:** The focus moved toward frameworks and tools widely used with Java. The resource person introduced the Spring Framework, explaining how it simplifies enterprise application development. The students learned about Dependency Injection, Inversion of Control, and creating a basic Spring Boot application. **Day 5:** The workshop concluded with a practical, hands-on session on developing a Spring Boot RESTful application. The resource person demonstrated annotations like @RestController and showed how to handle basic HTTP requests. Advanced topics like Spring Security, creating custom exception handlers, and securing a Spring Boot app with JWT were covered. Students were introduced to building a simple microservice and deploying the application, including strategies for cloud deployment. The day was filled with practical coding demonstrations and problem-solving techniques, along with an opportunity for students to ask questions and discuss challenges in mastering advanced Java (like Hibernate and Spring Boot).

Department of Computer Engineering

Program Module and Outcome
5 days Certificate Course/Add-on Course on
"Advanced Java (Hibernate / Spring Boot)"

Sr No.	Module	Syllabus
1	Module 1	Core concepts of Advanced java.
2	Module 2	Introduction to ORM and Hibernate: Basics of ORM, Hibernate Architecture, Hibernate Configuration, Entity Mapping.
3	Module 3	Advanced Hibernate: Hibernate Annotations, Embeddable & Component Mapping, Caching (1st & 2nd level), Fetch Strategies
4	Module 4	Introduction to Spring Boot: Overview of Spring & Spring Boot, Spring Boot Project Setup, REST APIs
5	Module 5	Real-world Application & Deployment: Mini Project (e.g., Student Management System), Swagger API Docs, Spring Security (Basic/JWT - optional), Deployment (Heroku / Tomcat).

Sr No.	Module	Outcome
1	Module 1	Participants will gain hands-on experience in building dynamic web applications using Advanced Java concepts. They'll learn to connect Java apps with databases and develop server-side components.
2	Module 2	Participants will understand how Hibernate simplifies database operations using ORM. They will learn to configure Hibernate and map Java classes to database tables effectively.
3	Module 3	Participants will master advanced data mapping techniques and performance optimization using Hibernate. They will implement caching and fine-tune fetch strategies for efficient data access.
4	Module 4	Participants will learn to quickly set up Spring Boot applications and create RESTful web services. They'll gain hands-on experience with Spring Boot's ease of use for rapid development.
5	Module 5	Participants will develop a fully functional application, document APIs, and secure them using Spring Security. They will also deploy the project to a cloud platform or server, gaining real-world deployment experience.

Comment From 3rd April to 8th April 2025

3. Name and Address of the Resource Person (With e-mail address &Mob. No.):
Comment Aniruddha More
Sabedor software, Ashok stambha Nashik
aniruddha@sabedorsoftware.com

4. Date of Participation in the program :
Comment from 3rd April 25 to 8th April 25

5. Comments about the Infrastructural capacity of the organizing Institute/Department :
Comment Good Infrastructure, having modern facilities

6. Comments on the boarding and lodging facilities made available :
Comment -

7. Resource Person views on the program :
Comment Greate Interaction with students

8. Comments about the interaction with the participating students :
Comment Good Interaction, Students gain Practical Knowledge

9. Suggestions to further improvement in the program :
Comment No

10. Overall impact of the program :
Comment Excellent.

ACTIVITY FEEDBACK FORM

Activity Title: Five Days Add-On Program **"Advanced Java (Hibernate / Spring Boot)"**

Date:08/04/2025

Organized by:Department of Computer Engineering in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri,

Venue: Seminar Hall.

Performance/Attributes	Excellent (5)	Good (4)	Satisfactory (3)	Average (1)
Activity was delivered as planned		✓		
Activity was well structured and coverage of topics was proper	✓			
Activity objectives were clearly presented	✓			
Activity objectives were attained		✓		
Whether sufficient time was available for question & answer session?		✓		
Did this activity improve your knowledge about the topics covered?	✓			
The level of interest & motivation kept alive		✓		
Was the resource person friendly & willing to answer questions?		✓		
Quality of Audio Visual Aids and Venue	✓			
Overall impact of the activity			✓	

Relevance to POS / PSOs, if any: _____

Suggestion or Comments to improve the similar activities:
